Cover Story

Our Business is Delivery

The Postal Service is an AMAZING organization.

On any given day, today's Postal Service™...

- Delivers nearly 40 percent of the world's mail.
- Provides more than 131.2 million physical entry points to our delivery network.
- Is the core of the trillion-dollar mailing industry.
- Has online stamp and retail sales of 223 million dollars.
- Makes deliveries to 150 million residences, businesses, and Post Office™ Boxes.
- And does so at a lower cost than any comparable post in the world.

But what will keep it amazing in an increasingly digital world?

It starts with defining the core need of OUR CUSTOMERS.

Great businesses are great because they define and then focus on satisfying a core customer need. The Postal Service can revitalize its role in a competitive marketplace by sharpening its focus on a core function that our customers value and reward.

So what is the NEED we satisfy?

What is our CORE function that drives our business?

The heart of what we do, ultimately, is delivering.

We connect senders and receivers through the physical delivery of mail and packages.

This concept — that the Postal Service is defined by the function of delivering — is a powerful one. It has a lot of important implications for the way we approach an increasingly digital marketplace, the way we innovate, the way we structure our organization, and the way we shape our future.

We are excellent at DELIVERING.

Our delivery network is the most efficient in the world. It is a vital platform for America's commerce and for the mailing industry.

The more we improve our platform, the better we meet a core need of every American business and residence: to have access to a delivery network that is reliable, secure, convenient, and affordable — and we want it to be known as the best in the world.

And so, as we shape the future of the organization, it starts with our network and the function of delivering.

Our brand will be shaped by the concept of Delivering.

Our brand is ultimately reflected in the experiences that people have with us. We want customers to have positive experiences with us, to associate positive attributes to us, and to feel that the Postal Service is their best option to meet their core needs for either sending or receiving content.

Field Information Kit: Telephone Courtesy

A positive customer experience starts with four basic principles, which have been identified as “customer experience essentials.” They are:

- Telephone Courtesy.
- It Begins with a Smile.
- Delivery Done Right.
- We Value Your Business.

A new program encompassing these four principles, “Delivering a Positive Customer Experience,” is a collaborative effort between Operations, Consumer and Industry Affairs, Corporate Communications, and all postal management and labor organizations. The data contained in Customer Experience Measurement (CEM) identified these principles as the biggest impact on customers’ interaction with postal employees.

The first principle, Telephone Courtesy, is now under way, supported by this Field Information Kit. This kit includes Standard Operating Procedures, including a Customer Complaint Control Log; Essential Telephone Tips; and a Standup Talk.

Ongoing communications supporting the four “customer experience essentials” principles will be identified by the “Delivering a Positive Customer Experience” logo shown below.

The customer’s experience with you on the telephone matters. Make sure to do the following:

- **Answer:** Promptly, within three rings, and with courtesy.
- **Greet:** “Thank you for calling the United States Postal Service.”
- **Identify:** Your office name and your name.
- **Offer Assistance:** Get the customer’s number (in case the call is disconnected); identify the issue; answer the question if you know the answer; if not, document the inquiry on the Customer Complaint Control Log; establish a time you will contact the customer again and follow up with the accurate information. Assume ownership of your customer. Do not transfer calls if possible.
- **Thank the Customer:** “Thank you for using the United States Postal Service. We appreciate your business.”

Deliver a positive customer experience every time!

Standard Operating Procedures

When the Phone Rings

- Assign responsibility for answering the phone every day to at least two employees (clerk and/or supervisor).
- Ensure all calls are answered within three rings.
- Thank the customer for calling and greet with “good morning” or “good afternoon,” as appropriate.
- Identify your office and department, and provide your name.
- Offer assistance. “How may I help you?” Identify the issue and answer the question if you know the answer. If not, document the inquiry on the Customer Complaint Control Log (POM Exhibit 165.3), establish a time you will contact the customer again, and follow up with the accurate information.
- Before closing, thank the customer for calling and offer to be of assistance in the future.

Tips

Avoid putting a caller on hold, especially for more than 30 seconds. If you need to transfer a call, stay on the line to make sure the call is connected and introduce your caller and his/her question or problem.

If you need to take a message, make it complete, and follow through on forwarding it to the person who will respond to the customer.

Management Responsibilities

- Ensure job aid is posted or placed near all phones.
- Oversee implementation of standard operating procedures (SOP).
- Verify completion of Complaint Control Log as per *Postal Operations Manual*.
- Ensure customers are called back.

- Ensure followup and resolution.

Postal Operations Manual — Section 165.3

Maintaining Customer Complaint Control Log

Maintain one or more Customer Complaint Control Logs (see Exhibit A, page 8) at every office to ensure timely response to customer complaints and to facilitate routine analysis of complaint activity. Include the following information in the Customer Complaint Control Log:

- Office name and ZIP Code.
- Customer name.
- Company name, if applicable.
- Customer address.
- Customer telephone number.
- Subject of complaint or comment.
 1. Type of 24-hour acknowledgement (e.g., telephone, letter, postcard, personal).
 2. Type of final response (e.g., telephone, letter, personal).
- Date received.
- Suspense date.
- Assignment of responsibility for suspense and resolution of the complaint.
- Date closed.

Essential Telephone Tips

Documenting the Customer Service Issue

Ensure you use the Customer Complaint Control Log referenced in USPS® Customer Contact Telephone Courtesy Standard Operating Procedure as Exhibit 165.3 from the *Postal Operations Manual*. This will assist you to collect, document, and report the pertinent information needed to handle the customer service issue and identify improvement opportunities.

Information to Obtain From the Customer

- Name and address.
- Phone number and e-mail address.
- Preferred contact method (phone/e-mail).
- Best time to contact.
- Explanation of problem.
- Date/time of problem.
- Recurring problem?

