Cover Story

Fourth Quarter Voice of the Employee Surveys are in the Mail

Each quarter, 25% of employees are invited to participate in the Voice of the Employee (VOE) survey — the Postal Service's measure of employee engagement. Employee engagement is the degree to which employees come to work each day willing and able to use their best efforts, ideas, and abilities toward helping the Postal Service™ provide the best possible service. Engaged employees believe in what they do, exert discretionary effort, adapt well to change, and proactively address new opportunities. High levels of engagement lead to positive organizational outcomes such as customer satisfaction, productivity, safety, and retention.

Employees are most engaged when they have the right tools, information, training, and leadership to do their job. Engaged employees know how the work they do is aligned to the goals of the Postal Service, and they are enabled and

motivated to achieve results. That's why the VOE survey invites employees to give the Postal Service their opinions on topics such as communication, trust, diversity, respect, and leadership.

Participation in the VOE is voluntary and entirely confidential. Responses go directly to an independent party who tabulates the results and reports them back to the Postal Service in summary form.

If you are invited to participate in the VOE this quarter, take some time — on-the-clock — to let your voice be heard.

Publications

Publication 75, Mover's Guide, News

As of July 1, 2014, recycle any old copies of Publication 75, *Mover's Guide*. All Post Offices™ should have received the new July–September 2014 issue of Publication 75 by June 30, 2014. Similar to last quarter's shipment, the total quantity of *Mover's Guide* copies sent to your facility may have been reduced. In an effort to reduce waste and account for more customers submitting change-of-address orders online, fewer *Mover's Guide* copies are needed. There are several things you can do to conserve as well:

- Make sure customers are aware that USPS.com® is the most convenient, safe, and secure way for customers to submit a change-of-address order.
- Encourage carriers to take ICOA message cards on their routes instead of *Mover's Guide* copies.
- Give *Mover's Guide* copies out to *moving* customers only.

Important Reminders

- Copies of *Mover's Guide* must be kept behind the counter *ONLY*, not in inner or outer lobbies or on clerk counters.
- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened copy of *Mover's Guide*.
- Provide no more than three copies of *Mover's Guide* to each customer.
- *Mover's Guide* is printed and distributed four times a year.

Shipment Information and Inventory Management

Offices will continue to receive copies of *Mover's Guide* in one or two shipments. The first shipments should have

arrived by the end of June. The second shipments will arrive 3 to 5 weeks later.

- Boxes with BLUE stickers are the first shipment for this print run.
- Boxes with ORANGE stickers are the second and final shipment for this print run.

To track your office's shipment information, go to http://blue.usps.gov/purchase/operations/ops_downloads.htm and click *Mover's Guide* (Pub 75) Distribution for July–September 2014. Use the Ctrl + F Function, while the “Fedstrip” Column is highlighted, to search for your office. To request a shipment quantity change, call Imagitas at 800-816-6837.

ICOA Message Card Information

If your Post Office has an ICOA message card display, replenishment cards and updated banners will be mailed with your *Mover's Guide* shipments. DO NOT THROW AWAY THE DISPLAY OR ICOA MESSAGE CARDS. THEY DO NOT EXPIRE. The display is REQUIRED to be in the lobby and it must have the ICOA message cards in it at all times.

If any Post Office runs out of ICOA Message cards between shipments, use the website at <http://imagitas.com/contact/postal-request-form/> or call 800-816-6837 for replenishment.

National Employee Emergency Hotline Enhancements

Recent events have shown that additional measures should be put into place to provide assistance to Areas or Districts to ensure employees are safe and accounted for in emergency situations. To assist in these unique situations, there have been enhancements to the Toll-Free National Employee Emergency Hotline System.

In **specific** situations, such as an Active Shooter or extreme weather event, the Human Resources (HR) Manager or designee will instruct employees to call the Toll-

Free hotline number: 888-EMERGNC (888-363-7462), listen to the message, then press "5". The employee will be connected to a U.S. Postal Service® Call Center agent who allows them to report their status.

