Cover Story

National Passport Awareness Month: A U.S. Passport is Your Key to International Travel

This September, the U.S. Postal Service® highlights the requirements of international travel through National Passport Awareness Month. The Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States. They provide proof of U.S. citizenship at home and around the world.

What is a U.S. Passport Book and Passport Card?

The passport book is proof of identity and U.S. citizenship. It can be used for all international travel: air, land, or sea. The passport card can be used to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, at land border crossings or sea ports-of-entry. It cannot be used for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a passport book, passport card, or both, submitting your passport application is easy. The U.S. Postal Service makes it convenient to apply for your passport. Visit <http://travel.state.gov> or contact the National Passport Information Center (NPIC) at 877-487-2778 or TDD/TTY 888-874-7793 for more information on how to apply for a passport. Visit <http://usps.com/passport> to locate a Post Office™ near you that offers passport services.

Passport and International Travel Tips:

- Apply as early as possible before a trip.

- Check the expiration date of your passport well in advance of your departure date. Some countries may not permit you to enter if your passport will expire in six months or less.
- U.S. passports are issued to adults for 10 years and children under the age of 16 for five years.
- Passport forms can be filled out online and printed from <http://travel.state.gov> or obtained at your local Passport Application Acceptance Facility.
- Before traveling abroad, copy the identification page in case your passport is lost or stolen. If your passport is lost or stolen abroad, report the loss immediately to local police authorities and the nearest U.S. embassy or consulate.
- Visit the Country Information pages on <http://travel.state.gov> to learn about the countries in which you are traveling.
- Register for the Smart Traveler Enrollment Program (STEP) at <http://step.state.gov>. When you sign up, you will automatically receive the most current information we compile about the country where you will be traveling or living. You will also receive updates, including Travel Warnings and Travel Alerts (where appropriate).

Manuals

DMM Revision: New Mailing Standards for Domestic Mailing Services Products

Effective September 7, 2014, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) in various related sections to introduce the following new or enhanced service features.

Changes for Parcels

Call Tag Return Service

The Postal Service is introducing a return tag (label) option for permit holders to electronically request an applicable USPS® return label for their permit, to be generated and delivered by USPS to their customer (end-user). The customer using the return label can return their package without paying a fee or going to a retail postal unit for mailing. The permit holder can purchase insurance for less than \$200 at the time of the label request for any USPS Returns® product (Priority Mail® Return Service, First-Class Package Return® Service, or Ground Return Service).

Special, Extra, and Other Services

Return Receipts

Current DMM standards permit customers to request a Return Receipt after mailing using PS Form 3811-A, *Request for Delivery Information/Return Receipt After Mailing*. The Postal Service is introducing an additional option (online) for customers seeking a return receipt after mailing (a copy of the delivery record which includes the recipient's signature). Customers using the online options are limited to receiving the electronic delivery record by email, after making their request, and paying the return receipt after mailing fee, online as provided under the terms and conditions in the Business Customer Gateway at <https://gateway.usps.com/bcg/login.htm>. This new request option is available with any extra service that offers a return receipt after mailing option, currently available using the hardcopy Form 3811-A, *Request for Delivery Information/Return Receipt After Mailing*.

Address Change Service

The Postal Service will enhance traditional Address Change Service (ACS) to allow return postage for undeliverable Standard Post, Package Services, Parcel Select®, Parcel Select Lightweight® and Standard Mail® pieces to be calculated and collected in an automated process. The mailer is notified directly of the charges, and provided with the address correction or reason for nondelivery of their mailpieces in this automated process. Currently, under Shipper Paid Forwarding, only the postage for forwarding can be paid in this manner. With this new option being

incorporated, Shipper Paid Forwarding will be considered an option under Shipper Paid Forwarding/Return Service. Although the DMM references to Shipper Paid Forwarding will be changed to Shipper Paid Forwarding/Return, no other changes are being made to Shipper Paid Forwarding service itself.

Permit Imprint Applications

The current Business Customer Gateway (BCG) functionality allowing mailers to apply for a mailing permit online will be expanded to all BCG users who are enrolled in the *Manage Mailing Activity* business service. Additionally, those enrolling in a USPS Shipping Service program via the *Online Enrollment* tool in the BCG will be able to create a payment account to fund their permit via electronic funds transfers (EFTs). Mailers not enrolling in a USPS Shipping Services programs may complete their permit application through BCG and then pay the applicable fees at their office of mailing. For permits created online, no hardcopy PS Form 3615 will be created; the system of record for these permits will be the *PostalOne!* system. No changes are being made to the existing hardcopy PS Form 3615 permit application process for permits opened through Business Mail Entry Units or at Post Offices™.