Rude Employee Behavior

First, apologize to the customer on behalf of USPS, then tell the customer the incident will be addressed.

Questions to Ask

- Who was rude to them?
- What specifically occurred?
- When did the incident occur?
- Where did the incident occur?

Strategies to Resolve

- Inform the customer that you regret this experience occurred, as it is the Postal Service's mission to ensure a positive customer experience every time.
- Inform the customer you will notify the appropriate supervisor or manager and his or her concern will receive prompt attention.
- If the customer wants to speak to a supervisor or manager — get them.
- Again, apologize to the customer and let them know their business is important to us.

Change of Address

Questions to Ask

- Did you receive a confirmation letter?
- Have you filed any other change of address (COA) in the past 18 months?
- Have you received any mail with yellow forwarding stickers?
- Have you received any mail at your new address?
- Do you know if mail is being delivered to your former address? If so, how many times?
- Did all individuals with the same last name move from the former address?
- Whose mail are you receiving? (It may be same extract code.)
- Did you receive your mail at a private mailbox, a business, or other institution (i.e., college)?
- How did you notify USPS of COA? (Internet, COA Form at local Post Office, mailed COA Form to local Post Office, or by telephone.)

Strategies to Resolve

- Check carrier case for PS Form 3982, *Change of Address*.
- Discuss change with letter carrier(s) responsible for serving the route.
- Verify that the 3982 label has been received/noted on 3982 pink card.
- Check Change of Address Reporting System (COARS) to ensure addresses and dates are correct.
- If the problem is a recurrence of mail forwarding or mail being left at old address, place a reminder card at the carrier case to ask for 100 percent verification of mail at delivery point for a 2-week period.

- If correction is needed, process it on PS Form 3546, *Official Change/Correction to Mail Forwarding Change of Address Order*, and forward to Computerized Forwarding System (CFS).
- If the wrong mail is being forwarded, and COARS is correct, request a temporary exclusion.
- Refer to a COARS coordinator for permanent exclusion.

Misdelivery

Questions to Ask

- Do you have a copy of the mailpiece?
- If yes, how was the mail addressed — did it include apt./suite?
- Was there an endorsement stamped on the envelope?
- What does the endorsement indicate?
- Is this an isolated incident, or have you been notified by more than one mailer that items sent to you have been returned?
- Have you been away recently?
- Was the mail picked up regularly?

Strategies to Resolve

- Discuss with the letter carrier(s) servicing the route at the date/time of the problem.
- Discuss possible causes and resolutions with letter carriers. Reinforce that all mail is checked and fingered before delivery.
- Place a misdelivery watch card at the carrier's case.
- Review mail after the carrier cases the mail.
- Ask the customer to let us know as soon as misdelivery occurs, so that we can retrieve the misdelivered mail and deliver it correctly. This is the best way to determine what may have occurred.
- Use accuracy of delivery tools: misdelivery log, carrier alert card, new resident card.

Delayed Delivery

Questions to Ask if Speaking With the Sender

- What type of mail was delayed?
- If sent special service, ask for the number.
- When/where was the article mailed?
- Is the original mailing envelope available? Can you provide it?
- Is the address accurate and complete (suite/apt. #)?
- Have you experienced previous delays?
- Was the mail addressed to business?

The purpose is to try to explain based on info or mailing envelope provided.

Strategies to Resolve

- If this is the first time or unrelated individual delays: Offer apology on behalf of USPS.
- You can send the customer a postage-paid envelope to send the mailpiece to you to determine a possible cause.
- If it is a periodical, suggest the publisher initiate an ePub Watch to track pattern of delivery.

Nonreceipt

Questions to Ask if Speaking With the Sender

- When was the article mailed?
- What type of mail was not received (Priority Mail, First-Class Mail)?
- Were any Extra Services purchased at the time of mailing?
- If so, may I have the article number?
- Where was the article mailed?
- Was a return address on the mailpiece?
- Do you know if the item is being held for pickup?
- May I have information about its contents?
- What is the value of its contents?

Additional Question to Ask if Speaking With the Addressee

- Have you notified the sender that the mailpiece has not arrived?

Strategies to Resolve

- If the customer states he/she did not receive the item, but the tracking system indicates that delivery was made, ask if the preference is to leave notices in the future, rather than leaving the article unattended.
- Submit "Mail Recovery Center (MRC) Search" request on customer's behalf: Complete the MRC Search form in its entirety. Send an e-mail and the MRC Search form to "MRC Search".
- If unable to deliver to a secure location, ask the customer for written notification to remain on file as to where to leave a package. (Form 1564B Special Instructions). Note this in the carrier route book.
- This may be an isolated incident. In this case, offer a sincere apology on behalf of USPS for the difficulty the customer experienced.
- If unable to locate the item, suggest the customer notify the sender and ask the customer to resend the item.
- Advise the customer that the Inspection Service is in receipt of the case and will only contact the customer if more information is needed.
- If mail theft is suspected, put the customer in touch with the local USPIS.

- Nonreceipt may be caused by misdelivery; stress the accuracy of delivery to prevent future instances.

Standup Talk

For any business, keeping customers satisfied in every experience they have with you is common sense. It's a back-to-basics way to keep customers coming back and to build future business.

That's why improving our customers' experiences with the Postal Service is one of our key business strategies. Our ongoing Customer Experience Measurement system tells us how we're doing, and quite honestly, we have room for improvement.

The good news is that there are some easy ways to make a customer's experience more positive. This is particularly true where direct customer contact is involved, for example, when a person telephones our office for help.

Think about how you would like to be treated as a customer, and give that same courtesy to our customers. Answer the phone promptly and courteously. Thank the customer for calling and give our office name and your name. Try not to transfer calls or leave a person on hold. After the issue or question is resolved, thank the customer for using the Postal Service and tell them we appreciate their business. Follow up with the customer, if necessary.

