910 Employee Organizations

911 **Participation and Membership in Labor Organizations**

911.1 **Right to Participation**

Each postal employee has the right, freely and without fear of penalty or reprisal, to form, join, or assist a labor organization or to refrain from any such activity. Each employee is protected in the exercise of such rights. Except as specified in [911.3](#), this right extends to participation in the management of the organization and acting as an organization representative. It includes presentation of the organization's views to officials of the Postal Service, officials of the Executive Branch, the Congress, or other appropriate authority.

911.2 **Right to Membership**

No interference, restraint, coercion, or discrimination to encourage or discourage membership in a labor organization may be effected in the Postal Service.

911.3 **Conflict of Interests**

Supervisors and certain other employees may not actively participate in the management of a labor organization including voting in intra-union elections or acting as a representative of a labor organization when it would result in a conflict of interest, or apparent conflict of interest, or otherwise be incompatible with law or with the official duties of the supervisor or employee.

911.4 **Postal Service Recognition**

The Postal Service gives exclusive recognition to labor organizations that meet the requirements for such recognition under the provisions of the Postal Reorganization Act.

911.5 **Employee Compensation During Negotiations**

Employees who represent a recognized labor organization are not on official time when negotiating a collective bargaining agreement with postal management.

912 **Participation and Membership in Supervisory and Managerial Organizations**

912.1 **Right to Participation**

Postal personnel have the right, freely and without fear of penalty or reprisal, to form, join, or assist a supervisory or managerial organization or to refrain from any such activity. Such personnel are protected in the exercise of such rights. Such rights include participation in the management of the organization and acting as organization representative and may include the presentation of the organization's views to Postal Service officials, officials of the Executive Branch, the Congress, or other appropriate authority.

912.2 **Right to Membership**

No interference, restraint, coercion, or discrimination to encourage or discourage membership in such an organization shall be effected in the Postal Service.

920 **Dues Withholding for Employee Organizations**

921 **Voluntary Withholding of Dues**

Employees who are members of supervisory, managerial, or labor organizations that have approved dues withholding agreements with the Postal Service (see [923](#)) may voluntarily authorize the Postal Service to withhold periodic dues from their salary payments. The organizations for which dues deductions are authorized include those encompassed by the provisions of the Postal Reorganization Act.

922 **Dues Collection Schedule**

Dues for the National Association of Postmasters of the United States (NAPUS), the National League of Postmasters (the League), and the National Alliance of Postal Employees are deducted in the pay period that includes the first day in a calendar month and are reflected in the salary check for that pay period. Dues for all other labor organizations and for the National Association of Postal Supervisors (NAPS) are withheld each pay period.

923 Eligible Organizations

924 **Authorization for Dues Withholding**

924.1 **Authorization Forms**

924.11 **Supervisory or Managerial Organizations**

Standard Form (SF) 1187, *Authorization for Deduction of Union Dues*, is used by members of supervisory or managerial organizations for authorization of dues withholding.

924.12 **Labor Organizations**

One of two revised versions of SF 1187 is provided by the unions and used by members of labor organizations for authorization of withholding of dues, which may include the yearly subscription price to the union's publications. The forms used are:

- a. For city carrier assistant employees, SF 1187, *Authorization for Deduction of Union Dues for City Carrier Assistants*.
- b. For other bargaining unit employees, SF 1187, *Authorization for Deduction of Union Dues*.

924.2 **Employee Eligibility**

924.21 **Employment Status Requirement**

924.211 **General**

Employees who are members of approved organizations are eligible to participate in dues withholding procedures.

924.212 **Exception**

Because of the intermittent nature of their employment, casual and most nonbargaining temporary employees are excluded from this policy.

924.22 **Multiple Dues Withholdings**

An eligible employee may have dues deducted for up to three organizations at one time. A separate authorization is required for each organization.

924.3 **Distribution of Authorization Forms**

924.31 **Function of Organization Representative**

The organization representative:

- a. Distributes appropriate forms to members who voluntarily desire to have the Postal Service withhold dues from their salary payments.
- b. Makes certain that the top portion of the form is completed: indicating the name and alpha code (see [923](#)) of the organization; identifying each member by name, address, and Social Security number or Employee Identification Number; and showing the name and finance number of the installation where such member is officially assigned.
- c. Certifies the amount of dues to be withheld biweekly or each month from the employee's compensation.

924.32 **Limit on Time and Place**

Distribution, collection, and certification of such forms should not be made on official time in a work area.

924.4 Submission of Completed Authorization Form**924.41 General**

The organization representative submits the original SF 1187 to the postal installation where the member is employed. The installation head makes sure that the “date of delivery to employer” is entered and the form is promptly forwarded to the Human Resources Shared Service Center (HRSSC). This date cannot be entered by the organization representative, except as noted in [924.422](#).

924.42 Exceptions**924.421 Postmasters**

The National League of Postmasters (the League) may submit the original SF 1187 through regular payroll channels to the servicing HRSSC. The National Association of Postmasters of the United States (NAPUS) processes the SF 1187 for its members to initiate dues withholding.

924.422 Rural Carriers

The NRLCA National Office, which is responsible for entering the “date of delivery to employer” at the time of transmittal, submits the SF 1187 for a rural carrier.

924.423 American Postal Workers Union

The APWU processes SF 1187 for its members to initiate dues withholding.

924.5 Implementation of Dues Withholdings

The Eagan Accounting Services begins dues withholdings with the first full pay period following the receipt of a properly completed SF 1187 at the HRSSC. In the event that an SF 1187 is received at the HRSSC without the date of delivery filled in, the HRSSC enters the date of receipt as the “date of delivery,” and proceeds to process the form, using the “date of delivery” as the anniversary date. The HRSSC sends a copy of this annotated form with an appropriate explanation to the installation of origin for transmittal to the organization.

924.6 Certification of Amount to Be Withheld**924.61 Function of Organization Representative**

The appropriate official of each employee organization properly certifies the amount to be withheld.

