Beat the Heat, Stay Cool

It's that time of year again, when the temperatures begin to rise, and the potential for heat-related illnesses becomes a factor during your daily work routine.

Here are some quick tips for battling the heat:

1. Hydrate before, during, and after work. Prevention is important, so make sure to maintain good hydration by drinking at least eight ounces of water every 20 minutes.
2. Dress appropriately for the weather. On warm days, make sure to wear light colored, loose-fitting, breathable clothing to keep body temperatures down.
3. Utilize shade to stay cool. When possible, use shaded areas to stay out of direct sunlight.

4. Know the signs of heat stress. You should understand what heat stress is, and how it can affect your health and safety. Here are some things to look out for:

- Hot, dry skin or profuse sweating.
- Headache.
- Confusion or dizziness.
- Nausea.
- Muscle cramps.
- Weakness or fatigue.
- Rash.

Finally, it's important to notify your supervisor or call 911 if you're experiencing signs of heat-related illness. This will not only ensure your safety, but can also save your life.

Metered Mail Price at Retail

With the price change effective May 31, 2015, the meter price for a single-piece non-presorted First-Class Mail® letter up to one ounce will be \$0.485. This meter price is available for any single-piece letters with postage paid by meter, permit imprint, pre-cancelled stamps, Business Reply Mail® (BRM) permit, or PC Postage®, including customized postage. It is available for single-piece mail whether it is mailed at retail (dropped off at a retail counter or dropped into a blue USPS® collection box) or as a residual piece in a commercial mailing.

Customers may bring metered mail to a retail counter to purchase additional services. To accommodate a half-cent price at the retail counter, the following procedures apply:

Scenario 1: The customer affixed the correct price (“First-Class Mail Letter METER Price” from the table below) or overpaid. The retail associate will enter the price without the half-cent (i.e., rounded down) as “Postage Affixed”. This price is listed in the table below as “Adjusted First-Class Mail Letter Price — for systems purpose”.

Scenario 2: The customer affixed a lower price than the “First-Class Mail Letter METER Price” (see table below) and the mailpiece will only be eligible for the stamp price (“First-Class Mail Letter STAMP Price”). Do not process this transaction as “Metered Mail”.

Note: The half-cent difference between stamp and meter pricing is for First-Class Mail letters only; metered First-Class Mail cards and flats continue to have the same price as stamped First-Class Mail cards and flats.

Stamp Announcement 15-23: Penguins Stamp

©2015 USPS

On June 1, 2015, in Kansas City, MO, the U.S. Postal Service® will issue the *Penguins* additional ounce rate stamp, (Non-denominated priced at 22 cents), in one design, in a pressure-sensitive adhesive (PSA) coil of 100 stamps (Item 786200) and also a pane of 20 stamps (Item 117700).

The stamp will go on sale nationwide June 1, 2015.

This stamp from the U.S. Postal Service pays tribute to the majestic emperor penguin (*Aptenodytes forsteri*). Largest of the penguin species, the emperor stands over three feet tall and can weigh more than 80 pounds. Emperor penguins dive beyond 1,500 feet — deeper than any other bird. The stamp art is a stylized drawing of a pair of emperor penguins on a cool green background. The pop of orange and yellow on the birds' beaks and ear patches lends a regal look to the aptly named emperors. Art director Carl Herrman designed the stamp, which was illustrated by Nancy Stahl. The words "ADDITIONAL OUNCE" on this stamp indicate its usage value. Like a Forever® stamp, this stamp will always be valid for the rate printed on it. The initial price and value for this stamp is 22 cents.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

WORKPLACE HARASSMENT KNOW YOUR RIGHTS! TAKE RESPONSIBILITY!

ELIMINATING WORKPLACE HARASSMENT

The United States Postal Service® is committed to providing a work environment free of harassment or other inappropriate conduct based upon race, color, religion, sex (including sexual orientation, gender identity, and gender stereotypes), national origin, age, mental or physical disability, genetic information, uniformed military service (past, present, or future), or in reprisal for an employee or applicant's complaint about or opposition to discrimination or participation in any process or proceeding designed to remedy discrimination.

The Postal Service workplace must be one in which all employees are treated with dignity and respect by supervisors, subordinates, and coworkers. Supervisors and managers will take prompt action to prevent, address, and remedy workplace conduct that is contrary to this policy.

