PACT Act Application
for Consumer Testing or Public Health Exception

Eligibility Number: ___________________________ (USPS entry only – issued by PCSC upon approval of application).

Consumer Testing or Public Health: The Prevent All Cigarette Trafficking (PACT) Act permits a legally operating cigarette manufacturer or an authorized agent of a legally operating cigarette manufacturer to mail cigarettes to verified adult smokers solely for consumer testing purposes. The PACT Act also permits the mailing of cigarettes under similar conditions by federal government agencies engaged in the consumer testing of tobacco products solely for public health purposes. The PACT Act does not permit the mailing of smokeless tobacco or electronic nicotine delivery systems for these purposes. Permitted consumer-testing mailings of cigarettes are subject to the conditions of Publication 52, Hazardous, Restricted, and Perishable Mail, available at https://pe.usps.com.
