## A U.S. Passport is Your Key to International Travel

The U.S. Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States.

A passport book or card is proof of identity and U.S. citizenship. U.S. citizens can use each as follows:

- The passport book for all international travel by air, land, or sea.
- The passport card to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, and at land border crossings or sea ports-of-entry. U.S. citizens cannot use the passport card for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a first-time passport book, passport card, or both, submitting your passport application is easy. The United States Postal Service® makes it convenient to apply for a passport with the Retail Customer Appointment Scheduler (RCAS) tool. Customers now have the opportunity to self-schedule a first-time passport application appointment through a variety of options:

- Online or on a mobile device at [usps.com/scheduler](https://usps.com/scheduler).
- At any one of the 2,700 Self-Service Kiosks (SSKs).
- At the Retail counter of more than 17,000 select Post Offices.

The RCAS tool guides you through the appointment process in four easy steps:

1. Choose a service.
2. Find available appointments.
3. Select your appointment time.
4. Provide contact information.

The RCAS tool will display available appointment times for participating Post Office™ locations that offer passport appointment services within the selected radius. Users will

receive notifications of their scheduled appointment via email or text.

If you are eligible to renew your passport, you do not need to make an appointment for the renewal. Simply take your documents and payment to the nearest Post Office and mail everything to the U.S. Department of State using Priority Mail® or Priority Mail Express® service. You may also be able to renew online at [travel.state.gov/content/travel/en/passports.html](https://travel.state.gov/content/travel/en/passports.html).

For best results, follow these passport and international travel tips:

- Apply for your passport book or card early.
- Check the expiration date of your current passport. U.S. passports are issued to adults for 10 years and children under the age of 16 for 5 years.
- Visit the Department of State website ([travel.state.gov/content/travel/en/passports.html](https://travel.state.gov/content/travel/en/passports.html)) for the following information:
  - Find out how to apply for or renew your passport.
  - Get passport fees and forms.
  - Track your application.
  - Report your passport lost or stolen.
- Enroll in the Smart Traveler Enrollment Program at [step.state.gov/step](https://step.state.gov/step). U.S. citizens and nationals who travel and live abroad can use this free service to register their trip with the nearest U.S. Embassy or Consulate.
- For up-to-date information on when you will get your passport, see processing times at [travel.state.gov/content/travel/en/passports/how-apply/processing-times.html](https://travel.state.gov/content/travel/en/passports/how-apply/processing-times.html).
- If you need your passport quickly, see Get My Passport Fast at [travel.state.gov/content/travel/en/passports/get-fast.html](https://travel.state.gov/content/travel/en/passports/get-fast.html).

### DMM Revision: Domestic Competitive Products Pricing and Mailing Standards Changes

Effective January 21, 2024, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), to reflect changes effective January 21, 2024, to certain prices and mailing standards for the following Postal Service competitive products:

- Priority Mail Express®.
- Priority Mail®.
- USPS Ground Advantage™.
- Parcel Select®.
- Extra Services.
- Return Services.
- Mailer Services.
- Recipient Services.
- Other.

This article describes new prices and product features that the Governors of the United States Postal Service® established for competitive products. Information on new prices is available on the Postal Explorer® website at [pe.usps.com](https://pe.usps.com). Competitive product changes are by product as follows:

#### Priority Mail Express

##### Prices

Overall, Priority Mail Express prices will increase 5.9 percent. Priority Mail Express will continue to include zoned and Flat-Rate, Retail and Commercial pricing.

#### Priority Mail

##### Prices

Retail prices will increase an average of 5.6 percent. New retail prices will be as follows:

- Flat-Rate Envelope: \$9.85.
- Legal Flat-Rate Envelope: \$10.15.

- Padded Flat Rate Envelope: \$10.60.

#### USPS Ground Advantage

##### Prices

Overall, USPS Ground Advantage prices will increase 5.4 percent.

USPS Ground Advantage — Retail prices will increase 5.2 percent.

USPS Ground Advantage — Commercial prices will increase 5.4 percent.

#### Parcel Select

##### Prices

Prices for Parcel Select Destination Entry will increase an average of 5.9 percent.

Prices for USPS Connect® Local will remain the same.

