

HOW TO HAVE UNHAPPY HOLIDAYS

GET SWINDLED

- 1 Scammers use bogus charities to take money from you and legitimate charities.

NEIGHBORHOOD (UN)WATCH

- 5 Keep an eye out for the safety of your mail carriers.

ADVERTISE YOUR VACATION

- 2 A pile of mail and packages tells thieves you aren't home.

IGNORE YOUR DOORS

- 6 If you don't watch your doors, someone else will.

GIVE AWAY CASH

- 3 Cash is untraceable. It's easy to steal and hard to get back.

KEEP SECRETS

- 7 If you are a victim of a mail crime, report it! Don't keep quiet.

START A FIRE

- 4 Certain items should never be mailed because they could start a fire or hurt someone.

MESS WITH MAIL

- 8 Mess with mail and you could go to jail.
