About the Stamp

The Ruth Bader Ginsburg stamp features an oil painting of her in her black judicial robe and iconic white collar. The stamp captures her enduring spirit and tireless dedication to upholding the principles of the Constitution.

Ethel Kessler, an art director for USPS, designed the stamp with a portrait by Michael J. Deas based on a photograph by Philip Bermingham.

The Ruth Bader Ginsburg stamp is being issued as a Forever stamp in panes of 20. Forever stamps will always be equal in value to the current First-Class Mail 1-ounce price.
