International Mail — Instructions

Use this form for all International Mailings.

Step 1: Complete Mailer and Mailing sections on page 1. The Mailer section must be completely filled in, including the Permit Holder in the first box, the Mailing Agent, if any as described below, in the second box, and the Mail Owner, as described below, if other than the Permit Holder, in the third box.

Mailing Agent: The mailing agent is a business entity, organization, or individual acting on behalf of one or more mail owners by providing mailing services for which the mail owners compensate the mailing agent. A business entity, organization, or individual whose services define it as a mailing agent may also be considered a mail owner, but only for its own mail or the mail of its subsidiaries. Mailing agents include, but are not limited to the following: Printer, letter shop, address list provider/manager; mail preparer, postage payment provider, mailing logistics provider, mailing tracking provider, ad agency, and mailing information manager.

Mail Owner: The mail owner is the business entity, organization, or individual who makes business decisions regarding the mailpiece content, directly benefits from the mailing, and ultimately pays for postage on the mailpiece directly or by way of a mailing agent.

Step 2: Determine applicable part(s) A through S to complete for your mailing.

Part A: First-Class Mail International (FCMI) including Airmail M-Bags

Part B: First-Class Package International Service (FCPIS) Customs Data

Part C: International Surface Air Lift (ISAL) including ISAL M-Bags

Part D: International Priority Airmail (IPA) including IPA M-Bags

Part E: Priority Mail International (PMI) - Transmits Customs Data

Part G: Priority Mail Express International (PMEI) - Transmits Customs Data

Part H: Global Express Guaranteed (GXG) - Transmits Customs Data

Part P: Commercial ePacket - Transmits

Part Q: Global Direct

Part R: Reserved

Part S: Extra Services and Fees

Step 3: Complete only applicable part(s), enter sum of the (unrounded) postage amounts for that part.

Step 4: Return to the Postage section on page 1. Check the boxes that correspond to the form parts used. Add the postage amounts for all parts and enter on Line 1 Subtotal Postage, rounded off to two decimal places. For postage affixed mailings round off to three decimal places.

Step 5: Complete Line 2 for Postage Affixed mailings. Check the applicable box (Correct, Lowest, or Neither) for the Price at which Postage is Affixed. Multiply the number of pieces by the postage affixed. Put the total in the Postage Affixed block.

Step 6: Enter any Incentive/Discount Flat Amount on Line 3 and any Fee Flat Dollar Amount on Line 4.

Step 7: Calculate Line 5 Net Postage Due by subtracting any Postage Affixed (Line 2) from the Subtotal Postage (Line 1), subtracting and Incentive/Discount (Line 3), and adding any Fee (Line 4). For permit imprint mailings, the Net Postage Due is the amount that will be withdrawn from the permit imprint account listed in the Permit # box in the Mailing section. For postage affixed mailings, the Net Postage Due is the amount that must be tendered in addition to that already affixed to the mail, and it may be tendered by any of the applicable methods including withdrawal from an advance deposit account that can be listed by Permit # on Line 5.

Step 8: Read and sign the Certification section, including your telephone number. Attach all completed pages and submit with the mailing.

Postmaster: Report permit imprint revenues using Account Identifier Codes (AIC) as follows:

Part A: AIC 243 First-Class Mail International (FCMI) AIC 245 Airmail M-Bags

Part B: AIC 243 First-Class Package International Service (FCPIS)

Part C: AIC 234 ISAL (including ISAL M-Bags)

Part D: AIC 235 IPA (including IPA M-Bags)

Parts E, G, & H: AIC 244 Priority Mail International (PMI), Priority Mail Express International (PMEI), and Global Express Guaranteed (GXG)

Parts P & Q: AIC 246 Commercial ePacket and Global Direct