DMM Correction: eDoc Volume Criteria for Single-Piece First-Class Mail

Effective September 7, 2014, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 604.5.1 to correct the DMM language permitting less than the current minimum volume for permit imprint mailings when mailers submit electronic postage statements and piece-level barcode information for single-piece First-Class Mail® letters.

As published in *Postal Bulletin* Issue 22392, dated 6-26-14, to accommodate mailers presenting the majority of their First-Class Mail using electronic documentation (eDoc), the Postal Service will permit mailings of fewer than 200 pieces for single-piece First-Class Mail letters when mailers submit electronic documentation, including piece-level barcode information, for these mailings as authorized by Business Mailers Support. Due to an administrative oversight, a small portion of the proposed DMM language was omitted from the DMM when it was posted online. This article serves to provide notice of the correction being made to the DMM.

Although this correction will not be displayed in the DMM until September 7, 2014, these standards are effective immediately.

Premium Forwarding Service

Premium Forwarding Service Commercial

The Postal Service provided advance notice of the redesign of commercial reshipment services and an introduction to Premium Forwarding Service Commercial (PFS Commercial™) in the *Federal Register* (78 FR 69553 – 69562) on November 20, 2013. The Postal Service antici-

pated a systems implementation date of July 2014; however, many of the new features of PFS Commercial could be made available sooner. Therefore, the Postal Service began revising the DMM standards using a phased-in approach. The first phase of PFS Commercial features was implemented January 23, 2014, as announced in *Postal Bulletin* issue 22381.

Effective September 7, 2014, a subsequent phase of system implementation activates the enrollment and postage and fee payments for PFS Commercial (for customers desiring shipments sent by Priority Mail Express™) through the Business Customer Gateway at: <https://gateway.usps.com/bcg/login.htm>. At this time, no changes are being made to enrollment for PFS Commercial customers desiring shipments be sent by Priority Mail.

Resources

The Postal Service provides additional resources to assist customers with this price change for Competitive Products. These tools include price lists, downloadable price files, and *Federal Register* Notices, which may be found on the Postal Explorer® website at <http://pe.usps.com>.

3.3.1 Description

[Revise the text of 3.3.1 to read as follows:]

Premium Forwarding Service Commercial (PFS Commercial) provides business commercial customers the option to have USPS gather their mail addressed to PO Boxes (including Caller Service) or business street addresses within the same servicing postal facility, and dispatch the mail as Priority Mail Express or Priority Mail shipments to a new address. Customers must establish a service agreement with the USPS, and pay an annual enrollment fee and the applicable postage for the class of mail desired for the shipments. See Notice 123 — *Price List*.

3.3.2 Authorization

[Revise the text of 3.3.2 to read as follows:]

Commercial customers may establish PFS Commercial service by making a request in writing to the origin Post Office if shipments sent by Priority Mail are desired, or through the Business Customer Gateway at <https://gateway.usps.com/bcg/login.htm> if shipments by Priority Mail Express are desired. Requests must specify the business street delivery or PO Boxes (or Caller Service) addresses, destination address, frequency (Monday through Saturday), and the postage payment method (see 3.3.3b). Service is activated upon written approval by the Postmaster for the origin office.

3.3.3 Additional Conditions

Only the authorized recipient (or legal agent) of the business's (or organization's) mail may activate the request for PFS Commercial service. PFS Commercial service agreements are subject to these additional standards:

[Revise the text of items 3.3.3a and 3.3.3b to read as follows:]

- a. Customers must pay an annual enrollment fee to establish service, regardless of the number of individual PO Boxes, Caller Service numbers, or street delivery addresses included for each servicing Post Office.

The enrollment fee is refundable only if the request is denied.

- b. For requests made in writing to the origin Post Office, the annual enrollment fee may be paid at a retail Post Office location, station, or branch; the applicable Priority Mail postage for each shipment container is paid using the customer's *PostalOne!* permit account. For requests made through the Business Customer Gateway, the annual enrollment fee and applicable Priority Mail Express postage for each shipment container is paid using a USPS Corporate Account including CAPS, for customers choosing Priority Mail Express service.

* * * * *

[Revise the text of item 3.3.3g to read as follows:]

- g. Priority Mail Express, or mailpieces with USPS Tracking, Certified Mail, COD, Insured Mail, Signature Confirmation, or Adult Signature are shipped to the destination delivery office Postmaster separately, for proper handling. Registered Mail is not eligible for PFS Commercial service.

* * * * *

[Revise the text of item 3.3.3i to read as follows:]

- i. Business customers may terminate their PFS Commercial service agreement, effective 24 hours after the USPS receives customer's written notice of termination at the serving Post Office or through the Business Customer Gateway. The customer must pay all postage and fees as applicable for any shipments already scheduled before termination of service is made effective.