Each one of us is responsible for providing excellent service, to keep our customers coming back. Our customers are our business — let's deliver them a positive experience with the Postal Service every day. Thank you.

IMM Revision: International Country Availability for Return Receipt Service

Effective January 22, 2012, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) sections 232.94 and 242.43 to provide current information regarding the availability of return receipt service when used in conjunction with Registered Mail™ service and insured Priority Mail International® parcels.

In the article titled “IMM Revision: Mailing Standards Reorganization for Global Express Guaranteed, Express Mail International, Priority Mail International, and First-Class Mail International Services” in *Postal Bulletin* 22266 (8-27-09, page 11), we announced revisions based on a reorganization of the IMM subchapters for these four services. However, the published revisions for both the Priority Mail International and First-Class Mail International® sections inadvertently contained tables that listed the countries that at the time accepted return receipt service for *Express Mail International®* service. Actually, the number of destination countries allowing return receipt service when used in conjunction with Registered Mail service and insured Priority Mail International parcels is much more comprehensive than was listed in those published tables. Although the tables in the Priority Mail International and First-Class Mail International sections were incorrect, the correct information did appear (and continues to appear) in the Individual Country Listings.

Note: In the IMM's Priority Mail International service section, the relevant section as of January 22, 2012, will be 232.94 — until then, the relevant section is 232.84, but other revisions also effective January 22, 2012, will cause the section number to change.

Publications

Publication 75, Mover's Guide, News

The January 2012 issue of Publication 75, *Mover's Guide*, is in process of being shipped to all Post Office™ facilities. All shipments should be received by December 31, 2011. As of January 1, 2012, recycle all expired versions.

The *Mover's Guide* shipments will now include Intelligent Mail Package Barcodes (IMpb). Please scan these codes per standard procedure upon shipment arrival.

The cover of the *Mover's Guide* envelope now includes color-coded up/down arrows along with the in-market dates to convey its effective quarter. The corresponding color code of the up/down arrow for the January 2012 issue is **black**.

Mover's Guide Information

- Offices will receive copies of *Mover's Guide* in one or two shipments. The first shipments will arrive at the end of December. The second shipments will arrive 3 to 5 weeks later. Shipments are sent in quantities of 25, 100, and 300.
- Your facility may receive copies of *Mover's Guide* addressed to other offices. Break down each pallet in accordance with the posted plaque, check the labels, and forward the guides as appropriate.

Behind the Counter Program

Below are a few points about program compliance:

- Effective immediately, sales and service associates may no longer distribute more than three copies of *Mover's Guide* per customer. Instruct customers who need more than three copies to change their additional address(es) online at www.usps.com.
- Copies of *Mover's Guide* must be kept behind the counter. No copies of *Mover's Guide* should be placed in the inner or outer lobby or on the clerk counters. *If you have copies of the Mover's Guide in the lobby at this time, remove them and place them behind the counter.*
- Retail associates should first encourage their customers requesting change-of-address materials to go online at www.usps.com. Internet change-of-address (ICOA) transactions provide customers with the most convenient, safe, and secure way to change their address.

- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened copy of *Mover's Guide*. The envelope contains instructions and valuable offers that generate revenue for the Postal Service™. When you throw out the envelope and its contents, the Postal Service loses money.

Note: The Mover's Guide Behind the Counter Program is part of the ad-hoc section of the 2010 Retail Customer Experience Program, so it is critical that your Post Office be compliant with the program throughout the year by keeping copies of *Mover's Guide* out of Post Office lobbies.

ICOA Message Card Information

- If your Post Office has an ICOA Message Card display, *do not throw it away*. The display is required to be in the lobby and expected to have the ICOA Message Cards in it at all times. Replenishment cards and updated banners are mailed with your *Mover's Guide* shipments.
- If your Post Office does not have an ICOA Message Card display, you must call the replenishment phone number below for ICOA Message Card replenishment.
- If any Post Office runs out of ICOA Message Cards between shipments, call Imagitas at 800-816-6837 for replenishment.
- All Post Offices must have ICOA Message Cards in their lobbies for customer reference.

Inventory Management Resources: Mover's Guide and ICOA Message Card

Postmaster Relief/Leave Replacement Employment Data

Dear

I am extending to you this offer of employment with the United States Postal Service™ as a Postmaster Relief/Leave Replacement under the following terms and conditions:

- Your duties will involve transacting Postal Service™ business with the public, safeguarding Postal Service property and inventory, and other associated duties identified by the postmaster.

Up to 10 hours of training to perform the assigned duties will be provided, if necessary.

- During the training and when you are assigned to duties of a Postmaster Relief/Leave Replacement, you will be paid at the rate of \$_____ per hour, with appropriate deductions for federal and state taxes and FICA contributions. Working as a Postmaster Relief/Leave Replacement does not afford career status in the Postal Service. In addition, benefits such as participation in the federal retirement system, sick leave, and annual leave are not available.
- With the exception of days in which the postmaster cannot work due to unforeseen circumstances such as illness, the postmaster will identify in advance the days and times your services will be required. In unforeseeable situations, you will be notified as soon as possible to determine your availability for work. (In the situations in which you work 2 or more consecutive days, your employment period will coincide with the duration of the postmaster's leave. In those instances in which you work a single day, the duration of employment will be for the hours worked).

Read the Privacy Act statement on page 2 before signing this form.

Please accept this offer by signing in the designated box below, and return this form after you have completed items 1 through 5.

