Dear Santa,

My name is Caitlyn and I have been a very good girl this year and my brother Joshua has been good too but my mommy lost her job and does not have money to get me and my brother any presents. We don't want any toys. We just want shoes and clothes and a coat and a hat and maybe some mittens. It

is cold here and there are holes in my shoes and the snow makes my toes hurt. We would really like for you to bring my mommy something too. She works so hard and deserves something really nice like maybe a new robe or socks. I'm 8 and my brother is 6. I don't know what size we wear but I'm sure you know.

Please come and bring us something. You flew right over our house last year and didn't stop and we were sad. We will leave you milk and cookies if we have any but if you have extras, you could leave some for us.

We love you.