924.62 Change by Organization

When the organization changes the amount to be withheld, a blanket authorization listing the affected employees is accepted and used for such purpose by the Eagan Accounting Services. Such notice includes the employee’s name, Social Security number, finance number, effective date, and “from” and “to” dues amounts. The notice is certified by a regional or national official of the organization and forwarded to the manager of Human Resources in the area office, who indicates approval and forwards it to the Eagan Accounting Services.

924.7 **Confirmation of Correct Deduction**

924.71 **Notation or Earnings Statement**

The amount withheld for dues is shown on PS Form 1223-B, *Earnings Statement*, or Electronic Earnings Statement in ePayroll.

924.72 **Procedure in Case of Error**

If an erroneous dues amount is withheld, the employee follows normal payroll inquiry procedures in questioning such deduction. The personnel office maintaining the employee's official personnel folder (OPF) rechecks the amount authorized by the employee on the current SF 1187, and the HRSSC changes the employee payroll master record if it is in error. The Eagan Accounting Services does not make a retroactive adjustment unless the Postal Service is responsible for the error in dues withholding; e.g., if it fails to process a properly submitted SF 1187, or deducts an incorrect amount, or makes deductions for the wrong organization.

925 **Cancellation of Dues Withholding Authorization**

925.1 **Voluntary Cancellations**

925.11 **Form Used**

Employees use PS Form 1188, *Cancellation of Organization Dues from Payroll Withholdings*, to cancel dues withholding.

925.12 **When Employees Can Cancel**

925.121 **General**

Except as specified in [925.122](#), an employee can cancel an SF 1187 only in accordance with the terms of the authorization form that the employee signs to initiate the dues withholding. This holds true for members of organizations such as the American Federation of Government Employees or the National Alliance of Postal Employees, that are not "certified bargaining representatives" or "recognized organizations of supervisory and other managerial personnel."

925.122 **Special Circumstances**

Special circumstances that alter the conditions for canceling dues withholding are as follows:

- a. Employees who enrolled in any organization before July 1, 1971, or who are members of supervisory or managerial organizations designated by Codes N, P, or S, may submit their cancellation notice at any time, but it is not processed until the first full pay period following March 1 or September 1, whichever occurs first after receipt of the form. These employees submit PS Form 1188 to the installation head, who forwards the form to the servicing HRSSC, except as noted in 925.122f.
- b. An employee using the revised SF 1187 described in 924.12 may cancel only by submitting PS Form 1188 to the installation head and via certified mail to the organization's national office not more than 20 days, and not less than 10 days before the anniversary date (date of the delivery to employer). PS Form 1188 must be date-stamped upon

receipt. It is this date that is used to determine if the cancellation request was received in accordance with the above requirements.

Example: Assume an anniversary date of December 1. The employee signs and dates PS Form 1188 on November 10 and certifies that Copy 3 of the form has been sent to the organization's national office by certified mail. To comply with the 20/10 day requirement specified above, the employing office must receive and date stamp part B of the form between November 11 and November 21. If the HRSSC receives all three copies of PS Form 1188, the entire form is returned to the employee with the reason(s) noted. The 20/10 day rule is a requirement of the revised SF 1187 that can be waived only by the union.

- c. An employee whose documented position is not within a recognized bargaining unit (such as a supervisor), but who is having dues withheld for a labor organization that is recognized as a bargaining agent (see [923a](#)), may voluntarily cancel the dues withholding authorization, effective the first full pay period after the request for cancellation is received at the HRSSC. The PS Form 1188 should be annotated to reflect the employee's current job title and effective date.
- d. The SF 1187 of a non-career employee stays in effect for 180 days following termination, even though the Postal Service does not withhold dues, to allow the employee the option of continued withholding if the employee is rehired within that 180-day period. If a non-career employee wants to cancel dues withholding when rehired, he or she may do so within 10 days by submitting PS Form 1188. A non-career employee may also cancel dues withholding according to the 20/10 day requirement, i.e., not more than 20 days, and not less than 10 days before the anniversary date. This anniversary date is the "date of delivery to employer" of the SF 1187 originally authorizing dues withholding, and this date remains fixed regardless of the number of consecutive appointments.
- e. The APWU processes PS Form 1188 for its members to cancel dues withholding.
- f. NAPUS processes PS Form 1188 for its members to cancel dues withholding.

925.2 Discontinued Withholding**925.21 Separation**

The Postal Service discontinues dues withholding upon separation of any employee enrolled in the dues withholding program, although the process is modified for non-career employees. Dues withholding is discontinued for a non-career employee at the end of a term of employment, but the SF 1187 stays in effect for 180 days. If the employee is rehired within 180 days, the dues deduction restarts, unless the employee submits a cancellation as specified in 925.122d. After 180 days, a rehired employee must complete another SF 1187 in order to activate dues withholding.

925.22 Organization Request

Withholding of dues is discontinued at any time upon written request from the organization for which the withholding is authorized.

925.3 Cancellation Notices

Cancellation notices must include the employee's name, date, dues deduction anniversary date, Social Security number, name and finance number of the installation where officially assigned, and name and alpha code of the organization involved.

925.4 Cancellation Procedures

The postal installation receiving a properly executed PS Form 1188 promptly forwards the original and Copy 2 to the HRSSC. The HRSSC promptly notifies the installation head or designee of any refusal to honor PS Form 1188, and the reason for doing so, by returning Copy 2 of the completed PS Form 1188 to the employing office. The installation head or designee, in turn, notifies the employee.

925.5 Filing Procedures

All SFs 1198 (as provided by the various eligible postal organizations as specified in [923](#)) and PS Forms 1188 requiring a payroll adjustment are sent to the HRSSC for processing. The forms are files with the permanent documents in the employee's eOPF.

925.6 Transfer or Reassignment

When an employee who is having dues withheld for a management or labor organization (as listed in [923a](#) or [b](#)) transfers or is reassigned to another postal installation, his or her dues withholdings are transferred to the local organization at the gaining installation. The dues amount remains the same unless otherwise changed by the new local organization. If a change in the dues amount is to be made, a request is submitted by the organization as provided in [924.62](#); however, such request is limited to the employee involved.

926 **Coding Instructions**

926.1 **Organization Codes**

Each national organization is identified by a specific alphabetical code as shown in [923](#).