##### Parcel Select Destination Entry Pricing Enhancement

The Postal Service is revising the Parcel Select Destination Entry pricing structure to add ounce-pricing increments. Parcel Select Destination Entry pricing will have 4-ounce, 8-ounce, and 12-ounce price increments (e.g., if an item weighs 12.1 ounces, the next weight [price] increment is 1 pound).

##### Parcel Select Lightweight Discontinued

The Postal Service is discontinuing the Parcel Select Lightweight product as a result of the July 9, 2023, structural price change to Parcel Select Destination Entry and Parcel Select Lightweight to have the same four pricing entry components — Destination Delivery Unit (DDU), Destination Hub (DHub), Destination Sectional Center Facility (DSCF), and Destination Network Distribution Center (DNDC) — and the new enhancement to Parcel Select Destination Entry to add 4-ounce, 8-ounce, and 12-ounce pricing increments.

##### Parcel Select Destination Entry Nonmachinable Parcel

The Postal Service is updating the parcel dimensions (22 inches by 18 inches by 15 inches) and weight (25 pounds) of when a parcel becomes a nonmachinable parcel under Parcel Select Destination Entry.

**Extra Services**

*Adult Signature Service*

Adult Signature Required and Adult Signature Restricted Delivery service prices are increasing 3.3 percent and 3.2 percent, respectively. Their prices will increase to the following:

- Adult Signature Required: \$9.35.
- Adult Signature Restricted Delivery: \$9.65.

**Return Services**

*USPS Returns Intelligent Mail Package Barcode and Label Compliance*

The Postal Service is providing a clarification on Intelligent Mail® package barcode (IMpb®) compliance regarding USPS Returns, and a correction to USPS Returns label noncompliance.

The standard currently in the DMM states that all commercial, Priority Mail Express, Priority Mail, and USPS Ground Advantage mailpieces must bear a correct IMpb or the mailer will be assessed an IMpb noncompliance fee. The Postal Service is providing notice that assessing the IMpb noncompliance fee will be activated for USPS Returns effective January 21, 2024, but the Postal Service will delay collecting the IMpb noncompliance fee until May 31, 2024.

In addition, DMM 505.3.1.5, “Noncompliant Labels,” currently states that when noncompliant labels, including discontinued labels, are affixed to USPS Returns service packages, the permit holder will be assessed the appropriate retail USPS Ground Advantage price. With the July 9, 2023, introduction of Priority Mail Express Return service, the retail USPS Ground Advantage pricing is no longer applicable. As a result, the Postal Service is revising this section to reflect that the permit holder may be assessed the appropriate USPS Returns class of mail retail price (i.e., a Priority Mail Express Return piece will be assessed the retail Priority Mail Express price) or the IMpb noncompliance fee.

**Mailer Services**

The service fees or prices for the following will remain the same:

- Pickup on Demand®.
- USPS Tracking Plus®.
- USPS Label Delivery Service™.

**Recipient Services**

*Post Office Box Service*

The competitive Post Office Box™ service prices will increase an average of 3.0 percent within the updated price ranges.

*Premium Forwarding Service*

Premium Forwarding Service® (PFS®) prices will increase 2.9 percent to 3.0 percent depending on the specific price element. The enrollment fee paid at the retail counter for PFS-Residential will increase to \$26.20 and the PFS-Residential, PFS-Commercial, and PFS-Local enrollment fee paid online will increase to \$24.10 per application. The price of the weekly shipment charge for PFS-Residential and per container charge for PFS-Local will increase to \$26.20.

*USPS Package Intercept*

The USPS Package Intercept® fee will increase 2.9 percent to \$17.50.

**Other**

*Address Enhancement Service*

Address Enhancement Service competitive product prices will increase 2.9 percent to 3.1 percent.

*Small Parcel Forwarding Fee*

The small parcel forwarding fee will remain the same.

*eVS® Unmanifested Fee*

The Postal Service is renaming the “eVS Unmanifested Fee” as “Unmanifested Fee” under the applicable products.

**Resources**

The Postal Service provides additional resources to assist customers with price changes for competitive products. These tools, available on the Postal Explorer website at [pe.usps.com](https://pe.usps.com), include:

- Price lists.
- Downloadable price files.
- Federal Register Notices.

### Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [usps.com/shop/money-orders.htm](https://usps.com/shop/money-orders.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

### Changes

APO/FPO/DPO	Action	Effective Date	See Restrictions
APO AP 96337	Add M, R1, W; Remove V	12/06/2023	B-C-C2-F-F1-F3-M-R-R1-S-W

We have eliminated “Not Active” entries from the table below to save space and paper.

## Information Security

### Fraudulent Websites are All Around Us

Fraudulent websites continue to pose a threat to cybersecurity as cybercriminals try to trick us into clicking on the malicious websites they create.

Www[.]liteblue-secure[.]com is an example of a fake website that is a close copy of the legitimate website, [liteblue.usps.gov/wps/myportal](https://liteblue.usps.gov/wps/myportal).

USPS® recommends the following tips when accessing websites:

#### Do:

- Type website addresses directly into the address bar and bookmark them as a favorite.
- Double-check that you are on the correct website by carefully reviewing the website address.
- Stop and think before providing personal information and interacting with websites.
- Report suspicious activity to the Cybersecurity Operations Center by emailing [cybersafe@usps.gov](mailto:cybersafe@usps.gov) or calling 866-877-7247.

#### Don't:

- Assume that online browsers like Google and Yahoo always navigate to real and safe websites.
- Click on suspicious email links or attachments.
- Answer unsolicited texts or calls from unknown numbers.
- Share your employee identification number, password, or multifactor authentication codes with anyone.

Please refer to the Cybersafe Do's and Don'ts page for more information at [blue.usps.gov/cyber/assets/pdf/Cybersafe\\_Do\\_Donts.pdf](https://blue.usps.gov/cyber/assets/pdf/Cybersafe_Do_Donts.pdf).

## International Mail

### Price Changes for International Competitive Services

Effective January 21, 2024, the Postal Service™ will revise Notice 123, *Price List*, to reflect price changes to certain Competitive International Services, as established by the Governors of the Postal Service. The new prices are based on Postal Regulatory Commission (PRC) Order No. 6895 issued on December 22, 2023, in Docket Number CP2024-52. In that order, the PRC found that the price adjustments included in the Postal Service's notice may go into effect on January 21, 2024. The order is available on the PRC website at [prc.gov](https://prc.gov).

This article describes the international price changes for the following international competitive services:

- Global Express Guaranteed® (GXG®).
- Priority Mail Express International® (PMEI).
- Priority Mail International® (PMI).
- First-Class Package International Service® (FCPIS®).
- International Priority Airmail® (IPA®).
- International Surface Air Lift® (ISAL®).
- Direct Sacks of Printed Matter to One Addressee (Airmail M-bag®).

- The following competitive international extra services and fees:
  - International Insurance.
  - Certificate of Mailing.
  - International Registered Mail.
  - International Return Receipt.
  - Customs Clearance and Delivery Fee.

For pricing, see the Postal Explorer® website at [pe.usps.com](https://pe.usps.com).

#### Global Express Guaranteed

Global Express Guaranteed (GXG) service provides fast international shipping, with international transportation and delivery provided through an alliance with FedEx Express®. The price increase for GXG service averages 5.4 percent.

The Postal Service provides Commercial Base® pricing to online customers who prepare and pay for GXG shipments via USPS-approved payment methods (other than Click-N-Ship® service), with a discount below the published retail prices for GXG service. Customers who prepare GXG

shipments via Click-N-Ship service will continue to pay retail prices. Commercial Plus<sup>®</sup> prices are set to match the Commercial Base prices.

### Priority Mail Express International

Priority Mail Express International (PMEI) service provides fast service to approximately 180 countries in 3–5 business days for many major markets, although the actual number of days may vary based upon origin, destination, and customs delays. PMEI with Money-Back Guarantee service is available for certain destinations. (Due to COVID-19 service impacts, PMEI with Money-Back Guarantee service has been suspended for several destinations until further notice. For more information, see the USPS Service Updates page on [usps.com](https://usps.com).) The price increase for PMEI service averages 5.4 percent. The Commercial Base price provides a discount below the published retail prices for customers who prepare and pay for PMEI shipments via permit imprint, or as registered end-users using an authorized PC Postage vendor (with the exception of Click-N-Ship service). Customers who prepare PMEI shipments via Click-N-Ship service pay retail prices. Commercial Plus will be equivalent to Commercial Base; however, deeper discounting may still be available to customers through negotiated service agreements.

