2014 Mailing Promotions: Opening the Door to Innovation and Technology

Think of it as mail with some extra “oomph.”

Through its 2014 mailing promotions, the Postal Service™ encourages mailers to try new things to increase the value of transactional and direct mail, and keep using mail as part of their multi-channel marketing mix. This summer and fall, the focus is on showing mailers and marketers how they can continue to use mail to engage their customers by using mobile technology and dynamic color print.

Three promotions in the coming months will encourage mailers to try such technologies as near field communication and augmented reality, to use color print on their bills and statements, and to use direct mail to drive mobile purchases.

Here’s a rundown of upcoming mailing promotions:

ELM Revision: Reductions in Grade

Effective August 7, 2014, the Postal Service™ is revising the *Employee and Labor Relations Manual (ELM)*, subchapter 420, Wage Administration Policy for Bargaining Unit Employees, sections 422.225 (City Carriers) and 422.325 (Mail Handlers), Reductions in Grade. This policy change applies to the step and next step date to be assigned to bargaining unit employees when they receive a reduction in grade into or within the city carrier rate schedule (RSC Q) or the mail handler rate schedule (RSC M). The reductions in grade include voluntary changes to a lower level, management-initiated changes to a lower level, and demotions.

Current policy determines the step and next step date for bargaining unit reductions in grade by “slotting” the existing salary to the new lower grade with creditable service toward the next step date unless 1) the employee receives an increase of at least one most prevalent step or 2) if the waiting period time already served equals or exceeds that required to advance to the next step. When a promotion is followed by a reduction in grade, some employees may reach top step in their lower grade at a later date than had they remained in that lower grade.

This revision will determine step and next step date as if service had been uninterrupted in the previously held lower grade. For a grade not previously held, the step and next date will be determined as if all career Postal Service had been in the lower grade. This revision, along with compliance with the repromotion rule as stipulated in ELM 422.123a(4), will ensure that bargaining unit employees spend the contractually required number of weeks in advancing to the top step and that they do not receive a penalty for a delay in achieving top step. With implementation of this revision, employees in the same rate schedule and grade with similar tenure will be in the same step.

422.225 Reductions in Grade*[Revise the text of 422.225 to read as follows:]*

The following provisions apply.

a. *General.* Reductions in grade include:

- (1) Voluntary changes to a lower level;
- (2) Management-initiated changes to a lower level; and
- (3) Demotions.

b. *Step and Next Step Date Assignment for Bargaining Unit to Bargaining Unit Reductions in Grade Within or Into the City Carrier Rate Schedule (RSC Q).* Assignments are made as follows:

- (1) *To Former Lower Grade.* The employee is assigned to the step and next step date as if service had been uninterrupted in the lower grade since the last time held.
- (2) *To New Lower Grade.* The employee is assigned to the step and next step date in the lower grade as if all career Postal Service had been in the lower grade.

c. *Step and Next Step Date Assignment for Nonbargaining Unit to Bargaining Unit Reductions in Grade.* For all nonbargaining reductions in grade to the Rural Carrier schedule, consult 422.423 and 422.424 to determine the proper step and next step date. For all other nonbargaining-to-bargaining reductions in grade, determine the employee's salary, step, and next step date as if the service had continued uninterrupted from the level/step in effect at the time of the nonbargaining promotion.

- (1) For reductions in grade to the same Rate Schedule occupied immediately before a promotion to a nonbargaining position, the following provisions apply:
 - (a) When an employee returns to the same level as that occupied immediately before the nonbargaining promotion, assign the salary, step, and next step date as if the service had continued

uninterrupted from the level/step in effect at the time of the nonbargaining promotion.

- (b) When an employee changes to a higher level than that occupied immediately before the nonbargaining promotion, apply the promotion rules for the appropriate salary schedule in 422 to determine the employee's new salary, step, and next step date.

- (c) When an employee changes to a lower level than that occupied immediately before the nonbargaining promotion, apply the reduction in grade rules in 422.125b to determine the employee's new salary, step, and next step date.

- (2) For reductions in grade to a different Rate Schedule occupied immediately before a promotion to a nonbargaining position, use the Equivalent Grades chart (Exhibit 418.1) and apply the appropriate rule as follows:

- (a) When an employee changes to an equivalent level, apply the reassignment rules in 422.124c to determine the employee's new salary, step, and next step date.

- (b) When an employee changes to a higher level, apply the promotion rules for the appropriate salary schedule in 422 to determine the employee's new salary, step, and next step date.

- (c) When an employee changes to a lower level, follow the reduction in grade rules in 422.125b to determine the employee's new salary, step, and next step date.

