## A. Introduction

The Postal Service™ has positioned itself to meet its current and future business objectives by maintaining a skilled and ready workforce that is diverse, engaged, efficient, and safe. This enables the Postal Service to successfully perform our long-standing mission of providing affordable, reliable, universal service.

The *Employee and Labor Relations Manual* (ELM) is a critical tool for understanding and implementing the programs and processes that contribute to this goal.

## B. Explanation

ELM 46 was published in March 2019 and includes all revisions published in the *Postal Bulletin* through February 14, 2019. The Summary of Changes contains detailed information about all revisions since the publication of ELM 45 in September 2018. All changes published in the *Postal Bulletin* are effective immediately.

## C. Availability

The ELM is available online and updated periodically; however, all ELM changes that are published in the *Postal Bulletin* are effective immediately. ELM Issues 12.1 through 45 are available on both the Postal Service PolicyNet website and at: <http://about.usps.com/manuals/elm/html/welcome.htm>.
