Postmaster General Statement on Passage of COVID Relief Legislation

WASHINGTON, DC — Postmaster General and CEO Louis DeJoy issued the following statement today:

“On behalf of the 644,000 men and women of the Postal Service, I want to thank Congress and the Administration for recognizing both the essential role we play in serving the nation and the impact of COVID-19 on our operations. We will continue to work with Secretary Mnuchin and the Treasury Department to execute on converting the \$10 billion borrowing authority to funding that we need as a result of the pandemic for operating expenses.”