- (3) For reductions in grade when there is no prior bargaining unit service, the employee is assigned to the step and next step date in the lower grade as if all career Postal Service had been in the lower grade.

d. *Rate Retention.* Rate retention provisions do not apply to changes to a lower grade that are voluntary or disciplinary. However, they do apply in nondisciplinary management reductions, as follows (also see 421.511 and 421.512 for application):

- (1) *Protected Rate.* The employee continues to receive the wage he or she received in the higher grade for 2 calendar years (a) if the grade of the position is reduced due to a management action such as a change in job ranking criteria that affects the grade of only one position and (b) if the employee occupied the position at the higher

grade for 2 consecutive years before the effective date of the reduction. (See also 421.51.)

(2) *Saved Rate*. For saved rate:

(a) An employee has a saved rate resulting in a red-circle amount if the grade of his or her position is reduced due to a management action such as a change in job ranking criteria that affects the grade of more than one position under the same job description.

(b) If an employee who receives a red-circle amount is subsequently promoted and later returned to the former position through no fault of his or her own, the red-circle amount is restored. (See also 421.52.)

(3) *Saved Grade*. A bargaining unit employee is entitled to saved grade if he or she is assigned to a lower grade position because of a management action that eliminates the position (e.g., job elimination due to technological and mechanization changes). (See also 421.53.)

- (1) Voluntary changes to a lower level;
- (2) Management-initiated changes to a lower level; and
- (3) Demotions.

b. *Step and Next Step Date Assignment for Bargaining Unit to Bargaining Unit Reductions in Grade Within or Into the Mail Handler Rate Schedule (RSC M)*. Assignments are made as follows:

- (1) *To Former Lower Grade*. The employee is assigned to the step and next step date as if service had been uninterrupted in the lower grade since the last time held.
- (2) *To New Lower Grade*. The employee is assigned to the step and next step date in the lower grade as if all career Postal Service had been in the lower grade.

(c) When an employee changes to a lower level than that occupied immediately before the nonbargaining promotion, apply the reduction in grade rules in 422.125b to determine the employee's new salary, step, and next step date.

(2) For reductions in grade to a different Rate Schedule occupied immediately before a promotion to a nonbargaining position, use the Equivalent Grades chart (Exhibit 418.1) and apply the appropriate rule as follows:

(a) When an employee changes to an equivalent level, apply the reassignment rules in 422.124c to determine the employee's new salary, step, and next step date.

(b) When an employee changes to a higher level, apply the promotion rules for the appropriate salary schedule in 422 to determine the employee's new salary, step, and next step date.

(c) When an employee changes to a lower level, follow the reduction in grade rules in 422.125b to determine the employee's new salary, step, and next step date.

(3) For reductions in grade when there is no prior bargaining unit service, the employee is assigned to the step and next step date in the lower grade as

Handbook EL-312 Revision: Assignment, Reassignment, and Promotion

Effective August 7, 2014, the Postal Service™ is revising Handbook EL-312, *Employment and Placement*, section 716.14 to align the policies and guidelines for temporary assignments with those contained in Handbook F-15, *Travel and Relocation*:

- 716.142 is revised with minor editorial changes and to state the information that must be included in a request for approval for an extended duty assignment or detail requiring extended travel away from the employee's permanent duty station.
- 716.143 is revised with minor editorial changes and a new reference to 716.142 when the temporary position or detail also involves travel away from the employee's permanent duty station, and 716.144 and 743.16 when the higher-level temporary assignment is to a vacant position.
- 716.144 is revised with minor editorial changes.
- 716.45 is revised with minor editorial changes.

7 Assignment, Reassignment, and Promotion

71 Introduction

* * * * *

716 Positions Filled Temporarily

* * * * *

716.14 Temporary Assignment to Higher Level — Nonbargaining

716.141 Necessity

[Revise the text of 716.141 to read as follows:]

No one may be temporarily assigned to a higher-level non-bargaining position unless such an assignment is absolutely essential to the effective operations of the Postal Service, and the person selected assumes the full core responsibilities of the higher-level position.

Approval is required (see Exhibit 716.12 and sections 716.143 to 716.145).

716.142 Higher Management Level Approval for Assignments of More Than 30 Calendar Days

[Revise the text of 716.142 to read as follows:]

When a temporary assignment or detail requiring travel and related expenses, or higher-level pay, is expected to last

longer than 30 calendar days, the manager of the position must obtain approval from the next higher-level manager (unless a PCES manager originally approved the detail assignment). The request for approval for an extended duty assignment or detail requiring extended travel away from the employee's permanent duty station must include the following information:

- a. Purpose of the assignment or detail;
- b. Cost;
- c. Benefit(s) expected;
- d. Consideration of alternatives; and
- e. Value to the Postal Service.

See also Handbook F-15 sections 2-2.1.2 and 4-1.2.1.