Procedures for Employees

The following are specific situations when the enhancement feature would be activated and includes procedures employees should follow:

<i>If the emergency situation is...</i>	<i>Then...</i>
Extreme Weather Event (e.g., Tornado, Earthquake)	1. Call the Toll-Free hotline number to check on opening status of a facility by entering the first 3 digits of the office ZIP™ Code, and confirm by entering "1". HQ employees use ZIP Code "000". 2. Enter "5" after listening to the recorded message and the employee will be connected to an agent. 3. Inform agent of the employee's safe status and provide requested contact information. 4. Call back to the hotline periodically to check for updates. Anticipated weather events: If serious weather is predicted, the call centers will be alerted and staffed in advance to receive calls. Area Vice Presidents and District Managers in consultation with Headquarters Operations, Chief Human Resources Officer, and National Preparedness Office determine whether to alert call centers in advance.
An Active Shooter	1. Leave the building (if possible). 2. Do not go to Rally Points (find a safe place). 3. Once safe, call the Employee Emergency Hotline number to provide accountability of your safety. To do this, enter the first 3 digits of the office ZIP Code, and confirm by entering "1". HQ employees use ZIP Code "000". 4. Once the recorded message starts, you may enter "5" at any time to be connected to an agent. 5. Inform agent of the employee's safe status. 6. Call back to the hotline periodically to check for updates.

As this information is gathered by HRSSC and/or the Eagan IT Corporate Help Desk, it will be given to the Area and/or District HR Manager.

Instructions for Area, District, or Headquarters' Management

Instructions on how to update the National Employee Emergency Hotline Number message are available in the

Postal Alert Notification System (PANS) at <https://pans/pans/> or through the ONP Knowledge Base/Help Desk at <http://rmdweb.usps.gov/onlinehelp/default.asp?sys=19>.

Travel Card Credit Limits Lowered to One Dollar on Infrequent Traveler's Accounts

Beginning July 14, 2014, employees that have had no travel card activity in 24 months or more will be considered an infrequent traveler. The credit limit on infrequent traveler's accounts will be lowered to one dollar. The following steps must be followed to request a credit limit increase if your credit limit is lowered to one dollar due to infrequent travel:

- Follow the existing practice in your department, area, or district for requesting authorization to travel.
- Once travel is approved, send an email to the local travel card coordinator and attach the documenta-

tion approving the travel. This should be done as soon as possible to avoid delays in making travel arrangements. See the list of travel card program coordinators below.

- The local travel card coordinator will increase the credit limit to the approved limit based on employee group type, (i.e., EAS or Craft).

Note: Travel cards will be monitored every 12 months for inactivity. Accounts that have no activity will be lowered to one dollar.

Equipment Maintenance Allowance Schedule for Rural Routes

Rural Carriers

Effective July 12, 2014 (pay period 16-14), in accordance with the provisions of Article 9, Section 2.J.3 of the Rural Carrier National Agreement, the equipment maintenance allowance (EMA) will increase from 72.0 cents per mile to 75.0 cents per mile. The EMA is 75.0 cents per mile, or a minimum of \$30.00 per day, whichever is greater.

Auxiliary Rural Carriers, Rural Carrier Reliefs, Rural Carrier Associates, Rural Carrier Part-Time Flexibles, and Auxiliary Assistance

Employees providing auxiliary assistance or serving auxiliary routes under provisions of Article 9, Section 2.J.5,

receive an EMA of 75.0 cents per mile or \$8.10 per hour, whichever is greater. This EMA should not exceed the amount provided in the special equipment maintenance allowance for the route stops and miles.

EMA Rate Schedule

The EMA rate schedule on pages [11–12](#) supersedes all previously published EMA schedules for employees receiving EMA.

BSA Updates

Printing of Money Orders

All Retail Associates and other Postal Service™ personnel who sell money orders should allow all the money orders in a transaction to finish printing, once that process has started, even if some of the money orders are incorrect. This means that if you are printing a series of money orders and you discover there is an error, do not stop the printing process and try to correct the problem. Instead, void the printed money orders that need to be corrected following standard procedures and then replace them in a new transaction.

For example, if you are printing out a series of international money orders and the system prompts you to load a domestic money order, you would then know it is likely that there was a keying error in the initial transaction. In that case, insert a domestic money order and let it print. Stopping that process in the middle can lead to erroneous or confusing transaction reports that require more work to resolve and adversely affect our BSA compliance efforts.

Note: If you discover an error and have already started to print, let all the money orders finish printing, then void out the errors and create the correct money orders in a new transaction.

Mandatory Field

The Occupation field is mandatory on PS Form 8105-A, *Funds Transaction Report*, and must be filled out whenever an 8105-A is required.

