Priority Mail — Instructions

Use this form for Priority Mail.

Step 1: Complete Mailer and Mailing sections on page 1. The Mailer section must be completely filled in, including the Permit Holder in the first box, the Mailing Agent, if any as described below, in the second box, and the Mail Owner, as described below, if other than the Permit Holder, in the third box.

Mailing Agent: The mailing agent is a business entity, organization, or individual acting on behalf of one or more mail owners by providing mailing services for which the mail owners compensate the mailing agent. A business entity, organization, or individual whose services define it as a mailing agent may also be considered a mail owner, but only for its own mail or the mail of its subsidiaries. Mailing agents include, but are not limited to the following: Printer, letter shop, address list provider/manager; mail preparer, postage payment provider, mailing logistics provider, mailing tracking provider, ad agency, and mailing information manager.

Mail Owner: The mail owner is the business entity, organization, or individual who makes business decisions regarding the mailpiece content, directly benefits from the mailing, and ultimately pays for postage on the mailpiece directly or by way of a mailing agent.

Step 2: Before you complete the Postage section, go to parts A through F and S. Complete the part(s) that pertain to your mailing. The following information will help you to determine which parts to complete:

Part A: Priority Mail. Enter total in Part A Total box.
Part C: Priority Mail—Commercial Cubic. Enter total in Part C Total box.
Part D: Priority Mail—NSA. Enter total in Part D Total box.
Part E: Priority Mail—Open and Distribute—NSA. Enter total in Part E Total box.
Part F: Priority Mail—Open and Distribute—Commercial. Enter total in Part F Total box.
Part S: Extra Services—Report any combined Extra Services on the lines provided for them, e.g., Insured mail that is also Restricted Delivery would be reported on line S31—Insurance Restricted Delivery. Enter total in Part S Total box.

Step 3: Complete only applicable part(s), as follows:

1. Determine the per-piece price based on the zone and actual weight or dim weight of a single piece.
2. Multiply the number of addressed pieces by corresponding postage price. Do not round.
3. Include all surcharges that apply.
4. In Part/Total box for each completed part, enter sum of the (unrounded) postage amounts for that part.

Step 4: Go to Postage section on page 1.

1. Place a check mark in the applicable box(es) to show which part(s) you have completed.
2. Add postage from Part/Total box for each completed part; enter that sum in Total Postage, rounded off to nearest whole cent (two decimal places).

Step 5: Read and sign the Certification section, including your telephone number. Attach all completed pages together to submit with the mailing. (Do not include blank pages.)