716.143 Higher Level Assignments Limited to 90 Calendar Days Unless Extended

[Revise the text of 716.143 to read as follows:]

Temporary assignment to a higher-level position, during the absence of the incumbent, is limited to a maximum period of 90 calendar days. The period may be extended with advance approval of the next higher level of management above the detailed position. **Exception:** If a PCES manager originally approved the detail assignment, then approval of the extension is not required.

See 716.142 for requirements when the temporary position or detail to a higher-level position also involves travel away from the employee's permanent duty station. See 716.144 and 743.16 when the higher-level temporary assignment is to a vacant position.

716.144 120-Day Time Limit

[Revise the text of 716.144 to read as follows:]

Temporary assignment to a higher-level vacant position, *pending selection of a person for permanent placement*, is limited to a total of not more than 120 calendar days. If the employee on temporary assignment could become or is a potential candidate for the vacant position, the higher-grade assignment must be terminated before the 121st day. If the employee is not a candidate, the next higher-level manager over the manager with the vacancy may approve an extension of that employee's temporary assignment beyond 120 days until a selection is made and the new employee assumes the position. **Exception:** If a PCES manager originally approved the detail assignment, then approval of the extension is not required. See 743.16, Exceptions to the 120-Day Limit, for exceptions.

716.145 Temporary Assignments Exceeding 1 Year

[Revise the text of 716.145 to read as follows:]

Temporary assignments exceeding 1 year, including those that involve travel and associated expenses, require advance approval in writing from the Area Vice President (for detail to a field position) or the functional officer (for detail to a Headquarters position). There must be a critical need to extend a temporary assignment beyond 1 year. The approving manager will notify the vice president, Controller, of the approval to ensure travel reimbursements are handled as required by law. See Handbook F-15, section 2-2.1.2, for approval requirements, notification requirements, and tax consequences of detail assignments exceeding 1 year.

333.2 Preservation of New Deal Art Collection

[Revise the text of 333.2 to read as follows:]

It is the policy of the Postal Service to preserve, protect, and maintain the New Deal Art Collection, defined as the Postal Service-owned murals and sculptures commissioned specifically for Postal Service facilities from 1934 to 1944 under the Treasury Department Section of Painting and Sculpture, Section of Fine Arts; and the Treasury Relief Art Project (TRAP). The New Deal Art Collection excludes, for example, artworks commissioned for Postal Service facilities outside of the 1934 to 1944 time period or outside

of these programs regardless of time period, architectural elements, decorative elements such as unique fixtures and furnishings, and stamp art.

No New Deal Art Collection artwork may be removed, sold, lent, or otherwise disposed of without the Federal Preservation Officer's (FPO) written approval. It is the intention of the Postal Service that New Deal Art Collection artwork will remain the property of the Postal Service. When the Postal Service anticipates transferring ownership of a Postal Service building containing New Deal Art Collection artwork, the FPO will take steps the FPO deems appropriate to safeguard such artwork. The FPO may relocate such artwork to another Postal Service facility, may leave such artwork in place under a loan arrangement with the new building owner, may relocate such artwork to a non-Postal location under a loan agreement with a governmental or private museum, library, arts center, historical society, or similar non-profit organization, or may take such other steps as the FPO deems appropriate. The FPO, in consultation with the Law Department, will determine the terms of each loan agreement for New Deal Art Collection artwork. When the Postal Service loans or relocates New Deal Art Collection artwork, the FPO may notify the senior curator at the National Museum of American Art when the FPO determines such notice is appropriate. The FPO will undertake such steps as the FPO deems appropriate to maintain, repair, and restore New Deal Art Collection artwork, subject to standard Postal Service processes for project funding and contracting for services. The FPO may seek advice from the Smithsonian Institution regarding repairs, restorations, or other matters. The FPO may designate another Postal Service employee, from time to time, to execute the actions approved by the FPO.

Forms

PS Form 3533, Application for Refund of Fees, Products, and Withdrawal of Customer Accounts

Effective August 7, 2014, the prices are changing for Part 3 — *Postage Affixed on BRM or Meter Strips (excluding PC Postage)* of PS Form 3533. Charges for postage affixed on BRM or meter stamps will now be assessed at 10 percent of the face value of the indicia if the total is \$500 or less. This is a change from \$350 or less. If the total face value is more than \$500, a charge of \$50 per hour is assessed for the actual hours to process postage affixed on BRM pieces or meter stamps refunds; the minimum charge is \$50. This is a change from \$35 per hour. The use of older versions of PS Form 3533 is to be discontinued since they do not reflect the new prices.

The revised form is available on the Postal Service PolicyNet website:

- Go to <http://blue.usps.gov>.
- Under “Essential Links” in the left-hand column, click *PolicyNet*.
- Click *Forms*.