Establishments

1. The postmaster initiates an offer for a prospective PMR/LR by preparing and signing the offer.
2. If reemployment is being offered to a Postal Service annuitant on an emergency basis without offset of pay or annuity, contact the district office for rate of pay. Note in item 13 that applicant will be a reemployed annuitant. A reemployed annuitant PMR/LR must have a 6-day break after 180 days worked in a calendar year or 359 days, whichever comes first. The following forms, available in Handbook EL-312, *Employment and Placement*, Appendix D, must be completed for a Postal Service annuitant:
 - a. Annuitant's Dual Compensation Waiver Statement (Sample Letter D-1).
 - b. Notice to Reemployed Annuitant of Effect of Special Reemployment Status on Retirement and Insurance (Sample Letter D-2).
 - c. Notice to Office of Personnel Management of Reemployment of Annuitant (Sample Letter D-3).
3. Offers can be either mailed or extended after a personal interview.
4. Following acceptance of the offer, the postmaster must ensure that the applicant's information is correctly entered on the form in items 1 through 4c. The postmaster ascertains that the applicant has replied to the Selective Service questions in item 5.
5. Next, the postmaster completes items 6 through 13 on the form and submits it to the district office along with other appropriate forms for approval and processing.
6. The district office reviews the entire form for completeness and accuracy. The district office files the form in the employee's official personnel folder (OPF) once it is approved and processed.

Information Changes

The postmaster uses this form to process pertinent record changes. In addition to the data being changed, complete items 1 through 4c. In item 13, indicate the change being made then forward the completed form to the district office for approval and processing.

Terminations

1. The postmaster uses this form when ending PMR/LR employment.
2. The postmaster completes items 1 through 4, 6 through 8, and 11 (last day worked), then submits the completed form to the district office for processing.

New Field Finance Request Forms

In order to better facilitate the process of finance number (FN) changes from the field, the Revenue and Field Accounting (RAFA) group is updating the forms that will be submitted to Headquarters (HQ). We are not changing the process of submitting requests. (They will still be approved by the district manager and area vice president prior to sending them to HQ's mailbox "FNCM — HQ.") The forms have been updated with the correct titles and departments. All prior editions of these forms are obsolete. The form you will use for new field FN requests is PS Form 8A, *Request for a New Field Finance Number* (see pages [35–36](#)). The form you will use for changes and deletes of FNs will be PS Form 8B, *Request to Modify or Discontinue a Field Finance Number* (see page [37](#)).

These new forms are for changes to six-digit FNs and do not apply to postal retail unit changes. Those changes are still handled at the local level for now.

The process for requesting new FNs is as follows:

1. Send approved requests with justification from the district manager and signed by the area vice president to RAFA.
2. Submit all requests (Forms 8A and 8B) to the manager, RAFA at HQ via e-mail to "FNCM – HQ", unless mailing. If Accounting concurs, the requests will be forwarded to the COO for final approval.

Newly approved FNs become effective on the first day of the month, dependent upon lead-time provided. This is also conditional upon the following:

- Complete documentation is provided.
- No further feedback has been received from any other functional groups at HQ.
- Any concerns that may have been raised have been resolved.

The exact path (URL) for these forms are as follows:

- <http://blue.usps.gov/formmgmt/forms/psform8a.pdf>
- <http://blue.usps.gov/formmgmt/forms/psform8b.pdf>

We will incorporate these revisions into the new online *FNCM Field User's Guide* (tentatively named Handbook F-800), which will be available on the Postal Service™ Intranet.

Coming Soon: 2nd Ounce Free for First-Class Mail Automation and Presort Letter Mailers

The January 22, 2012, price changes will include a major new benefit for businesses and organizations sending First-Class Mail® Presort and Automation letters. As part of the new Domestic Products prices being implemented on that date, First-Class Mail Presort and Automation letters weighing up to 2 ounces will be charged the 1-ounce price.

2nd Ounce Free is one of the many ways USPS® is adding value to First-Class Mail service. Commercial mailers can use the free second ounce to enclose promotional materials, advertising, coupons, and other messages that

put them in touch with their customers and which could turn costs into potential revenues.

2nd Ounce Free is not a promotion, but a permanent price change for First-Class Mail Automation and Presort letters. An earlier initiative, the Reply Rides Free/2nd Ounce program, ended on December 31, 2011.

2012 Social Security and Medicare Tax Withholding Limits (Temporary Extension)

On December 23, 2011, President Barack Obama signed legislation extending a 2 percent payroll tax cut for employees continuing the reduction of the Social Security withholding rate from 6.2 percent to 4.2 percent of wages paid through February 29, 2012. For 2012, the maximum limit on earnings for withholding of Social Security (old-age, survivors, and disability insurance) tax is \$110,100.00, as previously announced. The maximum limit is changed from last year. With the Social Security tax rate temporarily set at 4.2 percent, the resulting maximum Social Security tax for 2012 is \$4,624.20.

There is still no limit on the amount of earnings subject to Medicare (hospital insurance) tax. The Medicare tax rate applies to all taxable wages and remains at 1.45 percent. The FICA tax rate, which is the combined Social Security

rate of 4.2 percent and the Medicare rate of 1.45 percent, will temporarily remain at 5.65 percent for 2012.

The information in the following table shows the changes in Social Security and Medicare withholding limits from 2011 to 2012. The new limits are effective January 1, 2012.

Tax	2011 Limit	2012 Limit
Social Security Gross	\$106,800.00	\$110,100.00
Social Security Liability	\$4,485.60	\$4,624.20
Medicare Gross	No Limit	No Limit
Medicare Liability	No Limit	No Limit

Form W-4 Completion for Employees Claiming Exempt Status for 2012

Internal Revenue Service (IRS) regulations permit employees who anticipate no federal tax liability for 2012 to continue to claim total exemption from federal tax withholding provided they owed no federal taxes for 2011. These regulations also require a new Form W-4, *Employee's Withholding Allowance Certificate*, be submitted every calendar year by employees claiming an exempt status. However, because of *PostalEASE*, it is no longer necessary for these employees to file a hard copy Form W-4.

