Lean Mail Processing Eliminates Waste

Mail Transport Equipment (MTE) Management is a major component of Lean Mail Processing (LMP). LMP is efficient, easy, and the right way to do business. All Postal Service™ plants should have a process in place to properly prepare MTE throughout operations as well as within established MTE work cells.

Delivery Units and Associate Post Offices™ play a major role in LMP MTE Management. They are the front line in properly preparing MTE for return to the processing plants. Doing it right the first time saves the Postal Service time and money.

Recommendations for All Units:

First, follow the established LMP MTE Standard Operating Procedure (SOP) which specifies the procedure to use for each type of MTE.

For Example:

Sacks

- Empty and “elbow” each sack to be sure there is no hidden mail.
- Remove the label and D&R tag.
- Do NOT stuff sacks — spread them flat and return them to the Mail Transport Equipment Service Center (MTESC) as soon as possible.

Trays

- Empty the tray and check the sleeve for hidden mail.
- Remove the tray label.
- Make the right decision and sort trays neatly by type.
- Follow the MTE SOP and stack trays to standard; shrink wrap when possible.

Second, and very important, keep only the MTE you need for your operation and local mailers — consolidate and return excess MTE to the MTESC for redistribution. Maximize all transportation to return MTE.

Third, rolling stock (APC/GPMCs, wire containers, OTRs) should be used to move mail. Associate Offices and feeder plants should return what they receive daily to keep equipment flowing to processing operations. Damaged rolling stock must be red-tagged and sent to maintenance or a MTESC for repairs.

And lastly, NEVER send cardboard; furniture; UBBM; trash; non-MTE, or MAIL to the MTESCs.

MTE-handling SOPs are available at: http://blue.usps.gov/network_operations/mte.htm.

ELM Revision: FERS Revised Annuity Employees (RAE)

Effective March 19, 2015, the Postal Service™ is revising the *Employee and Labor Relations Manual* (ELM). Recently Public Law 112-96, the “Middle Class Tax Relief and Job Creation Act of 2012” made changes to the FERS retirement law. New career employees (as designated in the statute) hired on or after January 1, 2013, will be covered under FERS as Revised Annuity Employees (RAE). The Postal Service retirement coverage codes for FERS-RAE and FERS-RAE (LEO) employees have been designated as “C” and “D” respectively.

FERS-RAE applies to:

- Any employee who receives an appointment not excluded from FERS coverage on or after January 1, 2013, and would normally be placed in FERS.
- There are three exceptions to this general rule; however, the date December 31, 2012, is a key date for each of these exceptions.

An employee will be excluded from FERS-RAE coverage if any of these exceptions apply:

- The individual on December 31, 2012, was covered under FERS; or
- The individual on December 31, 2012, was performing civilian service which is creditable or potentially creditable service under FERS; or
- The individual on December 31, 2012, was not covered under FERS and was not performing civilian service, which is creditable or potentially creditable service under FERS, but as of December 31, 2012, had performed at least five years of creditable service under FERS, including service subject to the Civilian Service Retirement System (CSRS or CSRS-Offset).

ELM 581 is revised to add 581.5 and 581.6 to include employees covered under FERS-RAE and employees who are excluded from coverage under FERS-RAE.

Publications

Publication 75, Mover's Guide, News

As of April 1, 2015, recycle any old copies of Publication 75, *Mover's Guide*. All Post Offices™ should receive the new April – June 2015 issue of Publication 75 by March 31, 2015. Similar to last quarter's shipment, the total quantity of *Mover's Guide* copies sent to your facility may have been reduced. In an effort to reduce waste and account for more customers submitting change-of-address orders online, fewer *Mover's Guide* copies are needed. There are several things you can do to conserve as well:

- Make sure customers are aware that USPS.com® is the most convenient, safe, and secure way for customers to submit a change-of-address order.
- Encourage carriers to take Internet Change of Address (ICOA) message cards on their routes instead of *Mover's Guide* copies.
- Give *Mover's Guide* copies to *moving* customers only.

Important Reminders and Alerts

Alert: The Postal Service™ offers the *Mover's Guide* as a service to our customers to assist them with forwarding mail to new addresses. Remember, provide only one *Mover's Guide* per mover unless the visitor asks for more. In that event, provide no more than three. The Postal Service has determined that this number is sufficient for customers who use the *Mover's Guide* to submit a Change of Address Order relating to a move.