Completing PS Form 8105-A for Law Enforcement or another Government Agency

When an agent of a federal law enforcement agency or other Government Agency, such as the Postal Inspection Service, the Internal Revenue Service, or the U.S. National Park Service, purchases Postal Service money orders in an amount of \$3,000 or greater for official business, the following procedures must be followed on the 8105-A form:

- Put the Agency Name in the “LAST NAME” field and put the Agent/Government Employee Name in the “FIRST NAME” field (specifically, last name (space) first name). This is required — see example:

LAST NAME	FIRST NAME
USPS	Doe, John

- Put the agency’s Tax Identification Number (TIN) or Employer Identification Number (EIN) in the Social Security Number field on the form instead of the agent’s Social Security Number. If the agency’s TIN/EIN is not available, use the Postal Service’s TIN.
- Put the agent’s official ID number (from his/her government ID) in the “Other ID No.” field on the form.
- Put the agency name in the “Type of Other ID” field on the form.
- Put the agent’s Date of Birth in the Date of Birth Field. This is required.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Information Security

Fortifying Standards — Credit Card Security Training Available

The Postal Service™ is offering training on Payment Card Industry (PCI) data security standards for employees who handle credit card transactions (see article at <https://liteblue.usps.gov/news/link/2013/05may/news02s3.htm>).

The following required annual courses are available in the Learning Management System:

- PCI Protecting Payment Cardholder Data: Everyone's Responsibility, course 10022027.

- PCI Protecting Payment Card Information: Back Office Training, course 10023203.
- PCI OWASP Top 10, course 10021914 (for developers only).
- PCI Administrator Security Awareness Training, course 10023202 (for database, system, and network administrators).

The PCI standards, which aim to protect customer credit card information, apply to organizations that store, process, or transmit cardholder data. The Postal Service processes more than 1 million card payment transactions per day.

Compliance with these standards improves the Postal Service's ability to avoid credit data security breaches, strengthens its reputation as a safe merchant, and helps meet DRIVE business goals.

"Creating a safer PCI-compliant transactional environment builds customer trust, and trust means more business for the Postal Service," said Jeffrey Merritt, program manager, Information Technology.

Consult your local training administrator for further details or send an email to PCI.PMO@usps.gov.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in *italics* under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their can-

celed items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Stamp Announcement 14-34: Farmers Markets Stamps

© 2014 USPS

On August 7, 2014, in Washington, DC, at The White House Farmers Market, the U.S. Postal Service® will issue *Farmers Markets* (Forever® First-Class Mail priced at 49-cents), in four designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 472500).

The stamps will go on sale nationwide August 7, 2014.

The U.S. Postal Service celebrates the abundance and bounty of America's farmers markets with four colorful set-tenant stamps depicting a table laden with products found at a typical farmers market. The stamp on the far left has, among its products, various baked goods, artisan cheeses, and eggs. The produce on the second stamp includes vegetables and fruits. Cut flowers adorn the third stamp. The stamp on the far right features live plants. Most items bear handwritten labels that identify the product and its price. Text on the back of the pane of 20 stamps describes the appeal of *Farmers Markets*. Art director Greg Breeding designed the stamps, which were illustrated by Robin Moline.

Distribution: Item 472500, 49-cent Forever, Farmers Markets PSA Pane of 20 Stamps

The Binghamton, Dulles, and Kansas City Stamp Distribution Centers (SDCs) will receive an automatic distribution quantity for a PSA pane of 20 stamps. Distributions are rounded up to the nearest master carton size of 40,000 stamps.

Initial Supply to Post Offices

Stamp Fulfillment Services will make a subsequent automatic push distribution to Post Offices™ of a quantity to cover approximately 30 days of sales. Distribution quantities for the automatic push distribution will be posted, by finance number and unit ID, on the AssetManagement SDC

webpage at http://blue.usps.gov/purchase/assetmgnt/am_sdchome.htm. Post Offices may preorder these stamps prior to FDOI through the eBuy2 SEAM Catalog. However, offices should check the website noted above to determine the amount they will receive on their automatic push distribution.

How to Order the First-Day-of-Issue Postmark

Customers have 60 days to obtain the first-day-of-issue postmark by mail. They may purchase new stamps at their local Post Office, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Farmers Markets
Special Events
PO Box 92282
Washington, DC 20090-2282

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark up to a quantity of 50. For more than 50, customers have to pay five cents each. All orders must be postmarked by October 6, 2014.

How to Order First-Day Covers

The Postal Service also offers first-day covers for new stamp issues and Postal Service stationery items postmarked with the official first-day-of-issue cancellation.