926.2 **Subdivision Codes**

The post office finance number is used to identify each post office local organization. Official state codes are used to identify the postmaster and rural carrier organization subdivisions.

926.3 **Remote or District Locals**

In some cases, an employee working at one postal installation is a member of a local organization identified with a different post office. The postal installation finance number is used to identify the office of employment. In addition, the post office finance number used to identify such remote or district local organization is also entered.

926.4 **Members at Large**

If a member is attached directly to the national organization or state division instead of to a local organization, the words “Member at Large” are shown after the name of the organization. Such members include those at post offices that do not have local organizations. The finance number should be the state code followed by four zeros (i.e., 35-0000).

930 **Work Clothes and Uniforms**

931 **Uniforms**

931.1 **Entitlement and Allowances**

931.11 **Entitlement**

Certain employees must wear prescribed uniforms in performing their duties. These employees are entitled (a) to a uniform allowance to purchase authorized uniform items or (b) to be furnished uniforms that meet Postal Service specifications.

931.12 **Allowances**

The annual allowance authorized each employee covered by a collective bargaining agreement is determined by the terms of that agreement. Allowances for other employees are set as a matter of policy.

931.13 **Types of Clothing**

The Uniform Program consists of a number of types of clothing developed for various positions dependent on (a) the level of visibility to the public, (b) the type of work normally performed, and (c) the physical environment in which the employee normally works. The current categories are:

- a. Type 1 – city letter carriers, clerk/special delivery messengers, clerks performing city letter carrier duties, motor vehicle operators,

tractor-trailer operators, driving instructors and examiners, letterbox mechanics, ramp clerks and transfer clerks, AMF, performing ramp clerk duties, area maintenance technician/specialists, maintenance mechanics working as letterbox mechanics (see [932.11h](#)), passenger elevator operators, and elevator starters.

- b. Type 2 – employees assigned to retail operations.
- c. Type 3 – vehicle maintenance, custodial maintenance, mail handler, BMEU, and clerical employees eligible under [932.12](#) and [932.13](#).
- d. Type 4 – security force police officers.
- e. Type 5 – bargaining unit and nonbargaining unit medical personnel.
- f. Type 6 – supervisors.

The criteria are different for each type, as well as the procedure necessary to establish or terminate an employee in each category. Installation heads must familiarize themselves with the criteria established for each type so that certifications are made under the correct program.

931.2 **Purpose and Scope**

931.21 **Uniforms**

Uniforms are provided to certain employees for the following reasons:

- a. To provide immediate visual identification with the Postal Service to the public.
- b. To project an appearance to the public that is neat, professional, and pleasing.
- c. To help develop in the employee a feeling of esprit de corps.
- d. To meet standard professional practices (doctors, nurses, etc.).

931.22 **Work Clothes**

Work clothes are provided to certain employees:

- a. Who perform dirty work or work with toxic materials.
- b. When it is important that they be recognized and identified with the Postal Service, work clothes are provided for employees who work in public view.
- c. To certain full-time employees working full time in areas where work clothing is essential.

931.23 **Personal Appearance**

Supervisors are responsible for continually observing the uniforms of employees and taking appropriate corrective action, when necessary, to ensure employees are properly attired.

931.24 **Administration of Uniform Policy**

Items of uniform dress are listed in [933.1](#) through [933.6](#). These lists include all items to which allowances are applicable, that employees in these categories may be required to wear under various circumstances (see [936.14](#)). The lists do not mean that every employee is required to acquire and wear every one of the items at some time during service in the category. On the contrary, the list for each of several categories contains a

number of items that some employees in a particular category may never need to wear. It is the intent of these regulations that appropriate items for wear in matters of this kind be determined at the installations, in accordance with collective bargaining agreements and Postal Service policy.

931.25 **Responsibility of Installation Heads**

Installation heads:

- a. Post a list of uniform items authorized for the installation. The list indicates those items that are required and those that are optional to the employee.
- b. Enforce all uniform allowance regulations and prevents abuses.
- c. Make all rules and regulations governing uniform clothing and accessory purchases readily accessible to all employees and vendors.

931.26 **Responsibility of Employees**

931.261 **Appearance**

Postal employees are responsible for being adequately and properly dressed for duty. They are expected to maintain high standards of appearance, representing to the public the best tradition of service and efficiency while performing their official duties. Uniform garments should be properly fitted and maintained in a clean, neat, and serviceable condition. Jeans, shorts, sleeveless tops, T-shirts, sweats, spandex, etc., are not appropriate attire for employees working at a retail counter. This list is not meant to be exhaustive.

931.262 **Conforming With Regulations**

Uniformed employees are responsible for conforming with all uniform regulations.

931.263 **When to Wear Uniforms**

Uniforms are worn as follows:

- a. *General.* A uniform is worn only while the employee is on duty, in connection with approved activities directly related to postal employment.
- b. *Special Authorization.* Postmasters may authorize wearing postal uniforms for activities in which the Postal Service participates, or which it sponsors, where identification with the Postal Service is beneficial to the Service, and while the employee is traveling directly to and from work.
- c. *Restrictions.* In no other case may the postal employee's uniform, or any part of it that identifies the garment or wearer with the Postal Service, be worn in nonpostal employment or activities.

931.264 **Postal Service Emblem**

The Postal Service emblem may not be worn except by uniformed postal employees as part of the prescribed uniform except in the following circumstances:

- a. Postmasters and other installation heads may permit the voluntary wearing of the Postal Service emblems by a postal employee who has daily personal contact with the public, but who is not required to wear a uniform.

- b. In all other situations, specific authorization is obtained through administrative channels from Labor Relations.

931.27 **Employee Acting as Agent**

No postal employee may act as agent, directly or indirectly, for any individual or firm engaged in the manufacture or sale of postal employees' uniform items.

931.28 **Payment for Fabric**

Payment is made for piece goods purchased for use in home sewing of items of uniform apparel authorized for the employee's craft. Reimbursement to the vendor is made in accordance with [936.5](#). Note the following:

- a. Payment is not made for purchases of piece goods for home sewing of any item that is not an authorized uniform garment for the craft concerned.
- b. Fabric must meet specifications in [932.3](#).