Employees may meet IRS filing requirements concerning exempt Forms W-4 by either logging onto *PostalEASE* via the USPS® Intranet at <http://blue.usps.gov> or by calling *PostalEASE* toll-free at 877-477-3273, option 1. Follow the Form W-4 instructions provided by *PostalEASE*, and your form will be updated for calendar year 2012. If you need to contact the HR Shared Services Center (HRSSC) in Greensboro concerning this matter, call 877-477-3273, option 5.

Any employee currently in an exempt status who does not submit a new Form W-4 claiming a continuation of the exempt status will be converted to a taxable status, effective Pay Period (PP) 05-12. For an exempt status to remain effective into the next year, the IRS requires completion, submission, and acceptance of a new form no later than February

15. Since February 15 falls within PP 05-12, updated Form W-4 information must be entered into *PostalEASE* no later than Wednesday, **February 15, 2012**. Entry of the information by that date will ensure continuation of the exempt status for 2012.

Any employee who claimed exempt status for 2011 and doesn't submit a new Form W-4 will have federal taxes withheld at the rate normally applicable to an employee claiming "Single" with "0" allowances. Employees with an exempt status (as of PP 26-11) will receive printed messages on their earnings statement during PP 03-12 and PP 04-12 reminding them a new Form W-4 is required.

Reminders

- All administrative and managerial employees are prohibited from providing any tax advice to employees concerning the completion of Form W-4.
- Sending information concerning exempt Form W-4 to Eagan Accounting Services is no longer required.

General Questions

Imputed Income Life Insurance

- Imputed Income Life Insurance is reported in Box 12 (letter code "C"). It is the net result of the IRS computation for taxable insurance benefits less the calendar year amount the employee paid for optional insurance. (The formula is based on employee's age, salary, and life insurance coverage.) The IRS requires employers to report as income the employer cost of Group Term Life Insurance in excess of \$50,000.
- Per the Reconciliation Formula, Imputed Income Life Insurance (Box 12) is added to gross pay and is included in Box 1 (Wages, tips, other compensation).

Thrift Savings Plan (TSP)

- Employee TSP contributions including TSP Catch-up are reported in Box 12 (letter code "D").
- Per the Reconciliation Formula, TSP contributions (Box 12) are subtracted from gross pay and are not included in Box 1 (Wages, tips, other compensation).
- With the exception of New Jersey, Pennsylvania, and Puerto Rico, TSP contributions (Box 12) are not included in Box 16 (State wages, tips, etc.).
- TSP contributions (Box 12) are included in Box 18 (Local wages, tips, etc.) unless Box 20 (Locality name) shows one of the following names: New York City, NY; Kansas City, MO; St. Louis, MO; Battle Creek, MI; Detroit, MI; Flint, MI; Grand Rapids, MI; Lansing, MI; Pontiac, MI; Saginaw MI; Jefferson County, AL; or Madison County, KY.

Employee Business Expense (EBE)

Equipment maintenance allowance (EMA), carrier drive-out, vehicle hire, and supervisor vehicle usage are considered employee expenses. The nontaxable (not the total) EBE amount is reported in Box 12 (letter code "L"). If there is a taxable amount, it is reported in Box 14 (Other). Per the Reconciliation Formula, taxable vehicle (Box 14) is added to gross pay and is included in Box 1 (Wages, tips, other compensation).

Flexible Spending Account (FSA)

- Employee contributions to an FSA for dependent care are reported in Box 10 (Dependent Care Bene-

fits). Per the Reconciliation Formula, FSA contributions are subtracted from gross pay and are not included in Box 1 (Wages, tips, other compensation).

- Employee contributions to an FSA for health care are not reported separately in any box on the Form W-2. Per the Reconciliation Formula, FSA contributions are subtracted from gross pay and are not included in the gross wages reported in Box 1 (Wages, tips, other compensation). See the Pay Period 26-11 earnings statement for the total Health Care FSA amount.

Health Benefits (HB)

Employee payments for HB premiums are considered pretax unless the employee declined the pretax benefit. Employee pretax HB premium payments are no longer reported separately in any box on the Form W-2. Per the Reconciliation Formula, employee pretax HB premium payments are subtracted from gross pay and are not included in the gross wages reported in Box 1 (Wages, tips, other compensation). See the Pay Period 26-11 earnings statement for the total employee pretax HB premium payment amount.

Health Savings Accounts (HSA)

HSA contributions are reported in Box 12 (letter code "W"). Per the Reconciliation Formula, HSA contributions (Box 12) are subtracted from gross pay and are not included in the gross wages reported in Box 1 (Wages, tips, other compensation). See the Pay Period 26-11 earnings statement for the total employee contribution HSA amount.

Federal Employees Dental and Vision Insurance Program (FEDVIP)

Employee payments for FEDVIP premiums are considered pretax. Per the Reconciliation Formula, employee FEDVIP premium payments are subtracted from gross pay and are not included in the gross wages reported in Box 1 (Wages, tips, other compensation). See the Pay Period 26-11 earnings statement for the total employee FEDVIP premium payment amount.

Commuter Program

Employee contributions for the Commuter Program are considered pretax for 2011 up to the IRS \$230 monthly limit for public transportation and/or the IRS \$230 monthly limit for parking. Per the Reconciliation Formula, employee pretax commuter contributions are subtracted from gross pay and are not included in Box 1 (Wages, tips, other compensation). See the Pay Period 26-11 earnings statement for the total Commuter Program amount. Any commuting contributions elected over the IRS limits are considered post-tax.