STOPPING INAPPROPRIATE BEHAVIOR

Inappropriate behavior in the workplace, even if it does not meet the legal definition of harassment, undermines morale and violates the Postal Service's policies and standards of conduct. The Postal Service may use disciplinary action even if the conduct does not rise to the level of harassment as defined under the law as such conduct violates Postal Service policy and will not be tolerated. The Postal Service owes its employees a safe, productive, and inclusive workplace and will tolerate nothing less.

WORKPLACE HARASSMENT IS AGAINST THE LAW

Under federal antidiscrimination laws, harassment is defined as unwelcome verbal or physical conduct that demeans or shows hostility or aversion toward an individual or group of individuals.

Employees will be subject to disciplinary action, up to and including removal, for engaging in harassing behavior such as, but not limited to:

- Making offensive or derogatory comments, nicknames, or slurs.
- Engaging in physically threatening, intimidating, or humiliating actions.
- Making derogatory comments relating to or arising out of a person's military service.
- Complaining about a person's absence to perform military service.
- Making or threatening to make employment decisions based on an employee's submission to, or rejection of, sexual advances or requests for sexual favors.
- Deliberate or repeated unsolicited remarks with a sexual connotation, or physical contact of a sexual nature that is unwelcome to the recipient.
- Behavior that creates a sustained hostile or abusive work environment so severe or pervasive that it unreasonably interferes with or changes the conditions of one's employment.

OBLIGATION TO REACT PROMPTLY

Postal Service employees who believe that they are the victims of workplace harassment or inappropriate conduct, or who have witnessed such harassment, should bring the situation to the attention of any one of the following:

- Their immediate supervisor or manager.
- Any supervisor or manager.
- The manager, Human Resources.
- A union representative or coworker who will speak to a manager on the employee's behalf.

- A special agent of the Office of Inspector General.

CONFIDENTIALITY

The Postal Service, to the extent possible, protects the confidentiality of an employee's workplace harassment complaint.

WHAT THE POSTAL SERVICE REQUIRES OF MANAGERS AND SUPERVISORS

Any manager or supervisor who receives a complaint must act to stop any inappropriate behavior, ensure that a prompt and thorough investigation is conducted, and ensure that the harassing or inappropriate conduct does not persist—even if the behavior does not rise to the legal definition of harassment.

MANAGEMENT INQUIRY

All managers and supervisors must follow the Management Inquiry Process materials available in Publication 552, *Manager's Guide to Understanding, Investigating, and Preventing Harassment*, when a complaint is brought to their attention. If workplace harassment or inappropriate conduct is found, managers must take prompt and appropriate remedial action.

ADDITIONAL RELIEF

In addition, you can seek relief through:

- The EEO complaint process;
- Grievance arbitration procedures established through the collective bargaining agreements with the unions; and
- The appeal procedures for employees not subject to the provisions of the collective bargaining agreement, as described in the *Employee and Labor Relations Manual (ELM)*, 650.

If you elect to pursue an EEO complaint, you must contact the EEO Centralized Intake Center by

calling toll free: 1-888-EEO-USPS (888-336-8777), TTY: 1-888-325-2914, within 45 days of the act or acts giving rise to the claim to preserve your rights under federal law. You also have a right to pursue a complaint involving employment matters covered by USERRA to the Department of Labor, Veterans Employment and Training Service, by calling toll free: 1-866-4-USA-DOL. If you are deaf or hard of hearing, you can call toll free: 1-877-889-5627. You may also file a complaint with the Merit Systems Protection Board electronically at <https://e-appeal.mspb.gov>.

CRIMINAL MISCONDUCT

Report any possible criminal misconduct, sexual or otherwise, to local law enforcement and Postal Management. Report any physical assault, threat of a physical assault or stalking to the Postal Inspection Service. Report any threatening or harassing communications or obscene or indecent images and materials, which are transmitted through the use of any electronic device, computer or the Internet, to the Office of Inspector General.

RETALIATION IS ILLEGAL

Retaliation against employees who raise a claim of workplace harassment, report inappropriate conduct, or provide evidence in any investigation is illegal and can result in disciplinary action.

ZERO TOLERANCE

The Postal Service will not tolerate any workplace harassment or other inappropriate conduct based on race, color, religion, sex (including sexual orientation, gender identity, and gender stereotypes), national origin, age, mental or physical disability, genetic information, uniformed military service (past, present, or future) or in reprisal for prior EEO or USERRA activity.

