Cover Story

A U.S. Passport is Your Key to International Travel

The Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States. They provide proof of U.S. citizenship at home and around the world.

What is a U.S. Passport Book and Passport Card?

A passport, book, or card is proof of identity and U.S. citizenship. The passport book can be used for all international travel: air, land, or sea. The passport card can be used to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, at land border crossings or sea ports-of-entry. It cannot be used for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a passport book, passport card, or both, submitting your passport application is easy. The U.S. Postal Service® makes it convenient to apply for your passport. Visit travel.state.gov or contact the National Passport Information Center (NPIC) at 877-487-2778 or TDD/TTY 888-874-7793 for more information on how to apply for a passport. Visit usps.com/passport to locate a Post Office™ near you that offers passport services.

Passport and International Travel Tips:

- Apply as early as possible before a trip.
- Check the expiration date of your passport well in advance of your departure date. Some countries may not permit you to enter if your passport will expire in six months or less.
- U.S. passports are issued to adults for 10 years and children under the age of 16 for five years.
- Passport forms can be filled out online and printed from travel.state.gov or obtained at your local Passport Application Acceptance Facility.
- Before traveling abroad, copy the identification page in case your passport is lost or stolen. If your passport is lost or stolen abroad, report the loss immediately to local police authorities and the nearest U.S. embassy or consulate.
- Visit the Country Information pages on travel.state.gov to learn about the countries in which you are traveling.
- Register for the Smart Traveler Enrollment Program (STEP) at step.state.gov. When you sign up, you will automatically receive the most current information the State Department compiles about the country where you will be traveling or living. You will also receive updates, including Travel Warnings and Travel Alerts (where appropriate).

DMM Clarification: Freely Associated States Pricing

Effective April 26, 2015, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) section 608.2.0, *Domestic Mail*, to provide a clarification on the pricing of mail originating in the Freely Associated States (Republic of the Marshall Islands, Federated States of Micronesia, and Republic of Palau).

DMM 608.2.0, *Domestic Mail*, states that mail originating in the Freely Associated States for delivery within, among, and between the Freely Associated States and the United States of America, its territories and possessions, APOs, FPOs, DPOs, and the United Nations, NY, is treated as if it were domestic mail for classification purposes. However, pricing on items originating in the Freely Associated States is subject to an amount established in the Compacts of Free Association between the U.S. Government and each of the Freely Associated State's governments.

Therefore, the Postal Service will revise DMM 608.2.0, to clarify that items originating in the Freely Associated States are subject to prices established as part of the agreements between the U.S. Government and each Freely Associated State's government, and to advise customers to contact the applicable postal operator for information on products and pricing of items originating in the Freely Associated States.

Product offerings and pricing for mail originating in any of the Freely Associated States is subject to terms established in the Compact of Free Association between the U.S. Government and each of the Governments of the Freely Associated States. For information on products and pricing of items originating in the Freely Associated States, customers should contact the applicable country's postal operator. DMM Revision: Updated Restrictions — Freely Associated States (FAS)

Effective April 26, 2015, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) sections 503.1 and 608.2 to clarify the references to restrictions for Freely Associated States.

On March 19, 2015, the mailing restrictions for Freely Associated States were listed in the Pull-Out section of *Postal Bulletin* issue 22411; this information will be updated

periodically. Mail addressed to Freely Associated States is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The FAS table outlines the conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes. The Postal Service expects mailers to find this information helpful as they prepare shipments to these locations.

Although this enhancement will not be published in the DMM until April 26, 2015, these standards may be followed immediately.

DMM Revision: Premium Forwarding Service Commercial

Effective April 26, 2015, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)* section 507.3.0 to update the online payment option for Premium Forwarding Service Commercial® (PFS Commercial™) service.

The Postal Service provided advance notice of the redesign of commercial reshipment services and an introduction to PFS Commercial in *Federal Register* Docket No: 2013-27728 (available at www.gpo.gov) with a subsequent phased approach as new features could be made available. The initial phase was implemented January 23, 2014, [*Postal Bulletin* issue 22381], followed by a second payment phase implemented September 7, 2014, [FR Doc No: 2014-17138], which activated the enrollment and postage and fee payments for PFS Commercial for customers desiring shipments sent by Priority Mail Express™ through the Business Customer Gateway. This article

serves to implement an additional payment phase for customers using a *PostalOne!*® permit account for Priority Mail® shipments, to now enroll and pay applicable postage online. As a result, these customers will no longer be required to request these services in writing to the Postmaster. Except for customers using USPS® Corporate Accounts (USPSCAs) for Priority Mail Express shipments established through their local Postmaster, all new and existing PFS Commercial customers can enroll and renew online through the Business Customer Gateway at <https://gateway.usps.com/eAdmin/view/signin>.

Although this enhancement will not be published in the DMM until April 26, 2015, these standards are effective immediately.

