City Delivery Service

Extensions

642.1 Definition

In this section, *extension* refers to the expansion of city delivery service to any areas not currently receiving delivery service but that are within the delivery limits of a Post Office from which city delivery service is already provided.

642.2 Requirements

The delivery service requirements for extensions are the same as those listed in [641.2](#) for establishments, with the following exceptions:

a. Section [641.2a](#) does not apply to extensions. b. The applicability of b may be waived if:

(1) There is a reasonable expectation that the requirements of [641.2b](#) can be met within 12 months,
and

(2) CBUs or USPS STD 4C equipment are to be used for delivery.

642.3 Out-of-bounds Customers

Customers outside the limits of city delivery service may be given delivery service, where approved by the Postal Service, if they erect boxes on the delivery carrier's line of travel. Parcel Post, Insured Mail, Certified Mail, COD, and Registered Mail are delivered to the residences or businesses of out-of- bounds customers if the residences or businesses are not more than three blocks from the carrier's line of travel and passable walks are constructed or the street is not impassable. Otherwise, a notice is left in the box requesting that the customer call for the mail. If an ordinary parcel is involved and it can be placed in the box, delivery is made in that manner.