Stamp Announcement 15-26: Vintage Tulip Stamp

On June 1, 2015, in Kansas City, MO, the U.S. Postal Service® will reissue the *Vintage Tulip*, two ounce rate mail-use stamp, (Non-denominated priced at 71 cents), in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 589500).

The stamp will go on sale nationwide June 1, 2015.

In 2015, the U.S. Postal Service issued *Vintage Tulip*, an all-occasion stamp available to accommodate the weight of heavy invitations for weddings and other celebrations, greeting cards, and mailings such as small gifts that require extra postage. The words “Two Ounce” on this stamp indicate its usage value. Like a Forever® stamp, this stamp will always be valid for the rate printed on it. The initial price and value for this stamp is 71 cents. The stamp art features an elaborate floral line drawing of a tulip similar to the design of the 2015 *Vintage Rose* Forever stamp. Jeanne Greco designed these stamps using details from drawings originally created by naturalist artist Maria Sibylla Merian (1647–1717). A small, deep crimson heart on both stamps adds a dash of color to the designs and makes them a natural pair. These stamps were printed using the intaglio printing technique. *Vintage Tulip* and *Vintage Rose* are the latest additions to the popular *Weddings* series. Greg Breeding was the art director.

Stamp Announcement 15-28: Flannery O'Connor Stamp

©2015 USPS

On June 5, 2015, in McLean, VA, the U.S. Postal Service® will issue the *Flannery O'Connor* three ounce rate mail-use stamp (Non-denominated priced at 93 cents), in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 118900).

The stamp will go on sale nationwide June 5, 2015.

The 30th stamp in the *Literary Arts* series honors Flannery O'Connor (1925–1964), who crafted unsettling and darkly comic stories and novels about the potential for enlightenment and grace in what seem like the worst possible moments. The color portrait on this stamp, a watercolor painting completed digitally, is based on a black-and-white photograph taken when O'Connor was a student at the Georgia State College for Women from 1942 to 1945. Surrounding O'Connor are peacock feathers, a symbol often associated with the author. The words "THREE OUNCE" on this stamp indicate its usage value. Like a Forever® stamp, this stamp will always be valid for the rate printed on it. The initial price and value for this stamp is 93 cents. Art director Phil Jordan designed the stamp with artwork by Sam Weber.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in *italics* under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Required Procedures for Environmental Regulatory Agency Site Visits and Notices of Violation

It is Postal Service™ policy to comply with all applicable local, state, and federal environmental regulations and to cooperate fully with environmental regulators.

Environmental Agency Inspections and Site Visits

The site installation head *must immediately* report visits and site inspections by the Environmental Protection Agency (EPA) and state or local environmental regulatory agencies to the appropriate USPS® regional manager, Environmental Compliance and Sustainability, regardless of whether the site visit is announced (pre-scheduled) or unannounced.

In addition, the installation head or his or her designee must follow the Postal Service “Standard Operating Procedure for Environmental Agency Inspections and Site Visits” to ensure appropriate authorization and facility compliance during environmental agency inspections at postal facilities. The Procedure is available at: <http://blue.usps.gov/sustainability/environmental/facility-inspection.htm>.

Environmental Notices of Violation and Similarly Entitled Notices

A notice of violation (NOV), or similarly entitled notice, such as a warning letter or a notice of non-compliance, can be issued to the Postal Service for failure to comply with an environmental regulation. Notices can be issued from the EPA or a state or local agency, and may occur as the result of a regulator site visit or inspection.

The site installation head or, if applicable, the Facilities Department project manager must notify the appropriate USPS regional manager, Environmental Compliance and Sustainability, within five days of becoming aware of an NOV or similarly entitled notice. He or she must send an electronic copy of the notice to the respective regional manager within five days of receipt.

Reporting NOVs and similar notices will ensure that timely and necessary response actions are taken and that critical items are referred to the Law Department.

USPS Environmental Compliance and Sustainability Points of Contact

For environmental regulatory agency visits and NOVs generated in the Northeast, Eastern, and Capital Metro areas, and Headquarters-related facilities, send an email notification and/or electronic copy to Nicholas DeCarlo, regional manager, Environmental Compliance and Sustainability at Nicholas.Decarlo@usps.gov.

For environmental regulatory agency visits and NOVs generated in the Great Lakes, Western, Southern, and Pacific areas, send an email notification and/or electronic copy to Judy Wingo-Stalinger, regional manager, Environmental Compliance and Sustainability at judy.wingo-stalinger@usps.gov.