Reminders:

- Copies of *Mover's Guide* must be kept behind the counter *ONLY*, not in inner or outer lobbies or on clerk counters.
- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened copy of *Mover's Guide*.
- Limit of one *Mover's Guide* per customer. Upon request, up to three can be provided.
- *Mover's Guide* is printed and distributed four times a year.

Shipment Information and Inventory Management

Offices will continue to receive copies of *Mover's Guide* in one or two shipments. The first shipments should arrive by the end of March. The second shipments will arrive 3 to 5 weeks later.

- Boxes with PINK stickers are the first shipment for this print run.
- Boxes with YELLOW stickers are the second and final shipment for this print run.

To track your office's shipment information, go to http://blue.usps.gov/purchase/operations/ops_downloads.htm and click *Mover's Guide* (Pub 75) Distribution for April – June 2015. Use the Ctrl + F Function, while the "Fedstrip" Column is highlighted, to search for your office. To request a shipment quantity change, call Imagitas at 800-816-6837.

ICOA Message Card Information

If your Post Office has an ICOA message card display, replenishment cards and updated banners will be mailed with your *Mover's Guide* shipments. DO NOT THROW AWAY THE DISPLAY OR ICOA MESSAGE CARDS. THEY DO NOT EXPIRE. The display is REQUIRED to be in the lobby and it must have the ICOA message cards in it at all times.

If any Post Office runs out of ICOA Message cards between shipments, use the website at <http://imaging-tas.com/postal-order-form.html> or call 800-816-6837 for replenishment.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Equal Employment Opportunity Policy Statement

The United States Postal Service® (Postal Service™) reaffirms its long-standing commitment to equality of opportunity in every aspect of employment. Equal employment opportunity (EEO) is not only a legal requirement under our nation's laws, but also a business imperative. EEO is a critical component of the Postal Service's efforts to recruit, develop, and retain the most qualified, diverse workforce to support our organization's strategic mission of delivering to every household in America.

It is the policy of the Postal Service that all employees and applicants for employment be afforded equal opportunities in employment without regard to race, color, sex (including gender identity and gender stereotypes), national origin, religion, disability, or retaliation for engaging in an EEO-protected activity. As part of its program of equal employment opportunity, the Postal Service prohibits discrimination or harassment based on any of these categories. In addition, it is also the policy of the Postal Service to prohibit discrimination or harassment based on age, genetic information, sexual orientation, marital status, status as a parent and past, present, or future military service. All employees must refrain from practicing or tolerating discrimination or harassment.

Employees found to have taken actions that violate this policy and our country's EEO laws may be subject to corrective action up to and including removal from the Postal Service.

All of us, executives, managers, supervisors, and employees, share in the responsibility for successfully incorporating the Postal Service's policy on equal employment opportunity in every aspect of our duties and complying with this country's EEO laws.

Postal Service Policy on Workplace Harassment

The United States Postal Service® (Postal Service™) is committed to providing a work environment free of harassment based upon race, color, religion, sex (including gender identity and gender stereotypes), national origin, age, mental or physical disability, sexual orientation, genetic information, uniformed (military) service, or in reprisal for an employee's or applicant's complaint about or opposition to discrimination or participation in any process or proceeding designed to remedy discrimination. The Postal Service's workplace must be one in which all employees are treated with dignity and respect by supervisors, subordinates, and coworkers. Supervisors and managers will take prompt action to prevent, address, and remedy workplace conduct that is contrary to this policy.

Prohibited Activities

Harassment is unwelcome verbal or physical conduct, which is so severe or pervasive that it interferes with or changes the conditions of one's employment by creating a hostile, intimidating, or abusive working environment. Examples may include, but are not limited to, making offensive or derogatory comments or engaging in physically threatening, intimidating or humiliating behavior based upon race, color, religion, sex (including gender identity and gender stereotypes), national origin, age, mental or physical disability, sexual orientation, genetic information, past, present, or future uniformed (military) service, or in reprisal for an employee's or applicant's complaint about or opposition to discrimination or participation in any process or proceeding designed to remedy discrimination. These activities are prohibited by Postal Service policy and may amount to harassment in violation of federal anti-discrimination laws. Violation of this policy may result in disciplinary action up to and including termination. The Postal Service is committed to providing its employees a safe, productive, and inclusive workplace and will tolerate nothing less.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature such as, but not limited to: making or threatening to make employment decisions based on an employee's submission to, or rejection of, sexual advances or requests for sexual favors; deliberate or repeated unsolicited remarks with a sexual connotation or physical contact of a sexual nature that is unwelcome to the recipient; or behavior that creates a sustained hostile or abusive work environment so severe or pervasive that it unreasonably interferes with or changes the conditions of one's employment.