3.3 Premium Forwarding Service Commercial

3.3.1 Description

[Revise the text of 3.3.1 to read as follows:]

Premium Forwarding Service Commercial (PFS Commercial) provides business commercial customers the option to have USPS gather their mail addressed to business PO Boxes (including Caller Service) or business street addresses within the same servicing postal facility, and dispatch the mail as Priority Mail Express or Priority Mail shipments to a new address in bulk. Customers must establish a service agreement with the USPS and pay an annual enrollment fee and the applicable postage for the class of mail desired for the shipments. See Notice 123 — *Price List*.

3.3.2 Authorization

[Revise the text of 3.3.2 to read as follows:]

Commercial customers may establish PFS Commercial service through the Business Customer Gateway for shipments selected, as desired, as Priority Mail Express or Priority Mail. Requests must specify the business PO Boxes (or Caller Service) or business street delivery addresses, destination address, frequency (Monday through Saturday), and the postage payment method (see 3.3.3b). For customers using Priority Mail Express and paying postage through a USPSCA (corporate account), the enrollment request may be made in writing to the Postmaster at the origin Post Office. Service is activated upon approval by the Postmaster for the origin office.

3.3.3 Additional Conditions

[Revise the text of 3.3.3 to read as follows:]

Only the authorized recipient (or legal agent) of the business' (or organization's) mail may activate the request for PFS Commercial service. PFS Commercial service agreements are subject to these additional standards:

- a. Customers must pay an annual enrollment fee to establish service, regardless of the number of individual business PO Boxes, Caller Service numbers, or business street delivery addresses included for

each servicing Post Office. The enrollment fee is refundable only if the request is denied.

- b. For requests made in writing to the origin Post Office, the annual enrollment fee may be paid at a retail Post Office location, station, or branch; the applicable Priority Mail Express postage for each shipment container is paid using the customer's USPSCA. For requests made through the Business Customer Gateway, the annual enrollment fee and applicable Priority Mail Express or Priority Mail postage for each shipment container is paid using an eVS account linked to the Centralized Account Processing System (CAPS).
- c. Regardless of payment method chosen, the postage is charged per shipment container as follows:
 1. A sack or tray box and its contents are considered one piece for calculation of the price of postage and must not exceed 70 pounds. Postage is calculated by the weight of the container and the zone, based on the ZIP Code of the servicing Post Office and the delivery address for the shipment, minus the tare weight.
 2. A Flat Rate envelope and its contents are considered one piece for the applicable Flat Rate price.
- d. If no mail is collected for a shipment on a designated frequency day, no postage is charged.
- e. Except under 3.3.3g, the following products may be included in a PFS Commercial service container: Priority Mail, First-Class Mail, and First-Class Package Service pieces.
- f. The mailer must keep a postage-due merchandise return service (MRS) account or business reply mail (BRM) account at the originating postal facility where the PO Box or business street address is located. Any short paid, MRS, or BRM pieces will be charged to the mailer's account prior to shipment. The customer's application must include confirmation that such an account exists.
- g. Priority Mail Express, or mailpieces with USPS Tracking, Certified Mail, COD, insurance, Signature Confirmation, or Adult Signature are shipped to the destination delivery office Postmaster separately, for proper handling.
- h. Registered Mail is not eligible for PFS Commercial service.
- i. Business customers may terminate their PFS Commercial service agreement, effective 24 hours after the USPS receives the customer's written notice of termination at the serving Post Office or through the Business Customer Gateway. The customer must pay all postage and fees as applicable for any shipments already scheduled before termination of service is made effective.

- j. USPS may terminate a customer's PFS Commercial service agreement, effective 24 hours after the customer receives written notice of termination from the serving Post Office. Termination is based upon the customer's failure to pay postage and fees, failure to meet the standards for PFS Commercial service, or when there is substantial reason to believe that the service is being or will be used for unlawful activities (in these cases, less than the 24-hour effective period may be granted by USPS). The customer may appeal this termination of services to the manager, Post Of-

fice Operations, but must pay for all postage and fees as applicable for any service provided during the appeal period.

 - (1) Job applicants not hired by the Postal Service must immediately make reasonable efforts to obtain other employment.

[Revise the text of 365.371 to read as follows:]

Separation due to ineligibility for reemployment under the Uniformed Services Employment and Reemployment Rights Act (USERRA). This action occurs when the Postal Service determines that an employee who is performing or

IMM Revision: Replacing Click-N-Ship for Business with a USPS Meter Label Solution

Effective April 26, 2015, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, International Mail Manual* (IMM®) in multiple places throughout to remove references to the Click-N-Ship for Business™ application. This application is being replaced by a USPS® meter label solution that will inherit most of the current capabilities and features of the Click-N-Ship for Business application, but will no longer support creating labels unless an approved meter, permit, and/or eVS account payment method has been identified.

