WASHINGTON, DC — The holiday season is nearly upon us and the U.S. Postal Service urges customers to plan ahead and ship early to their friends and loved ones stationed on military outposts in faraway lands and serving on the high seas.

To send packages to military and diplomatic posts abroad, the Postal Service offers a discounted price of \$19.60 on its largest Priority Mail Flat Rate Box. The price includes a \$1.50 discount per box for mail sent to APO/FPO/DPO (Air/Army Post Office/Fleet Post Office/Diplomatic Post Office) destinations worldwide.

Priority Mail Flat Rate Boxes are available at no cost at Post Office locations and can also be ordered via usps.com. Postage, labels and customs forms can also be printed online anytime using Click-N-Ship. All mailing products can be found at store.usps.com/store/home.

To ensure timely delivery of holiday wishes by Dec. 25, the Postal Service recommends that cards and packages be sent to military APO/FPO/DPO addresses overseas no later than the mailing dates listed below.

1. PMEMS is available to select military/diplomatic Post Offices. Check with your local Post Office to determine if this service is available to an APO/FPO/DPO address.
2. PAL is a service that provides air transportation for parcels on a space-available basis. It is available for USPS Retail Ground items not exceeding 30 pounds in weight or 60 inches in length and girth combined. The applicable PAL fee must be paid in addition to the regular surface price for each addressed piece sent by PAL service.
3. SAM parcels are paid at USPS Retail Ground prices with maximum weight and size limits of 15 pounds and 60 inches in length and girth combined. SAM parcels are first transported domestically by surface and then to overseas destinations by air on a space-available basis.