932 **Uniform Requirements**

932.1 **Employees Required to Wear Uniforms and Work Clothes**

932.11 **Regular Uniforms**

Employees in the following categories meeting the following conditions wear the prescribed uniform while performing their duties:

- a. City letter carriers and clerk/special delivery messengers whose tours of duty during the course of a year average 4 hours or more per day performing carrier or special delivery duties.
- b. Motor vehicle operators, tractor-trailer operators, or driving instructors and examiners, if they average 4 hours or more per day during the course of a year, driving vehicles or holding themselves in readiness to drive them.

Employees who do not qualify for a uniform allowance under the criteria described above must wear the appropriate uniform for the position if it is provided to them outside of the uniform allowance program.

- h. Retail classroom instructors and retail coaches who qualify for uniform allowances.
- i. Letterbox mechanics assigned to work outdoors more than one-half the time, or maintenance mechanics assigned to letterbox mechanic duties performed outdoors for more than one-half of the time.

932.12 **Contract Uniforms**

The Postal Service has authorized uniforms for mail handlers, custodial maintenance, vehicle maintenance employees, and certain full-time employees in the Business Mail Entry Unit (BMEU) in CAG A–J post offices who meet certain criteria. To be eligible for uniforms under the contract uniforms program, employees must (a) be in public view 4 hours a day for 5 days a week or (b) be in public view not less than 30 hours a week in combined total time. Walking shorts may be worn only with blue-gray or white with blue stripe crew socks or blue-gray, white with blue stripe, or black knee-length hose.

934.32 Summer Shirt and Tie

Where a convertible collar, short- or long-sleeve summer shirt is authorized, the tie is not necessarily required. The tie must be worn whenever a jacket or coat is worn. After consulting with representatives of affected employees at the Post Office, if the postmaster decides a tie is to be worn with the convertible collared summer shirt, the tie is worn by all affected employees at that Post Office. However, if the decision is that a tie need not be worn, individual employees who desire to wear the tie may do so even though the majority are without ties.

934.4 Seasonal Changes of Uniform

The head of an installation determines when seasonal changes of uniforms take place, with the exception of retail employees.

934.5 Employees in Nonuniform Categories

Employees not eligible for the retail service uniform allowance, but who have contact with the public and wish to identify themselves with the Postal Service, may purchase the retail uniform though reimbursement will not be provided. Uniform items obtained under these provisions may only be purchased at the option of the employees at no cost to the Postal Service, and may be worn only when performing retail duties.

934.6 Prohibitions

Wearing postal uniforms is prohibited under the following circumstances:

- a. A person not connected with the letter carrier branch of the Postal Service who wears the uniform or badge worn by a city carrier is fined not more than \$100, or imprisoned not more than 6 months, or both. When employees are separated from the Postal Service, all emblems,

buttons, or other identifying insignia must be removed before the uniforms are discarded.

- b. The uniform is not worn during or in connection with the furtherance of private employment or commercial interests.
- c. The uniform is not worn under circumstances that would tend to bring discredit upon the Postal Service.
- d. The uniform is not worn, except when authorized by the postmaster or Headquarters, when an employee participates in activities such as public speeches, interviews, picket lines, marches, rallies, or any public demonstration that may imply service sanction of the cause for which the demonstration or activity is being conducted.

935 **Uniform and Work Clothes Allowances**

935.1 **When Allowances Take Effect**

935.11 **Anniversary Date**

Allowances take effect on the earliest date an employee is required to wear the uniform following completion of the 90-day probationary period. This date is known as the employee's anniversary date.

935.12 **Transfers**

When employees who have been receiving allowances in one uniformed category transfer or are reappointed to a different uniformed category within the allowance year, they start a new anniversary date, provided they are eligible in the new category on the date of assignment (see [935.251](#)).

935.2 **Adjustment for Certain Absences During Allowance Year**

935.21 **Absences From Uniform Category of 90 Days to 1 Year**

935.211 **Policy**

Employees temporarily assigned to light duty assignments, OWCP absences, extended sick leave, or higher level detail for a period of 89 days or more that does not require wearing a uniform have their uniform allowance suspended for the time they are on this assignment. When such is the case, the following provisions apply:

- a. A request for a personnel action to terminate the uniform allowance is submitted to the personnel office. The personnel office generates PS Form 50, *Notification of Personnel Action*, using Nature of Action (NOA) 903, Uniform Certification/Disallowance, to document the termination of allowance. (See Handbook EL-301, *Guidelines for Processing Personnel Actions*, for PS Form 50 processing instructions.)
- b. Invoices showing purchase dates during the time an employee is in a nonuniform category may not be accepted for payment.
- c. If the detail is terminated in less than a year after the last anniversary date, the allowance is redetermined by the postmaster as described in [935.23](#), and the employee retains the former anniversary date.

935.212 Suspension Instructions

A statement is inserted on the PS Form 50, NOA 903, Uniform Certification/Disallowance, that the uniform allowance is suspended for the period of the detail. When the detail is terminated and the employee is reassigned to a position that makes him or her again eligible for a uniform allowance, if the employee's eligibility has been suspended for one year or more, a new PS Form 50, NOA 903, establishing the employee's eligibility is prepared. If the suspension is for less than a year, a PS Form 8006, *Uniform Allowance Code Sheet (For Regular, Contract, or Work Clothes Program)*, must be completed and submitted to the St. Louis ASC.

935.22 Absences From Uniform Category Exceeding 1 Year

Employees on LWOP in excess of a year, or absent on military duty in excess of a year, who were eligible for uniform allowances immediately prior to their absence receive a new anniversary date for uniform allowances directly on return to a duty and pay status in a uniformed category. Other employees separated from a uniform category for periods in excess of 1 year are regarded as new employees and, therefore, entitled to the first-year allowances when reassigned to a uniform category.

935.23 Absences From Duty While in Uniform Category

An employee on LWOP, OWCP absence, extended sick leave, higher level detail, or military LWOP not in excess of 89 calendar days during a year of eligibility receives full allowance if otherwise eligible. If such leave exceeds 89 calendar days (not necessarily consecutive, but accumulative) during any uniform allowance year, the maximum allowance is reduced 10 percent for the 90 calendar days of LWOP and 10 percent for each full 30 calendar days of accumulative leave beyond the 90-day period. Recovery of earlier grants of allowance is not required, however, in achieving this reduction.