Additionally, items paid with the USPS meter label solution will be eligible for Commercial Base™ and Commercial Plus® pricing, and we are incorporating this information in the IMM revisions.

584.51 PS Form 1750 as a Performance Report

PS Form 1750, *Employee Evaluation and/or Probationary Report*, establishes benchmarks for satisfactory work performance.

- For noncareer employees, the form serves as an evaluation report to make the appropriate rehire decisions, to facilitate coaching and counseling, and to provide assistance to employees needing guidance.
- For career employees, the form serves as a probationary report that clearly outlines expectations for the probationary period, including the factors to be evaluated.

During the employee's first week at the work site, the immediate supervisor must hold an initial discussion to clearly outline performance expectations for the evaluation

or probationary period, including the factors to be evaluated and examples of satisfactory performance.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

UNITED STATES POSTAL SERVICE DIVERSITY AND INCLUSION STATEMENT

It is the policy of the U.S. Postal Service to promote the diversity and inclusion of our employees, the customers we serve, and the suppliers we do business with so that we might achieve a competitive advantage in the global marketplace.

Diversity and Inclusion in the Postal Service means that we will build an inclusive environment that respects the uniqueness of every individual and encourages the contributions of people from different backgrounds, experiences, and perspectives.

Diversity and Inclusion is key to our corporate success because it affects every aspect of the organization—employees, customers, and the business. Our investment in a strong diversity program creates a positive work environment that recognizes the contributions of all our employees, and it provides us with a strategic advantage.

The Postal Service will focus on diversity and inclusion in the recruitment, development, and retention of employees. When developing succession plans and making promotions, the Postal Service will strongly support diversity, thereby creating an even playing field for all employees. To ensure that the Postal Service meets the needs of the diverse communities it serves, it will eliminate barriers and create products and services designed to increase customer satisfaction, ease-of-use, and revenue. The Postal Service will ensure that all qualified suppliers have the opportunity to compete for its contracts that are competitively awarded, and we will require that our local purchasing policies support local business communities and encourage economic development of diverse groups.

All employees share the responsibility for achieving diversity goals. For diversity and inclusion to be successfully integrated into the Postal Service, diversity and inclusion initiatives must continue to be guided by leadership's full commitment. All executives, managers, and supervisors are responsible and accountable for managing and integrating diversity and inclusion into the business management processes.

To build mutual respect into all of our relationships, employees at all levels must value the differences and cultures of others. This will require mutual adjustment and understanding. These actions are critical to diversity and inclusion becoming an integral part of the organization; not only do they benefit each employee, they also enhance our standing in the national and global marketplaces.

By valuing diversity and inclusion, the Postal Service will achieve maximum corporate success and positive recognition as a world-class business leader. Stamp Announcement 15-20: Missing Children Stamp

On May 18, 2015, in Anaheim, CA, the U.S. Postal Service® will issue the *Missing Children* First-Class Mail® Forever® stamp, in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 473100).

The stamp will go on sale nationwide May 18, 2015.

Affirming its long-standing commitment to help find missing children, the U.S. Postal Service® issues this new stamp to make the public more aware of the ways they can assist — and to offer hope to families as they continue their search. The stamp features a photograph by Harald Biebel showing a small bunch of purple forget-me-nots alongside a single flower. Text at the top of the stamp reads “FORGET-ME-NOT.” Text along the bottom of the stamp reads “HELP FIND MISSING CHILDREN.” The pane’s verso text discusses this important issue, describes the program that delivers materials featuring photos of missing children to millions of American homes, and provides contact information for the National Center for Missing and Exploited Children. Art director Ethel Kessler designed the stamp.

Stamp Announcement 15-21: Medal of Honor: Vietnam War Stamps

©2015 USPS

On May 25, 2015, in Washington, DC, the U.S. Postal Service® will issue *Medal of Honor: Vietnam War* First-Class Mail® Forever® stamps, in three designs, in a pressure-sensitive adhesive (PSA) prestige folio of 24 stamps (Item 589700).

The stamps will go on sale nationwide May 25, 2015.

In October 2014, the U.S. Postal Service invited the last living Vietnam War Medal of Honor recipients to join in honoring the extraordinary courage of every member awarded the medal for their valorous actions during the war. The first and fourth pages of this four-page prestige folio display photographs of the 48 living recipients of the Medal of Honor from the Vietnam War who agreed to be part of this issuance. The photographs on each of these pages surround a group of 12 Forever stamps (24 total), consisting of three different designs, one for each version of the Medal of Honor: that of the Army, the Navy (also presented to members of the Marine Corps), and the Air Force. Page two contains a short piece of text and a key to the individuals pictured. Page three features an alphabetical listing of those individuals who agreed to be included and of the deceased Medal of Honor recipients from the Vietnam War. Art director Antonio Alcalá designed the prestige folio and the stamps, working with photographs of the medals by Richard Frasier.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation

Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified

envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-

issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