The Postal Service will continue to include PMEI service in customized contracts offered to customers who meet certain revenue thresholds and are willing to commit a larger amount of revenue to the USPS<sup>®</sup> for PMEI service and PMI service.

PMEI flat rate pricing continues to be available for Flat Rate Envelopes.

### Priority Mail International

Priority Mail International (PMI) is an economical way to send merchandise and documents to approximately 180 countries in 6–10 business days for many major markets, although the actual number of days may vary based upon origin, destination, and customs delays. The price increase for PMI service averages 5.4 percent. The Commercial Base price provides a discount below the published retail prices for customers who prepare and pay for PMI items via permit imprint, or as registered end-users using an authorized PC Postage vendor (with the exception of Click-N-Ship service). Customers who prepare PMI shipments via Click-N-Ship pay retail prices. Commercial Plus prices will be equivalent to Commercial Base; however, deeper discounting may still be made available to customers through negotiated service agreements.

The Postal Service will continue to include PMI service in customized contracts offered to customers who meet certain revenue thresholds and are willing to commit to a larger amount of revenue to the USPS for PMEI service and PMI service.

PMI flat rate pricing continues to be available for Flat Rate Envelopes, Small Flat Rate Boxes, and Medium and Large Flat Rate Boxes.

### First-Class Package International Service

First-Class Package International Service (FCPIS) is an economical international service for small packages not exceeding 4 pounds in weight and \$400 in value. The price increase for FCPIS averages 6.4 percent. The Commercial Base price provides a discount below the published retail prices for customers who prepare and pay for FCPIS items via permit imprint, or as registered end-users using an authorized PC Postage vendor (with the exception of Click-N-Ship service). Customers who prepare FCPIS shipments via Click-N-Ship service pay retail prices. Commercial Plus prices will be equivalent to Commercial Base; however, deeper discounting will be made available to customers through negotiated service agreements.

Electronic USPS Delivery Confirmation International service (E-USPS DELCON INTL<sup>®</sup>) is a tracking service available at no charge for FCPIS items to select destination countries.

### International Priority Airmail and International Surface Air Lift

International Priority Airmail (IPA) service, including IPA M-bags, is a commercial service designed for volume mailings of all First-Class Mail International postcards, letters, and large envelopes (flats), and for volume mailings of FCPIS packages (small packets) weighing up to a maximum of 4.4 pounds. IPA shipments are typically flown to foreign destinations (exceptions apply to Canada) and are then entered into that country's air or surface priority mail system for delivery. The price increase for IPA is 5.5 percent. International Surface Airlift (ISAL) is like IPA except that once flown to the foreign destination, ISAL is entered into that country's air or surface nonpriority mail system for delivery. The price increase for ISAL is 3.5 percent.

### Direct Sacks of Printed Matter to One Addressee (Airmail M-bags)

An Airmail M-bag is a direct sack of printed matter sent to a single foreign addressee at a single address. Prices are based on the weight of the sack. The price increase for Airmail M-bag service averages 5.4 percent.

## Stamp Announcement 24-7: Radiant Star Stamp

© 2023 USPS

On February 19, 2024, in Star, ID, the United States Postal Service® will issue the *Radiant Star* stamp (Non-denominated priced at the Presorted Standard Rate of 10 cents) in one design, in a pressure-sensitive adhesive (PSA) coil of 3,000 stamps (Item 751700) and coil of 10,000 stamps (Item 761900). The stamp will go on sale nationwide February 19, 2024, and must not be sold or canceled before the first-day-of-issue.

*Radiant Star* is a new Presorted Standard stamp available for bulk mail users. Showcasing easily recognizable design elements from the American flag, this graphic design creates an eye-catching image that conjures the Stars and Stripes and feelings of patriotism. The stamp, sold in self-adhesive coils of 3,000 and 10,000, was designed by Carol Beehler. Antonio Alcalá was the art director for this project.

### How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at [usps.com/shop](https://usps.com/shop).

#### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.