935.24 Reappointments

Eligible employees who are separated from a uniformed category and are later reappointed to a position in the same category within 1 year of their last anniversary date have their allowance redetermined as outlined in [935.23](#) and retain the former anniversary date.

935.25 Adjustment for Employees Who Transfer Crafts**935.251 Change to Another Uniform Category**

An employee who has been receiving an annual allowance and later transfers to another uniformed category receives the allowance for newly eligible employees in that category. Any balance of the previous annual allowance is liquidated by the St. Louis ASC, and a new card is issued with the new allowance.

935.252 Transfer or Separation in Excess of 1 Year

An employee who transfers or separates from a uniformed category for a period exceeding 1 year and later returns to duty in a uniformed category is regarded as a newly eligible employee. The employee receives the increased first-year allowance.

935.26 Notification to Employee and Accounting Service Center**935.261 Determination of Eligibility**

When an employee's eligibility for a uniform allowance is uncertain, the installation head makes the decision. An employee is to be notified as soon as possible when his uniform status has changed.

935.262 Change in Eligibility

A change in assignment or eligibility that requires no other type of concurrent personnel action, but that changes eligibility for the uniform allowance, is recorded on PS Form 50 using NOA 902, Uniform Certification/Disallowance. The form indicates the employee has either become or is no longer eligible for the uniform allowance. The postmaster notifies the personnel office whether the employee is newly eligible for a uniform allowance and is entitled to the additional first-year allowance (see [935.25](#)). The personnel office generates a PS Form 50 notifying the employee of his or her eligibility for the uniform allowance. A Form 8006 must be completed and submitted to the St. Louis ASC.

936 Payments**936.1 Limitations on Payments****936.11 Total Yearly Payments**

Total payments for an employee during an allowance year may not exceed the maximum allowance prescribed except as indicated in [935.25](#).

936.12 Insufficient Funds for Claims

Payment is not made for a purchase made in excess of an employee's yearly allowance. Employees must be particularly careful not to have merchandise invoiced before their anniversary date if the current year's allowance has been exhausted.

936.13 Related Expenses

Payment is neither claimed nor made for expenses involved in the purchase of secondhand items of uniform nor for cleaning, repairs, or alterations (except alterations made at the time of purchase for the sole purpose of ensuring proper fit).

936.14 Items Not Specified

All branches of service have specific detailed specifications for the style and color of their particular uniforms. Detailed specifications and styles are prescribed for both male and female uniform items of clothing in each specific category of employment. Payment is neither claimed nor made for any items of clothing that do not conform with the detailed male or female specifications and styles for the employee's category of employment.

936.15 Purchases Exceeding Allowances

Each employee is personally responsible to the authorized licensed vendor for all purchases exceeding his or her uniform allowance. In cases where employees purchase in excess of their full allowance or existing allowance balance, the full licensed vendor invoice is processed regardless of amount (even if records show a zero balance in the employee's allowance). The St.

Louis ASC pays only the maximum left in employee's account and notifies the vendor why the remainder has not been paid.

936.2 Payment for Uniform Purchase After Separation of Employee

Payment to the vendor is not allowed if the following conditions exist:

- a. The employee separates from the uniform program for any reason, including retirement, within 30 days following purchase of items of uniform wear that are *not* recognizable as distinctive uniform items unless worn with the basic outer garments of the uniform. In these cases notify both employee and specific vendor involved. Return the invoice to the vendor (see [936.32](#)). Nondistinctive items include shoes, gloves, rubbers, galoshes, overboots, hose, face masks, pith helmets, and belts.
- b. When there is evidence that, before making the purchase, the employee indicated an intention to separate from the uniform program for any reason, including retirement, involuntary separation, or bid to an assignment not requiring the same uniform category, do not process the invoice for payment. After placing a copy of the invoice in the employee's uniform file with the appropriate remarks, return the invoice to the vendor advising why it will not be honored.

936.3 Approval by Installation Head

936.31 Inspection of Purchases

The installation head may require the employee to present the uniform purchases for inspection within 10 working days from receipt of the uniform item. An employee who is unable to comply with this requirement because of being in an approved leave status may present the purchased items for inspection upon return to a work status. All items must contain the certificate label issued by the Postal Service Quality Control Office except as noted in [936.32](#). Discretion is exercised in permitting the purchase of excessive amounts of one-of-a-kind items, such as shoes, gloves, socks, and other civilian type items.

936.32 Purchases Not Meeting Regulations

If all or a portion of the merchandise presented in [936.31](#) is unacceptable because it does not conform to current postal regulations, the employees responsible for reviewing vendor invoices (see [936.53](#)) returns the invoice to the vendor stating why it was unacceptable. The employee retains but does not wear the unacceptable merchandise and waits for instructions from the vendor.

936.33 Disallowing Payments

The district accounting office may disallow payment for excessively priced items, for items not needed for local climatic conditions, and for excessive amounts of civilian-type items.

936.34 Employee's Responsibility for Excesses

The installation head cautions all employees that uniform purchases exceeding their current allowances are the employees' personal responsibilities.

936.35 Notification of Responsibility

Although not responsible for purchases made in excess of an employee's uniform allowance, the Postal Service advises employees in writing of their responsibilities to make payment when notified of delinquencies.

936.4 Separating Employees**936.41 Conditions for Nonpayment**

Invoices dated before an employee's separation date and submitted for payment are processed for payment. However, they are not paid under any of the following conditions:

- a. When purchases of uniform items not recognizable as distinctive uniform items were made within 30 days before separation (see [936.2a](#)).
- b. When there is evidence that before making the purchase the employee indicated an intention to separate for any reason, including retirement (see [936.2b](#)).

936.42 Addition to Form 337

Postmasters and installation heads add "Uniform Allowance Invoices Submitted" on PS Form 337, *Clearance Record for Separated Employee*, as a write-in item.