Relocation Payments

Qualified relocation (excludable) reimbursements paid directly to an employee are reported in Box 12 (letter code

"P"). Per the Reconciliation Formula, Relocation Gross is added to gross pay while Relocation Excludable (Box 12) is subtracted from gross pay. The net difference between Relocation Gross and Relocation Excludable is included in Box 1 (Wages, tips, other compensation). See the statements issued to you by CARTUS, the relocation service for the Postal Service, if you need additional information.

Military Differential Payments

Military Differential Payments are reported in Box 14 (Other) and are included in Box 1 (Wages, tips, other compensation) as well as Box 16 (State Wages, tips, etc.) and Box 18 (Local Wages, tips, etc.). Differential payments made to an individual while on active duty for more than 30 days are not subject to Social Security and Medicare taxes. Differential payments made to an individual while on active duty for 30 days or less are subject to Social Security and Medicare taxes.

State/Territory Taxable Wages

The amount in Box 16 (State wages, tips, etc) will equal Box 1 (Wages, tips, other compensation) with the following exceptions:

- California and Wisconsin do not allow income deferral for Health Savings Accounts (HSAs).
- Mississippi does not allow income deferral for pretax commuter program public transportation and parking.
- New Jersey and Puerto Rico do not allow income deferral. Therefore, employee TSP, FSA, FEDVIP, Commuter Program pretax contributions, HB pretax contributions, and HSAs are not subtracted from state gross pay for New Jersey and Puerto Rico.
- Pennsylvania is the only state that does not require the addition of Imputed Income Life Insurance to state gross pay. Also, Pennsylvania does not allow income deferral for TSP, FSA Dependant Care, and Commuter Program pretax contributions.
- Hawaii includes Territorial COLA (TCOLA) in Box 16 (State wages, tips, etc.).

Local Taxable Wages

The following statements do not take into account taxable wage limits that exist for certain localities. For those localities, amounts in Box 18 (Local wages, tips, etc.) will not exceed local taxable wage limits.

The amount in Box 18 (Local wages, tips, etc) will equal gross pay with the following exceptions:

- Jefferson County, AL: Local taxable wages is gross pay minus TSP.
- New York City, NY; St. Louis, MO; and MI Locals (Battle Creek, Detroit, Flint, Grand Rapids, Lansing, Pontiac, and Saginaw): Local taxable wages are the

same as the federal taxable wages reported in Box 1 (Wages, tips, other compensation).

- Kansas City, MO, and Madison County, KY: Local taxable wages are federal taxable wages plus HSA.
- OH Locals (Akron, Brecksville, Brook Park, Canton, Cincinnati, Cleveland, Columbus, Dayton, Fairview Park, Heath, Kettering, Mansfield, Newark, Oberlin, Sharonville, Springfield, Toledo, Whitehall, and Youngstown): Local taxable wages are federal taxable wages plus TSP and minus Imputed Income Life Insurance.

Obtaining Duplicate Forms W-2

PostalEASE

Currently, employees may use PostalEASE "W-2 Reprint" to view and/or print Form W-2 information for the most recent Form W-2 year. Employees may also request Form W-2 information from any of the last 7 years to be reprinted on an official document. The official document is mailed to the employee making the request. The "W-2 Reprint" process is performed weekly, except during the months of March and April, when it is performed daily. During Pay Periods 01-12 to 03-12, the Form W-2 request for mailing process will not be available. The 2011 Form W-2 will not be available for reprint until early February.

In January 2012, the PostalEASE "W-2 Reprint" module will be renamed "W-2". Though the module will continue to provide employees with the ability to request mailed Form W-2 reprints for the most recent 7 years, the module's functionality will be expanded to also provide immediate official electronic prints of Forms W-2 for the most recent 7 years. In addition, the expanded functionality will allow employees to "opt out" of receiving the hard copy Form W-2.

Notice to Employee

Refund. Even if you do not have to file a tax return, you should file to get a refund if box 2 shows federal income tax withheld or if you can take the earned income credit. **Earned income credit (EIC).** You may be able to take the EIC for 2011 if (a) you do not have a qualifying child and you earned less than \$13,550 (\$19,740 if married filing jointly), (b) you have one qualifying child and you earned less than \$36,052 (\$41,132 if married filing jointly), (c) you have two qualifying children and you earned less than \$40,954 (\$46,044 if married filing jointly), or (d) you have three or more qualifying children and you earned less than \$43,998 (\$49,078 if married filing jointly). You and any qualifying children must have valid social security numbers (SSNs). You cannot take the EIC if your investment income is more than \$3,150. **Any EIC that is more than your tax liability is refunded to you, but only if you file a tax return.**

Clergy and religious workers. If you are not subject to social security and Medicare taxes, see Pub. 517, Social Security and Other Information for Members of the Clergy and Religious Workers.

Corrections. If your name, SSN, or address is incorrect, correct Copies B, C, and 2 and ask your employer to correct your employment record. Be sure to ask the employer to file Form W-2c, Corrected Wage and Tax Statement, with the Social Security Administration (SSA) to correct any name, SSN, or money amount error reported to the SSA on Form W-2. If your name and SSN are correct but are not the same as shown on your social security card, you should ask for a new card that displays your correct name at any SSA office or by calling 1-800-772-1213. You also may visit the SSA at www.socialsecurity.gov.

Cost of employer-sponsored health coverage (if such cost is provided by the employer). The reporting in Box 12, using Code DD, of the cost of employer-sponsored health coverage is for your information only. The amount reported with Code DD is not taxable.

Credit for excess taxes. If you had more than one employer in 2011 and more than \$4,435.50 in social security and/or Tier I railroad retirement (RTTA) taxes were withheld, you may be able to claim a credit for the excess against your federal income tax. If you had more than one railroad employer and more than \$3,088.80 in Tier II RTTA tax was withheld, you also may be able to claim a credit. See your Form 1040 or Form 1040A instructions and Pub. 505, Tax Withholding and Estimated Tax.