ELM Revision: Collection of Postal Debts From Nonbargaining Unit Employees by Salary Offset

Effective August 21, 2014, the Postal Service™ is revising the *Employee and Labor Relations Manual* (ELM), subchapter 450, Wage Administration Policy for Bargaining Unit Employees, as follows:

- Updating Exhibit 452.322, Sample Notice of Involuntary Administrative Salary Offsets to reflect changes in 39 CFR 961 Rules of Practice in Proceedings under Section 5 of the Debt Collection Act.

According to the *Federal Register* notice, the proposed revisions provide a complete replacement for the former rules, but the changes are not considered to affect the rights of parties in a substantive way. Rather, the rules are revised to conform to current practices and to clarify procedures.

Exhibit 452.322

Sample Notice of Involuntary Administrative Salary Offsets**NOTICE OF INVOLUNTARY ADMINISTRATIVE
SALARY OFFSETS UNDER THE DEBT COLLECTION ACT**[date][name][street][city, state, ZIP][name of debtor]:

On [date of previous letter], you were notified by letter of our determination that you owe the Postal Service \$[amount]. As we noted in our earlier letter, this debt is based on [briefly describe how debt arose].

Our records indicate that you have not acted to repay this debt. Accordingly, this letter provides notice of the Postal Service's intention to collect this debt by deducting 15 percent of your "disposable pay"¹ each pay period (or, for a bargaining unit employee, 20 percent of gross pay each pay period, whichever amount is lower when the salary offset is started). In your case, this will amount to deductions of approximately \$[amount] from each paycheck beginning on [date deductions are scheduled to begin—generally 30 days from the date the employee receives this notice]. These deductions will continue until the debt is collected; we estimate that this should take approximately [number of] pay periods.

If you feel our determination of the existence or amount of this debt is incorrect, or if you believe the deductions set forth above would impose a "severe financial hardship"² on you and your spouse and dependents, you may take one or more of the measures detailed in the enclosed *Statement of Debtor's Rights and Responsibilities*. Unless you have a sound basis for contesting the Postal Service's determinations concerning this matter, you should make arrangements immediately to repay this debt.

Statement of Debtor's Rights and Responsibilities

Rules of Procedure Governing Hearings Under the Debt Collection Act

-
1. The term *disposable pay* refers to that part of an employee's salary remaining after all required deductions (normal retirement contributions, FICA and Medicare insurance taxes, federal income tax, state and local income taxes, and employee-paid federal health insurance premiums) are made.
 2. The term *severe financial hardship* refers to an employee's inability to meet the material needs of the employee and his or her spouse and dependents because of offsets against pay. These essential material needs are food, housing, clothing, transportation, medical care, and any exceptional expenses.

Exhibit 452.322 (p. 2)

Sample Notice of Involuntary Administrative Salary Offsets**Statement of Debtor's Rights and Responsibilities**

1. *Request for Records.* At any time after receiving this notice of the Postal Service's intention to collect a debt through involuntary salary offsets and before a requested hearing is held, you may request copies of any postal records that you have not previously received, by contacting, in writing, [*name of appropriate official*] at [*address*]. You will receive any requested records within 5 calendar days of the date your request is received by the Postal Service.
2. *Payment in Full.* If you acknowledge the validity of the Postal Service's claim and wish to repay the entire debt, you may, at any time after receiving this notice of the Postal Service's intention to collect a debt through involuntary offsets, submit a check or money order, with your Social Security number on its face, for the full amount due, to [*name of appropriate official*] at [*address*].
3. *Consent to Offsets.* If you acknowledge the validity of the Postal Service's claim and would like to consent to offsets of 15 percent or more of your disposable pay (or, for a bargaining unit employee, 20 percent of gross pay, whichever amount is lower when the salary offset is started), you should contact [*name of appropriate official*] at [*address*] and complete PS Form 3239, *Payroll Deduction Authorization to Liquidate Postal Service Indebtedness*. You may agree to salary offsets in the amount proposed by the Postal Service, or some greater amount, at any time after you receive notice of the Postal Service's intention to collect a debt through involuntary salary offsets.
4. *Alternative Offset Schedule.* If you acknowledge the debt, but believe that the proposed deductions of 15 percent of disposable pay (or, for a bargaining unit employee, 20 percent of gross pay, whichever amount is lower when the salary offset is started), would impose a "severe financial hardship"¹ on your family, you may propose an alternative offset schedule.
 - a. Your proposed alternative offset schedule must be submitted to [*name of appropriate official*] at [*address*], along with a written statement, and supporting documentation, stating your reasons for believing the deductions proposed by the Postal Service would result in a "severe financial hardship." Your proposal must include (1) the amount to be paid each pay period, (2) the number of pay periods it would take to repay the debt, and (3) the date the first payment would be made. In addition, the supporting documents must show, for you and your spouse and dependents, for the 1-year period preceding the Postal Service's notice and for your proposed repayment period, (1) your total family income, assets, and liabilities; (2) number of dependents; and (3) total expenses for food, housing, clothing, transportation, medical care, and any exceptional expenses. You should be careful to provide all information in your possession relating to this debt so that the Postal Service may make an informed decision on your request for an alternative offset schedule. You may submit your proposed alternative repayment schedule at any time after receiving this notice of the Postal Service's intention to collect an outstanding debt through salary offsets.
 - b. Based upon the material you submit and postal records relating to the debt, the Postal Service will consider (1) the extent to which your assets and those of your spouse and dependents are available to meet your family's essential material expenses and to repay the postal debt, (2) whether your essential material expenses have been minimized as much as possible, and (3) the extent to which you and your spouse and dependents can borrow to finance your essential expenses and to repay the debt. An alternative offset schedule will be approved only if it provides for installment payments that bear a reasonable relationship to the size of the debt and your ability to pay. Generally, an alternative offset schedule should provide for installment payments of no less than 10 percent of disposable pay per pay period, and for a repayment period of 26 pay periods or less.
 - c. You will be notified of the Postal Service's decision regarding your proposed repayment schedule within 15 calendar days of the date it is received.