936.43 Employee Submission of Invoices

When an employee who is leaving the Postal Service checks out, the postmaster, or other designated employee, asks the separating employee if any uniform purchases have been made during the past 30 days. If the answer is negative, complete the item in the same manner as the other items on the checkout sheet. If the answer is affirmative, contact the district accounting office and advise the employee accordingly.

936.5 Payment to Licensed Vendors**936.51 Direct Payment**

Payment is made directly to licensed vendors.

936.52 Employee Reimbursement

Employees are not reimbursed for uniform purchases except for caps (see [932.21](#)) and as provided for in [936.6](#) and [938.4](#).

936.53 Examination of Invoice

The Uniform Program office may require uniform vendors to provide documentation to ensure that purchases are reasonable under all circumstances and that they comply with postal regulations.

936.54 Evidence of Purchase

The vendor must keep itemized sales records of the individual transactions that include the employee's name, date of purchase, and a description of the items in the transaction — including size, color, and unit price. These records must be maintained for auditing purposes for a minimum of 3 years after the date of purchase.

936.6 Purchasing Procedures for Nurses' Program**936.61 Eligibility**

Full-time and part-time nurses who have completed their probationary period receive a uniform reimbursement card following their uniform anniversary date. Part-time nurses who have not worked at least 1,560 hours in the 12-month period immediately before their anniversary date are not entitled to uniform reimbursement.

936.62 Procedures**936.621 Standard**

Nurses may purchase uniforms from Postal Service licensed uniform vendors. Payment to the vendor is made in the same manner as that for other employees eligible for uniform allowances.

936.622 Optional

Nurses who have difficulty in locating a Postal Service licensed uniform vendor that provides nurses' uniforms may purchase their uniforms from any bona fide source in the following manner:

- a. Nurses must present itemized invoices to the district Human Resources manager for review to ensure that items are authorized for reimbursement according to Article 26 of the National Agreement. Invoices must include the following information:
 - (1) Name of employee.
 - (2) Name of the firm from which the purchase was made.
 - (3) Date of purchase.
 - (4) Employee's Employee Identification Number.
 - (5) An itemized description of the items purchased, including size and color.
 - (6) A statement by the employee certifying that the items listed were actually purchased, and an explanation why such purchase could not be made with a licensed uniform vendor.
- b. The district Human Resources manager must submit the approved nurse's itemized invoice to St. Louis Accounting Services for processing. The amount of the approved purchase will be deducted from the employee's available allowance.

937 Uniform Vendors**937.1 Communication From Vendors**

The district accounting office designates an employee to respond to all licensed vendor correspondence relating to employee uniform purchases. All

correspondence that requires an answer must be received from the licensed vendor in the following manner:

- a. Addressed to:
UNIFORM CLERK
C/O DISTRICT ACCOUNTING OFFICE
[CITY] [STATE] [ZIP CODE].
- b. In duplicate with self-addressed stamped return envelope.
- c. Showing the employee's name, the first seven digits of the employee's Social Security number, the invoice number in question, the invoice amount, and the date of invoice.
- d. Providing space for a reply.

937.2 **Access to Postal Premises**

Postmasters may permit a licensed vendor of official postal uniform items access to postal installations and their subinstallations as follows:

- a. Licensed vendors or their representatives must present proper identification to postmasters or their designated representatives.
- b. The location must have a lunchroom or other nonwork area space of sufficient size so that vendors and interested employees may conduct their business without interfering with postal activities.
- c. Vendors must strictly adhere to local rules as to location, hours, etc., as required by local postmaster.
- d. Vendors failing to meet requirements in [937.2](#) items [a](#) and [c](#) may be denied admission by the postmaster.

938 **Supervisor Work Clothes Program**

938.1 **Purpose**

A work clothes allowance is authorized for certain categories of supervisors whose duties require them to come in contact with dirty or toxic materials while supervising or inspecting the work of their subordinates.

938.2 **Eligibility**

The installation head is responsible for determining the individual supervisor's eligibility for the allowance.

938.21 **Determined by Installation Head**

The installation head is responsible for determining the individual supervisor's eligibility for the allowance.

938.3 **Acquisition of Work Clothing**

938.31 **Alternative Protective Items**

If the installation head determines that occasional use of such items as coveralls, smocks, or aprons meet the need, these items are purchased for the installation through the GSA FEDSTRIP catalog.

938.32 Work Clothes Allowance**938.321 Reimbursement Limit**

If the installation head approves a work clothes allowance for an eligible supervisor, the supervisor is reimbursed for the actual cost of an initial purchase of two sets of work clothes (two shirts and two pairs of trousers). However, total reimbursement for both initial sets may not exceed \$44. Work clothes may be purchased from any retail outlet.

938.322 Types of Work Clothes

Work clothes may be in any shade of blue, green, brown, or khaki. Although further specifications are not prescribed, it is recommended that the trousers be twill weave, polyester, cotton, durable press, or medium- or heavy-weight fabrics and that the shirts be poplin weave, polyester/cotton, or durable press fabrics.

938.323 Purchases Not Authorized

Reimbursement is not authorized for dress shirts, slacks, sport clothes, or any other types of garments that are not clearly identifiable as work clothes.

938.324 Replacements

Replacement work clothes may subsequently be authorized by the installation head on an as-needed basis in order that the supervisor maintain two complete sets. Reimbursement for replacements is limited to a maximum of \$54 per year beginning on the anniversary date of the initial purchase.

938.4 Reimbursement Procedure

The installation head lists all eligible supervisors on Form 8006, Uniform Allowance Code Sheet, and submits the completed form to the designated DDE/DR site.

When set up on the Uniform Allowance Master File at the St. Louis ASC, a card Form 1961 is cut for each eligible supervisor.

When invoices for an eligible supervisor are processed for payment, vendor number 81886 should be used to ensure payment directly to the supervisor.

939 Authorized Exceptions**939.1 Footwear****939.11 Standard Specification**

Employees purchasing footwear under the uniform and work clothes programs must ensure that the footwear meets Postal Service standard specifications and bears the SR/USA label.

939.12 Exceptions

Footwear must be purchased from a Postal Service-licensed vendor; however, exceptions to the certified footwear program may be granted, when appropriate (e.g., medical reasons, very unusual sizing restrictions), under the following guidelines:

- a. Employees must submit their request for exception, in writing (with appropriate supporting documentation), to the district Human

Resources manager. The employee's request, whether approved or not, must be filed in his uniform folder.