Although not every instance of inappropriate behavior may fit the legal definition of harassment, such behavior in the workplace undermines morale and violates the Postal Service's standards of conduct. Disciplinary action may result even if the conduct does not constitute harassment under the law.

Management Responsibility

All managers and supervisors are responsible for preventing harassment and inappropriate behavior that could lead to illegal harassment, and must respond promptly when they learn of any such conduct. Any manager or supervisor who receives a complaint must see that a prompt and thorough investigation is conducted. Investigations of all forms of harassment must be done in accordance with the "Initial Management Inquiry Process (IMIP)." Materials are available in Publication 552, *Manager's Guide to Understanding, Investigating, and Preventing Harassment*. When harassment or inappropriate conduct is found, managers must take prompt and effective corrective action.

Employees' Rights and Responsibilities

Postal Service employees who believe that they are the victims of harassment prohibited under this policy (i.e., harassment based on race, color, religion, sex (including gender identity or gender stereotypes), national origin, age, mental or physical disability, sexual orientation, genetic information, uniformed (military) service, or in reprisal for an employee or applicant's complaint about or opposition to discrimination or participation in any process or proceeding designed to remedy discrimination) or who have witnessed such harassment or inappropriate conduct, which could lead to illegal harassment, should bring the situation to the attention of a supervisor, a manager, or the manager of Human Resources to address most forms of harassment described above. Refer to Publication 553, *Employee's Guide to Understanding, Preventing, and Reporting Harassment* for further information. In accordance with this policy, supervisors, managers, managers of Human Resources, or the next higher level manager (HQ and HQ field units) are responsible for ensuring that direct and prompt action is taken to investigate and, where appropriate, remedy such misconduct when brought to their attention. The Postal Service will protect the confidentiality of harassment complainants to the extent possible.

Federal law requires the Postal Service to prevent discrimination against employees and applicants for employment based on race, color, religion, national origin, sex, age (40+), physical or mental disability, and genetic identification. Employment discrimination or reprisal for engaging in an EEO-protected activity is prohibited. Employees pursuing an EEO complaint should contact the Postal Service's EEO centralized intake center within 45 days of the conduct giving rise to the claim in order to preserve their rights under federal law. Employees making a complaint can call toll-free 1-888-EEO-USPS (1-888-336-8777). Deaf and Hard of Hearing employees can call 1-888-325-2914 (Federal Relay Service). In addition, bargaining unit employees may seek relief through the grievance-arbitration procedures, and if applicable, non-bargaining unit employees may use the grievance procedures described in Section 652.4, *Employee and Labor Relations Manual*.

Allegations involving any possible criminal misconduct should be reported to the appropriate law enforcement authorities as follows: any physical misconduct relating to workplace harassment (i.e., any physical assault, threat of a physical assault, or stalking) should be reported to the Postal Inspection Service; use of any electronic device, computer, or Internet to transmit threatening or harassing communications, obscene or indecent images and materials, should be reported to the Office of Inspector General (OIG).

Reprisal against employees who raise a claim of harassment, report inappropriate conduct, or provide evidence in any investigation is illegal and can result in disciplinary action, and should be referred to the Inspection Service or OIG as appropriate.

The Postal Service will not tolerate any type of harassment, inappropriate conduct, or reprisal in the workplace.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

Stamp Announcement 15-16: Maya Angelou Stamp

©2015 USPS

On April 7, 2015, in Washington, DC, the U.S. Postal Service® will issue the *Maya Angelou* First-Class Mail® stamp (Forever® priced at 49 cents) in one design, in a pressure-sensitive adhesive (PSA) pane of 12 stamps (Item 472600).

The stamp will go on sale nationwide April 7, 2015.

With this new commemorative stamp, the U.S. Postal Service celebrates the life of Dr. Maya Angelou (1928-2014), author, poet, actress, champion of civil rights, and one of the most dynamic voices in all of 20th century American literature. The stamp art features artist Ross Rossin's 2013 portrait of Dr. Angelou. The oil-on-canvas painting is part of the Smithsonian National Portrait Gallery's collection. The stamp also features this quotation by the pioneering author: "A bird doesn't sing because it has an answer, it sings because it has a song." The stamp pane includes a short excerpt from Dr. Angelou's book *Letter to My Daughter*. It reads: "Try to be a rainbow in someone's cloud." Art director Ethel Kessler designed the stamp.