1. The term *severe financial hardship* refers to an employee's inability to meet the material needs of the employee and his or her spouse and dependents because of offsets against pay. These essential material needs are food, housing, clothing, transportation, medical care, and any exceptional expenses.

Exhibit 452.322 (p. 3)

Sample Notice of Involuntary Administrative Salary Offsets

5. *Petition for a Hearing.* To request a hearing on the Postal Service's determination of the existence or amount of the debt, or on the Postal Service's proposed involuntary offset schedule, you must file a written petition for a hearing in accordance with the requirements of 39 CFR 961.4. (A copy of Part 961 of 39 CFR. is enclosed.) Your hearing petition must be filed with the RECORDER, JUDICIAL OFFICER DEPT, US POSTAL SERVICE, 2101 WILSON BLVD, STE 600, ARLINGTON VA 22201-3078, on or before the fifteenth calendar day following your receipt of this notice. A timely request for a hearing will stay the commencement of the collection of the debt.

Note: While you may request a hearing and pursue one of the other available options, your hearing petition must be filed within the required time period. If questions relating to this debt are resolved before the hearing is held, your petition may be withdrawn.

6. *Failure to Act.* If you do not exercise any of the rights set forth above, the Postal Service will proceed with its plans to initiate the proposed offsets 30 days from the date you receive this notice.

Sample Notice of Involuntary Administrative Salary Offsets**Sec. 961.4 Employee Petition for a hearing.**

- (a) If an employee desires a hearing, prescribed by section 5 of the Debt Collection Act, to challenge the Postal Service's determination of the existence or amount of a debt, or to challenge the involuntary repayment terms proposed by the Postal Service, the employee must file a written, signed petition with the Recorder, on or before the fifteenth (15th) calendar day following the employee's receipt of the Postal Service's "Notice of Involuntary Administrative Salary Offsets Under the Debt Collection Act." The Hearing Official, in his or her discretion may waive this deadline upon a demonstration of good cause. In the event that the Postal Service initiated involuntary administrative salary offsets without having issued a Notice as required by the Debt Collection Act, the Hearing Official, in his or her discretion, may retain authority to resolve the debt assessment as if a Notice had been issued, and may order the Postal Service to return any improperly offset money.
- (b) The hearing petition shall include the following:
- (1) The words, "Petition for Hearing Under the Debt Collection Act," prominently captioned at the top of the first page;

For each challenge, the employee's petition shall indicate the basis of the employee's disagreement. The employee should identify and explain the facts, evidence, and legal arguments which support his or her position;
 - (5) Copies of all records in the employee's possession which relate to the debt; and
 - (6) If an employee contends that the Postal Service's proposed offset schedule would result in a severe financial hardship on the employee, his or her spouse, and dependents, the employee shall identify an alternative offset schedule. As directed by the Hearing Official, the employee shall provide a statement and supporting documents indicating the employee's financial status. This statement should address total income from all sources; assets; liabilities; number of dependents; and expenses for food, housing, clothing, transportation, medical care, and exceptional expenses, if any.
- (c) The employee shall file with the Recorder any additional information directed by the Hearing Official.

Sec. 961.5 Effect of filing a petition. Upon receipt and docketing of the employee's petition for a hearing, further collection activity by the Postal Service must cease, as required by section 5 of the Debt Collection Act until the petition is resolved by the Hearing Official.