- b. When authorization is granted to purchase footwear from other than a Postal Service vendor, employees must present an itemized invoice to the uniform clerk at their facility. Invoices must include the name of the employee; the name of the firm from which the purchase was made; the date of purchase; the post office finance number; the employee's anniversary date; the employee's Social Security number; an itemized description of the items purchased including size and color; and a statement by the employee certifying that the items listed were actually purchased.
- c. Installations process the purchase in the same manner as a vendor invoice except that 81886 is used for the vendor number. This provides payment to the employee.

939.2 **Nurses Uniforms**

Nurses uniform and footwear exception procedures are outlined in [936.622](#).

940 Employee Assistance Program

941 **Introduction**

941.1 **Purpose**

941.11 **General**

The Employee Assistance Program (EAP) is a formal, voluntary, non-disciplinary program designed to assist employees and their immediate families in their efforts to resolve personal issues that may impact adversely on work performance, personal well-being, or both. Issues may include, but are not limited to:

- a. Substance abuse;
- b. Mental health issues such as depression, anxiety, and stress; and
- c. Issues that involve family, marital, financial, and legal concerns.

Assistance is provided through:

- a. Consultation,
- b. Evaluation, counseling, and
- c. Referral to community resources and treatment facilities.

941.12 **Substance Abuse, Dependence, and Other Addictions**

Substance abuse, dependence, and other addictions are serious health problems that can adversely affect an employee's job performance and personal life. The EAP continues the Postal Service's obligation under its collective bargaining agreements to provide a program for employees with these problems. EAP is not intended to alter or amend any of the rights or responsibilities of the Postal Service or its employees.

941.2 Definitions

Special terms used in this subchapter include the following:

- a. *EAP counselor* — external and internal EAP counselors must have:
 - (1) An advanced degree from an accredited college or university in a discipline requiring coursework in counseling or intervention (i.e., Psychology, Social Work, Counseling, or Human Services); and
 - (2) A current state licensure to practice independently in the behavioral health field as a social worker, psychologist, professional counselor, or marriage and family therapist. External EAP counselors must also meet any other requirements of the relevant interagency agreement or contract.
- b. *External EAP service provider* — an individual or group external to the Postal Service that provides EAP services through an interagency agreement or on a contractual basis.
- c. *Family member* — any legal dependent of the employee, or anyone living in the employee's household, with the exception of tenants or employees of the Postal Service employee who live in the household.
- d. *Internal EAP* — an employee assistance program whose counselors are employed by the Postal Service.
- e. *Management referral* — the referral of an employee to EAP by a supervisor or manager because the manager notices behavior that may indicate work performance issues or personal problems.
- f. *Other addictions* — not addiction to drugs or alcohol, but addictive behaviors that may include excessive gambling, eating, and internet use as well as hypersexuality.
- g. *Other problems* — problems such as depression, anxiety, gambling, and stress as well as emotional, family, marital, financial, and legal problems.
- h. *Self-initiated referral* — an employee's voluntary referral of him- or herself for assistance from EAP, made by directly contacting an EAP counselor.
- i. *Substance abuse* — the excessive use of a substance, especially alcohol or a drug, that results in recurring negative life consequences, such as:
 - (1) Interpersonal conflicts;
 - (2) Failure to meet work, family, or school responsibilities; or
 - (3) Legal problems.
- j. *Substance dependence* — commonly referred to as an addiction, it is characterized by:
 - (1) A need for increasing amounts of a substance to maintain desired effects;
 - (2) Withdrawal symptoms if drug-taking stops; and
 - (3) Preoccupation with activities related to substance use.

941.3 Policy**941.31 Job Security**

Participation in EAP is voluntary and will not jeopardize the employee's job security or promotional opportunities.

941.32 Limits to Protection

Although an employee's voluntary participation in EAP counseling should be given favorable consideration in disciplinary action, participation in EAP does not limit management's right to proceed with any contemplated disciplinary action for failure to meet acceptable standards of work performance, attendance, or conduct. Participation in EAP does not shield an employee from discipline or from prosecution for criminal activities.

941.33 Confidentiality

Inquiries regarding participation in EAP counseling are confidential, pursuant to the provisions of [944.4](#). EAP records may not be placed in an employee's official personnel folder (OPF).

941.34 Reasonable Access

The contractor providing counseling must endeavor to provide confidential counseling facilities within a reasonable driving distance from the employee's work site or home, in accordance with the following guidelines:

- a. The Postal Service will provide office space and furnishings for those sites that require counselors to be in postal locations.
- b. Providing ready accessibility to face-to-face EAP counseling is desirable, but may not always be possible. Counselors may offer telephone counseling or request that the employee travel to the counselor's office.
- c. Reasonable hours and days, including coverage of all three tours, will be set by mutual agreement between the EAP consultant and the Human Resources manager.
- d. Counselors may adjust their schedules to respond to crisis situations and to meet other needs, such as providing information sessions and visiting facilities.

941.35 Scheduling

The following guidelines apply to scheduling and whether EAP sessions take place on or off the clock:

- a. An employee's first visit to EAP is on the clock, whether the visit is initiated by management, the union representative, or the employee (unless the employee prefers to visit the EAP unit on his or her own time).
- b. Subsequent consultations are on the employee's own time.
- c. If a reasonable period of time has elapsed since a management referral or a previously disclosed self-referral, the manager or supervisor may, on a case-by-case basis, approve an additional on-the-clock session.

- d. To receive pay for an on-the-clock session, the employee must authorize the EAP provider to disclose his or her attendance to management.

942 Program Elements

942.1 Education

EAP counselors and subcontract counselors must provide information, training, or both periodically for all Postal Service employees to inform them about EAP services and the kinds of personal problems that can affect job performance or conduct.