(Also see Instructions for Employee on the back of Copy C.)

Instructions for Employee (Also see Notice to Employee, on the back of Copy B.)

Box 1. Enter this amount on the wages line of your tax return.
Box 2. Enter this amount on the federal income tax withheld line of your tax return.

Box 8. This amount is not included in boxes 1, 3, 5, or 7. For information on how to report tips on your tax return, see your Form 1040 instructions.

amount reported in box 8 as allocated tips, you must file Form 4137, Social Security and Medicare Tax on Unreported Tip Income, with your income tax return to report the allocated tip amount. On Form 4137 you will figure the social security and Medicare tax owed on the allocated tips shown on your Form(s) W-2 that you must report as income and on other tips you did not report to your employer. By filing Form 4137, your social security tips will be credited to your social security record (used to figure your benefits).

Box 10. This amount is the total dependent care benefits that your employer paid to you or incurred on your behalf (including amounts from a section 125 (cafeteria) plan). Any amount over \$5,000 is also included in box 1. Complete Form 2441, Child and Dependent Care Expenses, to compute any taxable and nontaxable amounts.

Box 11. This amount is (a) reported in box 1 if it is a distribution made to you from a nonqualified deferred compensation or nongovernmental section 457(b) plan or (b) included in box 3 and/or 5 if it is a prior year deferral under a nonqualified or section 457(b) plan that became taxable for social security and Medicare taxes this year because there is no longer a substantial risk of forfeiture of your right to the deferred amount.

Box 12. The following list explains the codes shown in box 12. You may need this information to complete your tax return. Elective deferrals (codes D, E, F, and S) and designated Roth contributions (codes AA, BB, and EE) under all plans are generally limited to a total of \$16,500 (\$11,500 if you only have SIMPLE plans; \$19,500 for section 403(b) plans if you qualify for the 15-year rule explained in Pub. 571). Deferrals under code G are limited to \$16,500. Deferrals under code H are limited to \$7,000.

However, if you were at least age 50 in 2011, your employer may have allowed an additional deferral of up to \$5,500 (\$2,500 for section 401(k)(11) and 408(p) SIMPLE plans). This additional deferral amount is not subject to the overall limit on elective deferrals. For code G, the limit on elective deferrals may be higher for the last 3 years before you reach retirement age. Contact your plan administrator for more information. Amounts in excess of the overall elective deferral limit must be included in income. See the "Wages, Salaries, Tips, etc." line instructions for Form 1040.

Note. If a year follows code D through H, S, Y, AA, BB, or EE, you made a make-up pension contribution for a prior year(s) when you were in military service. To figure whether you made excess deferrals, consider these amounts for the year shown, not the current year. If no year is shown, the contributions are for the current year.

Invalid Express Mail Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate an Express Mail Corporate Account (EMCA) number online. For all other locations, online EMCA validation is preferred. The online validation process is outlined in the EMCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Express Mail® shipments bearing an invalid EMCA number in the “Payment by Account” or “Agreement Number” section of the Express Mail label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at www.usps.com/shop/accepting-money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

No Federal Employees Dental and Vision Insurance Program Premium Deduction in Pay Period 02-12

In accordance with federal regulations governing Federal Employees Dental and Vision Insurance Program (FEDVIP) enrollment, premiums are deducted for 26 pay periods and not for the entire benefit year. Therefore, employees currently enrolled in FEDVIP will not have premiums deducted in Pay Period 02-12. Premium payments for enrollments continuing in 2012 and for new open season enrollments (effective January 1, 2012) will be deducted in Pay Period 03-12.

Premium deductions for other programs such as Federal Employees Health Benefits and the Federal Long Term Care Insurance Program will not be affected because regulations require premiums deductions based on the benefit year.

Stamp Announcement 12-12: Bonsai

On January 23, 2012, in Sacramento, California, the Postal Service™ will issue a *Bonsai* stamp (Forever® priced at 45 cents), in five designs in a pressure-sensitive adhesive (PSA) double-sided booklet of 20 (Item 688000).

With these five stamps, the U.S. Postal Service® celebrates the beauty of bonsai, a horticultural art form that has become quite popular in the United States. The word “bonsai” is Japanese for “plant in a pot.” It also refers to the practice of cultivating plants — usually trees — in trays, pots, or other containers. One of the common styles of bonsai is depicted on each stamp: (1) a Sierra Juniper in semi-cascade style, (2) a Trident Maple in informal upright style, (3) a Black Pine in formal upright style, (4) an Azalea plant in multiple-trunk style, and (5) a Banyan in cascade style. John Dawson painted the stamp art. Ethel Kessler was the art director.

The stamp will go on sale nationwide January 23, 2012.

Stamp Announcement 12-18: Danny Thomas

© 2012 USPS

On February 16, 2012, in Memphis, Tennessee, the Postal Service™ will issue a *Danny Thomas* commemorative stamp (Forever® priced at 45 cents), in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 468600).

This stamp honors entertainer and humanitarian Danny Thomas (1912–1991), star of radio, film, and television. From 1953 through 1964, Thomas received five Emmy nominations for his starring role in *Make Room for Daddy*, winning in 1953 for Best Actor Starring in a Regular Series. In 1962, Thomas, a generous philanthropist, founded St. Jude Children's Research Hospital. Featuring a new portrait of Thomas by artist Tim O'Brien and depicting the hospital he founded in the background, this stamp was designed by Greg Breeding under the direction of art director William J. Gicker.

The stamp will go on sale nationwide February 16, 2012.