Sec. 961.6 Filing, docketing, and serving documents; computation of time; representation of parties.

- (a) **Filing.** All documents relating to the Debt Collection Act hearing proceedings must be filed by the employee or the General Counsel's designee with the Recorder. After notification of the docket number, the employee and the Postal Service's representative should refer to it on any further filings regarding the petition.
- (c) **Time computation.** A filing period under the rules in this Part excludes the day the period begins, and includes the last day of the period unless the last day is a Saturday, Sunday, or legal holiday, in which event the period runs until the close of business on the next business day. Requests for extensions of time shall be made in writing prior to the date on which the submission is due, state the reason for the extension request, represent that the moving party has contacted the opposing party about the request, or made reasonable efforts to do so, and indicate whether the opposing party consents to the extension. Requests for extensions of time submitted after the date on which the submission was due shall explain why the moving party was unable to request an extension prior to the deadline.

- (d) *Representation of parties.* The representative of the Postal Service, as designated by the General Counsel, shall file a notice of appearance as soon as practicable, but no later than the date for filing the answer. If an employee has a representative, he or she also shall file a notice of appearance as soon as practicable, and further transmissions of documents and other communications by and with the employee shall be made through his or her representative.

Sec. 961.7 Answer to Petition. Within 15 days from the date of receiving the petition, the Postal Service's representative shall file an answer to the petition, and attach all available relevant records and documents in support of the Postal Service's debt claim, and/or the administrative salary offset schedule proposed by the Postal Service for collecting any such claim. - (a) Ruling on all motions or requests by the parties.
- (b) Issuing notices, orders, or memoranda to the parties concerning the hearing proceedings.
- (c) Conducting telephone conferences with the parties to expedite the proceedings. The Hearing Official will prepare a Memorandum of Telephone Conference, which shall be transmitted to both parties and which serves as the official record of that conference.
- (d) Determining whether an oral hearing shall be conducted, the type of oral hearing to be held, and setting the place, date, and time for such hearing.
- (e) Administering oaths or affirmations to witnesses.
- (f) Conducting the hearing in a manner to maintain discipline and decorum while assuring that relevant, reliable, and probative evidence is elicited on the issues in dispute, but irrelevant, immaterial, or repetitious evidence is excluded. The Hearing Official in his or her discretion may examine witnesses to ensure that a satisfactory record is developed.
- (g) Establishing the record in the case. The weight to be attached to any evidence of record will rest within the discretion of the Hearing Official. Except as the Hearing Official may otherwise order, no proof shall be received in evidence after completion of an oral hearing or, in cases submitted on the written record, after notification by the Hearing Official that the record is closed. The Hearing Official may require either party, with appropriate notice to the other party, to submit additional evidence on any relevant matter.
- (h) Granting reasonable time extensions or other relief for good cause shown in the Hearing Official's sole discretion.
- (i) Issuing the final decision. The decision must include the determination of the amount and validity of the alleged debt and, where applicable, the repayment schedule.

Sec. 961.9 Opportunity for oral hearing. An oral hearing shall be conducted in the sole discretion of the Hearing Official. An oral hearing may be conducted in-person, by telephone, by video conference, or other appropriate means as directed by the Hearing Official. When the Hearing Official determines that an oral hearing shall not be conducted, the decision shall be based solely on the written submissions. The Hearing Official shall arrange for the recording and transcription of an oral hearing, which shall serve as the official record of the hearing. In the event of an unexcused absence, the hearing may proceed without the participation of the absent party.

Sec. 961.10 Effect of Hearing Official's decision; motion for reconsideration.

- (a) After the receipt of written submissions or after the conclusion of the hearing and the receipt of post-hearing briefs, if any, the Hearing Official shall issue a written decision, which shall include the findings of fact and conclusions of law relied upon.
- (b) The Hearing Official shall send each party a copy of the decision. The Hearing Official's decision shall be the final administrative determination on the employee's debt or repayment schedule. No reconsideration of the decision will be allowed unless a motion for reconsideration is filed within 10 days from receipt of the decision and shows good cause for reconsideration. Reconsideration will be allowed only in the discretion of the Hearing Official. A motion for reconsideration by the employee will not operate to stay a collection action authorized by the Hearing Official's decision.

Exhibit 452.322 (p. 7)

Sec. 961.11 Consequences for failure to comply with rules.

- (a) The Hearing Official may determine that the employee has abandoned the right to a hearing, and that administrative offset may be initiated if the employee files his or her petition late without good cause; or files a withdrawal of the employee's petition for a hearing.
- (b) The Hearing Official may determine that the administrative offset may not be initiated if the Postal Service fails to file the answer or files the answer late without good cause; or files a withdrawal of the debt determination at issue.
- (c) If a party fails to comply with these Rules or the Hearing Official's orders, the Hearing Official may take such action as he or she deems reasonable and proper under the circumstances, including dismissing or granting the petition as appropriate.