942.2 Problem Identification, Referrals, and Evaluation

942.21 Patterns of Behavior and Work Performance Problems

Certain patterns of behavior and/or work performance can be indicative of problems affecting an employee. Deterioration in attendance, appearance, conduct, ability, or any combination of these factors may signal that the employee is experiencing a personal problem that may affect his or her job performance. These problems may include depression, anxiety, gambling, emotional stress, and marital problems as well as substance abuse, dependence, or other addictions.

942.22 Referrals to EAP

942.221 Management Referrals

If a supervisor or manager observes any of the patterns listed in [942.21](#) or has some other reason to believe that the EAP could provide needed assistance to an employee, he or she may refer the employee to the EAP. Since participation is voluntary, the employee has the option to refuse the referral and **cannot be disciplined** for noncompliance.

Exception: If an employee has signed a Last Chance or Settlement Agreement that requires EAP participation, the employee **can be disciplined** for noncompliance under the terms of the agreement.

942.222 Referrals From Others

Fellow employees, union representatives, management association representatives, medical personnel, family members, or judicial and social service agencies may refer employees to the EAP. However, if any of these suggest or recommend that the employee seek EAP assistance, participation is always voluntary.

942.223 Self-Referrals

Employees who want help with any personal problem or concern are encouraged to seek assistance directly by personally contacting the EAP.

942.224 EAP Response

The following requirements apply:

- a. EAP counselors must accept all referrals.
- b. Face-to-face or telephone interview appointments must be available within a reasonable period from the time the request is made by the employee or family member.

- c. Face-to-face and telephone appointments for urgent situations must be made consistent with need, regardless of the counselor's regularly scheduled hours.
- d. Crisis counseling must be available by telephone 24 hours a day, 365 days a year.

942.23 **Problem Evaluation**

EAP counseling staff provides assessment services and arranges counseling for employees or family members or refers them to appropriate treatment resources.

942.3 **Recovery Counseling and Resources**

942.31 **EAP Counseling Sites**

EAP sites are staffed by EAP professionals trained to provide assessment, short-term counseling, and referral services to individuals who seek their assistance. Postal Service EAP sites are not equipped to provide detoxification or drug rehabilitation assistance, but they can make referrals to outside programs and treatment facilities for these problems. To provide convenient, ready access to EAP counseling services for all Postal Service employees and their family members, a network of similarly qualified and capable affiliate counselors is available to provide EAP counseling services at other locations.

942.32 **Residential and Community Resources**

EAP counseling service providers:

- a. Maintain information about a variety of outside programs, treatment facilities, and resources available to employees and family members.
- b. Provide assistance with initial arrangements and appointments.

The cost of these programs or treatment facilities is borne by the employee or by the employee's health insurance (pursuant to terms of the policy). In cases for which hospitalization or detoxification is recommended, the employee is responsible for requesting sick leave, leave without pay, annual leave, or advanced sick leave.

942.4 **Follow-Up**

942.41 **Progress**

If a manager or a supervisor has referred an employee to EAP counseling because of a job performance problem, that manager or supervisor shall continue to monitor the employee's job performance.

942.42 **Discontinuance of Participation**

Whether an employee opts to continue or discontinue participation in EAP counseling, he or she is responsible for maintaining prescribed job performance standards.

942.43 **Return to Work**

If an employee is on leave from the Postal Service to participate in an outside rehabilitative program for mental health or substance abuse issues, the EAP

counselor may, *upon the employee's request and authorization*, monitor the course of rehabilitation and assist in any contemplated return to work.

942.5 **Program Evaluation**

The EAP must be evaluated annually or more often, as needed. The purpose of these evaluations is to measure the efficiency and effectiveness of the program and to ensure that it is operating within established policy.

943 **Reinstatement of Recovered Employees**

943.1 **Policy**

943.11 **Consideration of Request**

Managers should give serious consideration to a request for reinstatement from a recovered employee because the experience gained during previous postal employment could be a valuable asset to the Postal Service.

943.12 **Consideration of Other Factors**

In reviewing reinstatement requests, local management must consider the following factors:

- a. The former employee's Postal Service work history.
- b. The nature of the charges that led to removal or resignation.
- c. The eligibility factors set forth in 943.2 and in Handbook EL-312, *Employment and Placement*.

943.13 **Exceptions to Consideration for Reinstatement**

When a former employee's record reflects a criminal conviction or pending criminal charges, the procedures outlined in Handbook EL-312, Chapter 5, Suitability, must be followed. In addition, exceptions to reinstatement consideration are made when an employee has been removed from the Postal Service for any of the following reasons:

- a. Theft of mail or Postal Service property.
- b. Possession or sale of drugs while on duty.
- c. Fraud against the Postal Service.
- d. Assaults or threats against Postal Service personnel.

943.2 **Eligibility**

943.21 **Procedures**

Reinstatement of an individual whose removal or resignation from the Postal Service is related to alcoholism, dependency on drugs, or other problems may be considered when the individual:

- a. Submits a written request for reinstatement, accompanied by a signed authorization to release information, indicating the employee's written consent to a waiver of federal regulations on confidentiality restrictions.
- b. Is willing to accept reinstatement on the basis of continuing to successfully participate in a course of care or activity based on an EAP counselor's recommendation.

943.22 **Management Responsibilities**

Prior approval must be obtained before employing a former Postal Service or federal employee who:

- a. Was removed from the Postal Service or other federal employment for cause; or
- b. Resigned after being notified that charges proposing removal would be, or had been, issued.

Approval must be obtained from the district manager of Human Resources, the area manager of Human Resources, or the vice president of Employee Resource Management. For further information, see the Handbook EL-312, *Employment and Placement*, section on Handling Removals from Postal Service or Other Federal Employment.

943.3 **Compliance With Agreements**

If a former bargaining unit employee is reinstated to a bargaining unit position, employing officials must comply with all relevant provisions of applicable collective bargaining agreements in determining the employee's seniority and other contractual rights.

944 **EAP Counseling Records**

944.1 **Restricted Information**

Restricted information is information with limitations on its access within the Postal Service and its disclosure outside the Postal Service consistent with the following federal laws:

- a. The Privacy Act of 1974, as amended.
- b. The Health Insurance Portability and Accountability Act (HIPAA) of 1996.
- c. The Public Health Service Act of 1944, as amended (see [944.4](#)).

944.2 **Policy**