Distribution: Item 468600, First-Class Mail Danny Thomas Commemorative (Forever priced at 45 cents), PSA Pane of 20 Stamps

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive their standard automatic distribution quantity for a PSA pane stamp. Distributions are rounded up to the nearest master carton size of 40,000 stamps.

Initial Supply to Post Offices

SDOs/SDCs will make subsequent automatic distribution to Post Offices™ of a quantity to cover approximately 45 days of sales. Distribution quantities for the automatic distribution will be posted, by finance number and unit id, on the Asset Management SDC webpage at http://blue.usps.gov/purchase/assetmgnt/am_sdchome.htm. SDOs/SDCs must not distribute this commemorative sheet to Post Offices before January 31, 2012.

Additional Supply

Post Offices requiring additional quantities of Item 468600 must requisition them from their designated SDO/SDC after the first day of issue using PS Form 17, *Stamp Requisition/Stamp Return*.

Sales Policy

All Post Offices should maintain a sufficient inventory level of this item until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office facility, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Danny Thomas Stamp
Postmaster
555 South Third Street
Memphis, TN 38101-9998

After applying the first day of issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark. All orders must be postmarked by April 16, 2012.

Special Dedication Postmarks

Only the following pictorial postmark is permitted for the *Danny Thomas* stamp. The word "Station" or the abbreviation "STA" is required somewhere in the design, because it will be a temporary station.

Guidelines for Finalizing Danny Thomas Pictorial Postmark Art

To finalize the *Danny Thomas* stamp pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not

exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3 1/2 inches by 1.

The Postal Service must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services 4 weeks before the events using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to <http://blue.usps.gov/formmgmt/forms/ps413.pdf>.

Stamp Fulfillment Services also offers first day covers for new stamp issues and Postal Service stationery items postmarked with the official first day of issue cancellation. Each item has an individual catalog number and is offered in the quarterly *USA Philatelic Catalog*. Customers may request a free catalog by calling 800-STAMP-24 or writing to:

Pre-order 2012 Denominated Stamps Now

During 2011, all First-Class Mail® 1-ounce letter stamps were issued as Forever® stamps priced at 44 cents. Because the Forever stamps are not denominated, the stamps will be revalued at 45 cents and do not need to be replaced for the price changes effective January 22, 2012.

There was no change in the additional ounce price; therefore, 20-cent stamps do not need to be replaced. Further, all denominations needed can be achieved through combinations of stamps in current inventories.

Six types of stamps continue to be denominated, and these stamps will need to be pre-ordered for the price changes. Because the Postal Regulatory Commission issued its decision on the price changes during Thanksgiving week, availability of the new denominated stamps will not be universal as of January 22. The printers are working as quickly as possible, and many of the stamps will arrive at Stamp Distribution Centers (SDCs) by mid-January. There will be no automatic distribution of the new denominated stamps, and Post Offices™ will need to place orders to receive their stamp shipments. Pre-orders can be made now.

The six categories of denominated stamps and their earliest availability at SDCs to process are listed in the following table. In some instance, the dates will vary by SDC dependent on transportation arrangements and distances from the supplier to the servicing SDC.

Denominated Stamp Category	Date of Earliest Availability at SDCs
32-cent <i>Sailboat</i> Postal Card Stamp Item 221400: Single Stamped Card Item 224200: Double Reply Card Item 224300: Stamped Card Sheet	January 9, 2012
65-cent <i>Dogs at Work</i> Stamp (2 ounces) Item 115300	January 10, 2012
85-cent <i>Birds of Prey</i> Stamp (3 ounces) Item 115200	January 10, 2012
65-cent <i>Baltimore Checkerspot Butterfly</i> Surcharge Stamp Item 114800	January 10, 2012
\$1.05 <i>Lancaster County</i> International Rate Stamp	January 14, 2012
45-cent <i>Weather Vanes</i> Stamp Item 789000: Coil of 3,000 Item 788900: Coil of 10,000	January 14, 2012

Keep in mind that these are the earliest availability dates and national distribution will take some time. Large purchasers of stamps should be directed to the StampsNow program at 800-STAMP-24 (800-782-6724) or 816-545-1282 or by e-mailing StampsNow.info@usps.gov for additional information and expedited direct fulfillment.

Quarter 2, Fiscal Year 12 Philatelic Products for Sale in Retail

In early February 2012, participating Post Office™ locations will receive shipments of four new philatelic products to merchandise and sell during Quarter 2, Fiscal Year (FY) 12 along with other philatelic products already on display. Upon receipt, all offices must assign these products as part of their *Retail Floor Stock* in POS ONE so that the Inventory Replenishment System (IRS) can detect and monitor products as they are sold. Failure to do so will trigger unwanted product replenishment. The Standard Operating Procedures for philatelic product acceptance are posted on the Customer Services Operations and Retail website on Blue at http://blue.usps.gov/customerservicesoperationsandretail/productsandservices/consumerproducts/featured_products.shtml; click *Receiving Philatelic Product* at the bottom of the page.

The following philatelic products should be displayed on the designated *Featured Items* slatwall section in participating postal lobbies during Quarter 2, FY 12:

Initial supplies of the *2011 Stamp Yearbook and The Postal Service Guide to U.S. Stamps, 38th Edition* were shipped separately to participating offices last October. Offices that did not receive automatic shipments of the books can order them from the appropriate stamp distribution center (SDC). The yearbooks and guides should remain on display throughout FY 12.

To view the Quarter 2 planogram showing the proper placement of the philatelic products, refer to the Planograms page of the Customer Services Operations and Retail website on Blue at <http://blue.usps.gov/customer-servicesoperationsandretail/productsandservices/consumerproducts/planograms.shtml>; under "Featured Items Planograms," click Planogram 1.

The following items should be removed from display upon receipt of the new products:

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date*.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