Sec. 961.12 Ex parte communications. Ex parte communications are not allowed between a party and the Hearing Official or the Official's staff. Ex parte communication means an oral or written communication, not on the public record, with one party only with respect to which reasonable prior notice to all parties is not given, but it shall not include requests for status reports or procedural matters. A memorandum of any communication between the Hearing Official and a party will be transmitted to both parties.

ELM Revision: Administrative Salary Offsets

Effective August 21, 2014, the Postal Service™ is revising the *Employee and Labor Relations Manual* (ELM), subchapter 470, Administrative Offsets for Former Postal Service Nonbargaining Unit Employees, and subchapter 480, Administrative Offsets for Former Postal Service Bargaining Unit Employees, as follows:

- Adding a new part 473
- Adding a new part 483
- Renumbering previous part 483 to 484 and 484 to 485.

These changes reflect the addition of a new CFR section: 39 CFR 492, Collection of Delinquent Non-tax Debts by Administrative Wage Garnishment. This new section will allow the Treasury to collect debts that the Postal Service has already referred to it for collection by garnishing any wages the debtor receives from a non-governmental, private employer.

470 Administrative Offsets for Former Postal Service Nonbargaining Unit Employees

* * * * *

[Add new section 473 to read as follows:]

473 Collection by Administrative Wage Garnishment

After the Postal Service refers a debt to the Treasury, as described in 472.3, the Treasury may decide to pursue collection of the debt by administrative wage garnishment on the Postal Service's behalf. The Postal Service's regulations, which authorize collection by administrative wage garnishment, are found in 39 CFR 492. Prior to collecting a debt by administrative wage garnishment, the former employee will be afforded procedural protections, such as a written notice and an opportunity for a hearing. See 31 CFR 285.11 and 39 CFR 492. However, if the former employee has already requested and been afforded a hearing on the existence or validity of the debt, then the former employee may not be entitled to a duplicative hearing.

480 Administrative Offsets for Former Postal Service Bargaining Unit Employees

* * * * *

[Add new section 483 to read as follows:]

483 Referral and Administrative Wage Garnishment

483.1 Referral to Treasury

As stated in 472.3, the Postal Service provides all former employees with certain procedural protections prior to referring a debt to the Treasury for collection by administrative offset. For former bargaining unit employees, this may include the right to initiate a grievance concerning the employer claim, depending on the provisions of the applicable collective bargaining agreement.

483.2 Collection by Administrative Wage Garnishment

After referring a debt to the Treasury for collection, as described in 483.1, the Treasury may decide to pursue collection of the debt on the Postal Service's behalf by administrative wage garnishment. The Postal Service's regulations, which authorize collection by administrative wage garnishment, are found in 39 CFR 492. Before collecting a debt by administrative wage garnishment, the former employee will be afforded procedural protections, such as a written notice and an opportunity for a hearing. See 31 CFR 285.11 and 39 CFR 492. However, if the former employee has already requested and been afforded a hearing on the existence or validity of the debt, then the former employee may not be entitled to a duplicative hearing.

[Renumber current 483 to 484 as follows:]

484 Application of Administrative Offset Provisions

[Renumber current 483.1 to 484.1 and revise the text to read as follows:]

484.1 Procedures

If a former bargaining unit employee pursues a grievance in accordance with 482 or 483.1, the procedures regarding administrative offsets in 470 and the review procedures in 39 CFR 966 apply under the following circumstances, if the Postal Service also intends to proceed with the collection of the debt:

- a. *Failure to initiate a grievance in time.* A former bargaining unit employee or the former employee's union does not initiate, within 14 days of the former employee's receipt of a letter of demand (including the notice referenced in 472.1), a grievance challenging: (1) the existence of a debt owed to the Postal Service; (2) the amount of such debt; and/or (3) the proposed repayment schedule.
- b. *Failure to advance a grievance in time.* A former bargaining unit employee or the former employee's union initiates a grievance in time challenging: (1) the existence of a debt owed to the Postal Service; (2) the amount of such debt; and/or (3) the proposed repayment schedule, but the former employee's union,

following receipt of a decision denying the grievance, does not advance the grievance to the next step of the grievance procedure within the time limits set forth in Article 15 of the applicable collective bargaining agreement.

c. *Partial settlement of a grievance.* A grievance challenging: (1) the existence of a debt owed to the Postal Service; (2) the amount of such debt; and/or (3) the proposed repayment schedule is resolved at any stage of the grievance-arbitration procedure through a written settlement agreement between the Postal Service and the union under which the former employee remains liable for all or a portion of the debt.

d. *Ruling of non-arbitrability.* An arbitrator rules that a grievance concerning any letter of demand is not arbitrable.