Stamp Fulfillment Services will make a subsequent automatic push distribution to Post Offices™ of a quantity to cover approximately 30 days of sales. Distribution quantities for the automatic push distribution are available by logging on to SFS Web at <https://sfswb.usps.gov>. Post Offices may begin ordering stamps prior to the FDOI through SFS Web. However, offices should check the website noted above to determine the amount they will receive on their automatic push distribution.

Special Dedication Postmarks

Only the following pictorial postmark is permitted for the *Maya Angelou* stamp. The word "Station" or the abbreviation "STA" is required somewhere in the design, because it will be a temporary station.

Guidelines for Finalizing the Maya Angelou Stamp Pictorial Postmark Art

To finalize the *Maya Angelou* stamp pictorial postmark art, insert the date, city, state and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3-1/2 inches by 1.

The Postal Service™ must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services four weeks before the event using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to <http://blue.usps.gov/formmgmt/forms/ps413.pdf>.

Stamp Announcement 15-17: Gifts of Friendship Stamps

©2015 USPS

On April 10, 2015, in Washington, DC, the U.S. Postal Service® will issue the *Gifts of Friendship* (Forever® priced at 49 cents) in four designs, in a pressure-sensitive adhesive (PSA) souvenir sheet of 12 stamps (Item 589800). This is a joint issue with Japan Post who will issue their stamps on the same day. **The \$5.88 *Gifts of Friendship* souvenir sheet may not be split, and the stamps may not be sold individually.**

The stamp will go on sale nationwide April 10, 2015.

The U.S. Postal Service and Japan Post jointly issue *Gifts of Friendship*, a pane of 12 Forever stamps featuring beautiful images of dogwood and cherry blossom trees. This issuance celebrates the enduring bond between two nations on the centennial of the gift of flowering dogwood trees from the United States to Japan in 1915. The left side of the pane features four new stamp designs, two created by the Postal Service™ and two by Japan Post. It also includes two Japanese characters meaning “friendship,” the title of the issuance “Gifts of Friendship,” and a short line of selvage text.

On the right side of the pane are eight additional stamps (four each of the two U.S. designs). The first U.S. stamp showcases the Lincoln Memorial with cherry blossoms in the foreground and the second stamp, the U.S. Capitol Building surrounded by pink and white dogwood trees. The Japanese-designed stamps each feature a prominent building in Tokyo: the National Diet Building framed with cherry blossoms and the clock tower outside the National Diet Building behind a foreground of white dogwoods. Text appears on the back of the stamp pane. Stamp artist Paul Rogers worked with art director and designer William J. Gicker to create the stamps. Gicker and Greg Breeding designed the stamp pane. Junko Kaifuchi illustrated the stamps for Japan Post.

To learn more about the stories behind the stamps, visit <http://USPSstamps.com>.

A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in *italics* under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Supply Management

Mail Recovery Center Search Process

The Mail Recovery Center's (MRC) new Search and Inventory System was implemented on January 31, 2015, and is available for field sites to enter search information for damaged or lost mailpieces.

The automated MRC Search and Inventory System will allow employees to use a link on the MyPO main page, the Mail Recovery Center link on the Consumer and Industry Affairs webpage, and the Mail Recovery Center webpage to input search information for a customer. The most important difference is that once the employee submits the web-based search form, it will automatically search the inventory database at the MRC to try to find the item. This will eliminate the necessity for field personnel filling out and sending hard copy search documents to the MRC. Not only will the automated system search for the item immediately, it will continue to search for new entries in the MRC database until the mailpiece's retention period expires.

Periodically, the system will notify the customer, either by letter or email, of the status of the search. It will also let

the customer know if we were able to find the item. If the item did not have a tracking number on it when the MRC received it, the MRC will apply a new tracking number when it is mailed back to the customer. Customers will be notified when a search is unsuccessful or the search reached the end of the retention period.

Eventually, the MRC will have a link on www.usps.com so that customers may complete the electronic search form from their home or office. This enhancement will have the same features as mentioned above.

Soon after the transition to the new system is complete, the two MRC email addresses used historically to submit manual search requests for customers will be closed to ensure all search requests are submitted electronically in the MRC Search and Inventory System.