Labeling List Changes

Effective September 1, 2014, the Postal Service™ will revise Labeling List(s) L001, L006, L007, L012, and L606 of the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to reflect changes in mail processing operations. Mailers are encouraged to label according to these revised lists for mailings that are inducted on or after the September 1, 2014 effective date. Please note that the formatting of changes listed below for L006, L007, and L012 has changed from the previous versions. All of the tables now show each ZIP™ Code listed individually in the first column. For label changes, the ZIP column will be followed by the change from/change to label names and an indicator as to whether or not that ZIP is being added to a new label or moved to another existing label. For adds and deletes, the new/old Column B label name will be listed for each ZIP.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Note: Mail order catalogs are prohibited as SAM or PAL mail.

A. Securities, currency, or precious metals in their raw, unmanufactured state are prohibited. Official shipments are exempt from this restriction.

A1. Mail addressed to "Any Servicemember," or similar wording such as "Any Soldier," "Sailor," "Airman," or "Marine"; "Military Mail"; etc., is prohibited. Mail must be addressed to an individual or job title such as "Commander," "Commanding Officer," etc.

A2. APO/FPO/DPO addresses shall not include a city and/or country name.

B. Regardless of mail class, a customs declaration (PS Form 2976 or, if the customer prefers, PS Form 2976-A) is required for all items weighing 16 ounces or more or any item (regardless of weight) containing potentially dutiable mail contents (e.g., merchandise or goods) addressed to or from an APO, FPO, or DPO ZIP Code. No customs form is required for items weighing less than 16 ounces when the contents are not potentially dutiable (e.g., documents). The surface area of the address side of the mailpiece must be large enough to contain the applicable customs declaration. The following exceptions apply:

- Known mailers are exempt from providing customs documentation on non-dutiable letters or printed matter. (A known mailer is a business mailer who enters volume mailings through a business mail entry unit (BMEU) or other bulk mail acceptance location, pays postage through an advance deposit account, uses a permit imprint for postage payment, and submits a completed postage statement at the time of entry that certifies that the mailpieces contain no dangerous materials that are prohibited by postal regulations.)
- All federal, state, and local government agencies whose mailings are regarded as "Official Mail" are exempt from providing customs documentation on any item addressed to an APO, FPO, or DPO except for those APOs/FPOs/DPOs to which restriction "B2" applies.
- Prepaid mail from military contractors is exempt, providing the mailpiece is endorsed "Contents for Official Use — Exempt from Customs Requirements."

B2. All federal, state, and local government agencies must complete customs documentation when sending potentially dutiable mail addressed to or from this APO, FPO, or DPO.

C. Cigarettes and other tobacco products are prohibited.

C1. Obscene articles, prints, paintings, cards, films, videotapes, etc., and horror comics and matrices are prohibited.

D. Coffee is prohibited.

E. Medicines (prescription, over-the-counter, vitamins, and supplements) are prohibited when mailed to individuals for human or animal use. This prohibition does not apply when medicines are sent as official mail only between specifically designated agencies such as pharmaceutical distributors, hospitals, clinics, and pharmacies.

E1. Medicines or vaccines not conforming to French laws are prohibited.

E2. Any matter depicting nude or seminude persons, pornographic or sexual items, or nonauthorized political materials is prohibited. Although religious materials contrary to the Islamic faith are prohibited in bulk quantities, items for the personal use of the addressee are permissible.

E3. Radio transceivers, cordless telephones, global positioning systems, scanners, base stations, and handheld transmitters are prohibited.

F. Firearms of any type are prohibited in all classes of mail. See definitions of firearms in DMM 601.12.1.1. This restriction does not apply to firearms mailed to or by official U.S. government agencies. The restriction for mail to this APO/FPO/DPO ZIP Code does not apply to firearms mailed from this APO/FPO/DPO ZIP Code, provided ATF and USPS regulations are met. Antique firearms are a separate category defined in DMM 601.12.1.1h and ATF regulations; they do not require an ATF form.

F1. Privately owned weapons addressed to an individual are prohibited in any class of mail.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Federal Agency Stamp Orders

Effective August 1, 2014, federal agencies using the Official Mail Accounting System (OMAS) will now order stamps through our Stamp Fulfillment Services (SFS) group in Kansas City. The revised PS Form 17-G, *Official Mail Stamp Requisition*, has a new fax number and new email addresses for placing orders and contacting customer service. Federal agencies must obtain approval from their agency mail manager before placing an order for stamps. Orders processed using PS Form 17-G will be reflected on the agency's monthly OMAS report.

For any questions about additional denominated stamps not included on PS Form 17-G, please contact the Kansas City SFS at OMAS.stamp.info@usps.gov. For general OMAS questions, please email OMASHQ@usps.gov.

Revised PS Form 17-G is available on the Postal Service PolicyNet website:

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in *italics* under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmarks have been extended for 30 days:

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