[Renumber current 483.2 to 484.2 and revise the text to read as follows:]

484.2 Exceptions

If an arbitrator opens a hearing on the merits of a grievance concerning any letter of demand, the procedures regarding administrative offsets in 470, including the review procedures in 39 CFR 966, do not apply thereafter, unless:

- a. The Postal Service and the union negotiate a partial settlement of the grievance under which the former employee remains liable for all or a portion of the debt and the Postal Service intends to proceed with the collection of the debt (see 484.1c); or
- b. The arbitrator makes a ruling of non-arbitrability and the Postal Service intends to proceed with the collection of the debt (see 484.1d).

[Renumber current 484 to 485 as follows:]

IMM Revision: ISAL Service to Japan and Great Britain

Effective October 6, 2014, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) Exhibit 293.45a to update the foreign office of exchange code for International Surface Air Lift® (ISAL®) service to Japan and the ISAL listing for Great Britain.

Periodically, the Postal Service receives such requests from foreign posts to facilitate operational needs. Japan’s postal administration requested that we update the foreign office of exchange code for ISAL service items sent to Japan as soon as possible. Japan formerly had two codes (as reflected in its entry and in the footnote for the entry), but now will have only one. In order to provide mailers the time needed to make necessary logistical and software changes, the Postal Service is providing 90 days advance notice prior to the effective date of the change, November 19, 2014. Nonetheless, in order to expedite delivery, the Postal Service encourages mailers to implement these revisions before the effective date.

Also, for clarity and editorial consistency, we are adding all of Great Britain’s localities: England, Scotland, Wales, Northern Ireland, Guernsey, Jersey, Alderney, Sark, and The Isle of Man) to Great Britain’s ISAL entry (the same as

how we list them in Exhibit 292.45a for International Priority Airmail® (IPA®) service.

IMM Correction: IPA and ISAL Service to Cuba

Effective October 6, 2014, the Postal Service[™] will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM[®]) Individual Country Listing (ICL) for Cuba.

The article entitled “IMM Revision: Changes to Pricing and Mailing Standards for International Shipping Services” in *Postal Bulletin* 22378 (12-12-13, pages 17–28 and 49–61) included permanent suspension of International Priority Airmail[®] (IPA[®]) and International Surface Air Lift[®] (ISAL[®]) service to specified nations, including Cuba (effective January 26, 2014).

However, in that article, in the edition of the IMM published January 26, 2014, and in subsequent editions of the IMM through September 2014, IPA and ISAL inadvertently remained in the ICL for Cuba. We publish this article to indicate the correct text.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

We have eliminated “Not Active” entries from the table below to save space and paper.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Publication 14 Revision: Prohibitions and Restrictions on Mailing Animals, Plants, and Related Matter

Effective August 21, 2014, the Postal Service™ is revising Publication 14, *Prohibitions and Restrictions on Mailing Animals, Plants, and Related Matter*, to update all sections to align with current mailing standards of the Postal Service and U.S. Department of Agriculture (Animal and Plant Health Inspection Service) and the Department of the Interior (U.S. Fish and Wildlife Service) regulations and statutes.

It is the intent of the Postal Service to incorporate, over the next few months, the content of Publication 14 into Publication 52, *Hazardous, Restricted, and Perishable Mail*, which will provide all mailing standards applicable to these materials into a single publication. Certain sections of Publication 14 pertaining to Quarantines have already been incorporated into the June 2014 issue of Publication 52.

1 Statement of Purpose

[Revise the text of Chapter 1 to read as follows:]

Federal statutes impose restrictions and prohibitions on the mailing of fish, wildlife, plants, and products made from these, as well as plant pests, and certain protected fish, wildlife, and plants. The purpose of these restrictions and prohibitions is to protect agriculture, ecosystems, and natural resources in the United States.

This publication outlines pertinent provisions of the statutes and procedures for their administration and enforcement. This publication does not deal with restrictions and prohibitions provided in 18 U.S.C 1716 to prevent safety hazards that would be posed by the mailing of poisonous or otherwise dangerous animals. Those provisions are encompassed by Publication 52, *Hazardous, Restricted,*

and Perishable Mail, section 5, available for reference at all Post Offices.

2 Terminal Inspection of Plants and Plant Products

21 Terminal Inspection Act

[Revise the first sentence of 21 to read as follows:]

The Terminal Inspection Act (7 U.S.C 7760) makes it unlawful for anyone to mail a package that contains a plant or a plant product to an address in a global state or territory maintaining inspection of such plant or plant product if the outside of the package is not marked with a statement that fully and conspicuously identifies the contents.***

[Insert new item 242c to read as follows:]

c. USDA may be limited in their inspection authority; however, The Endangered Species Act [16 § 1540(e)] states that authorized U.S. Fish and Wildlife Service (and Treasury) personnel “may detain for inspection any package, crate, or other container including its contents, and all accompanying documents upon importation or exportation.”

32 Definition

[Revise the text of 32 to read as follows:]

For the purposes of the Federal Plant Protection Act, the term *plant pest* means any living stage of any of the following that can directly or indirectly injure, cause damage to, or cause disease in any plant or plant product:

USDA regulations governing the movement of plant pests within the United States are administered by the Plant Protection Quarantine (PPQ) Programs of its Animal and Plant Health Inspection Service (APHIS) (see section 27 for address).

Movement of a plant pest is lawful if it complies with applicable USDA regulations. Pursuant to 7 U.S.C. 7701, those regulations may require that a USDA permit or a prescribed inspection certificate be obtained and accompany the plant pest to be moved.

Under USDA regulations, (see 7 CFR 330) when interstate movement of a plant pest is authorized, the package containing the pest must bear a label identifying the contents and evidencing the authorization. Similar labeling is required for any such package being moved into the United States by a foreign shipper.

Information Security

Going Wireless? Be Careful Using Free Wi-Fi Hot Spots

According to the Postal Service™ Computer Incident Response Team (CIRT), the adage "there's no such thing as a free lunch" also applies to free wireless hot spots.

Wireless or Wi-Fi hot spots can be found in many places, including eateries, hotels, and retail stores. They provide access to the Internet to anyone with a Wi-Fi enabled computer, tablet, or similar device.

While convenient, they're not always secure. Information transmitted over public Wi-Fi can be accessed by anyone on the network. Employees are cautioned against using public Wi-Fi for private business or financial transactions. Postal Service business or sensitive business should not be handled over public Wi-Fi; however, personal password-protected mobile hot spots are an option to help ensure the security of transmitted data.

When conducting Postal Service business outside the office, employees must use the Virtual Private Network (VPN). It creates a secure, encrypted connection from a computer or device back to the VPN inside the Postal Service network. This ensures that the connection is secure for USPS® business.

VPN usage is governed by policies in Handbook AS-805C, *Information Security for General Users*.

Stamp Announcement 14-37: Poinsettia Stamp

© 2013 USPS

On August 21, 2014, in Hartford, CT, the U.S. Postal Service® will reissue the *Poinsettia* (Forever® priced at 49 cents) First-Class Mail® stamp, in one design, in a pressure-sensitive adhesive (PSA) booklet of 20 stamps (Item 688600).

The stamp will go on sale nationwide August 21, 2014.

The *Poinsettia* stamp features a bright, cheerful rendering of America's favorite holiday flower. Introduced in 2013, the stamp is being reissued in 2014. The stamp art depicts the rich red and vibrant green leaves surrounding the flower — the cluster of small, rather modest cup-shaped structures in the center. The red "petals" that we think of as the flower are actually modified leaves called bracts. The art reference for this stamp was a potted poinsettia. Designed by art director Ethel Kessler, the *Poinsettia* stamp features the work of William Low.

Stamp Announcement 14-38: The War of 1812: Fort McHenry Stamp

© 2014 USPS

On September 13, 2014, in Baltimore, MD at the Anniversary Festival at Fort McHenry, the U.S. Postal Service® will issue *The War of 1812: Fort McHenry* (Forever® priced at 49 cents) commemorative First-Class Mail® stamp, in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 588200). **The \$9.80 *The War of 1812: Fort McHenry* pane may not be split, and the stamps may not be sold individually.**

The stamp will go on sale nationwide September 13, 2014.

In 2014, the Postal Service™ continues its commemoration of the War of 1812, a conflict with Great Britain that many Americans viewed as the nation's "Second War of Independence." The stamp subject is the bombardment of Fort McHenry in Baltimore, MD, in September 1814. Illustrated with mixed media by noted historical painter Greg Harlin, the stamp art depicts the battle from the vantage point of a group of soldiers manning a cannon in defense of the fort. The stamp art also gives prominence to "the rockets' red glare" that Francis Scott Key wrote about in "The Star-Spangled Banner." A portrait by Rembrandt Peale of the fort's commander, George Armistead, appears on the reverse of the stamp pane (courtesy of the Maryland Historical Society). The selvage engraving on the front of the pane is a black and white version of a painting by Percy Moran depicting Key aboard the ship from which he witnessed the battle. The stamp pane includes verso text and selvage text. Art director Greg Breeding designed the stamp and pane.

To learn more about the stories behind the stamps, visit <http://uspsstamps.com>.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in *italics* under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
